Inhaltsverzeichnis

Einführung	7	Central Plateaus	43
I. In the geography classroom	9	The Alpine system	43
1 General classroom phrases	10	Germany	44
1.1 In the classroom	10	Asia	46
2 Geographic disciplines	12	North America:	
2.1 Physical geography	12	physiographic regions	48
2.2 Human geography	12	A brief geography of North	
2.3 Climatology	13	America	49
2.4 Geomorphology	14	2 Physical environment	51
2.5 Pedology	15	2.1 Tectonics	51
2.6 Economic geography	15	Earth's interior	51
3 Working with	16	Plate tectonics	52
3.1 Atlas and maps	16	Volcanism and earthquakes .	53
Physical maps	17	2.2 Lithosphere	57
Talking about topographic		Rock types	57
maps	19	Weathering	59
Thematic maps	20	Soils	60
Comparisons	21	2.3 Climate	63
3.2 Illustrations and		Weather	63
presentations	21	Climate	65
Illustrations and visuals	21	Atmospheric circulation	69
3.3 Numbers	26	Wind systems	70
3.4 GIS	31	Climate and vegetation	
II. Thematic vocabulary	33	zones	71
1 Planet earth	34	2.4 Landforms	76
1.1 Topography	34	Mountains, hills and valleys .	76
1.2 Continents and countries	36	Rivers, streams and swamps	
General	36	Oceans and the sea	79
Continents and oceans	37	Glacial	79
Straits and gulfs	39	Fluvial	81
Rivers	39	Wind	84
Lakes	40	Coastal	84
Deserts	40	2.5 Hydrology	87
Mountains	41	Resource water	87
Glaciers and more ice	41	Marine ecosystems	90
Europe	41	2.6 Endangered environments ...	93
Northwestern Uplands	42	Natural hazards	93
North European Lowlands ...	42	Man-made hazards	95
		Sustainability	98
		3 Human environment	100
		3.1 Industry	100

Natural resources	103	Cities in different historical and cultural environments ...	170
Industries	108	Central-place theory	174
3.2 Agriculture	113	Stages in urbanisation	176
Agricultural products	118	Effects of urbanisation	176
Agricultural systems	123	Regional planning and spatial development	177
Food industry	126	Spatial analysis: indicators ...	178
Ecological agriculture	127	3.7 World development: stages and indicators	178
3.3 Population	129	Stages	178
Characteristics	129	Indices	180
Development	133	Factors	183
Migration	135	Explaining inequalities	188
3.4 Trade, services and consumer	138	Aid	190
Trade	138	Examples	192
Services	146	3.8 Globalisation	194
Growth of services	147	Multinational corporations ...	194
Service sectors	148	Consequences of globalisation	195
Distribution of services	149	Economic	196
Consumer and market	151	Geographical	197
3.5 Ecology and economy	155	Communication and Internet	199
The social question	155	Appendix	
Economic background	156	Englisches Stichwortregister	201
Energy demand	157	Deutsches Stichwortregister	225
Ecology and the environment	159	Übersicht über die Infoboxen	249
Environmental protection	161	Phonetische Umschrift	249
3.6 Urban areas and urbanisation	162	Verwendete Abkürzungen	250
Urban areas – rural areas	162	Illustrations	251
Indicators for cities	166		
Dwellings	168		
Traffic	168		
Infrastructure	169
