Foreword	XIII
Acknowledgements	XV
Introduction	XVII

## CHAPTER 1

<b>Age as a sociolinguistic variable</b>	<b>1</b>
1.1 Definition of age	1
1.2 Status of age	2
1.3 Etic and emic approaches to studying age and aging	3
1.4 Survey of research on age and language	5
1.4.1 Apparent time	5
1.4.2 Age-grading	6
1.4.3 Real time	7
1.4.4 Linguistic life-span perspective	8
1.4.4.1 Childhood and adolescence	10
1.4.4.2 Adulthood	11
1.4.4.3 Old age	12
1.5 Issues in age-related research	13
1.5.1 Subjects	14
1.5.2 Contexts of talk	14
1.6 Merits of a corpus-based approach to examining age and language	16

## CHAPTER 2

<b>Contextualising age-related research</b>	<b>17</b>
2.1 Discourse, sociolinguistics and variation	17
2.1.1 Discourse studies: Background	18
2.1.2 Discourse: A definition	20
2.1.3 Discourse studies in all-female talk	21
2.1.4 Discourse studies in all-male talk	23
2.2 Research and sociolinguistic variables	24
2.3 Language variety and language variation	25
2.4 Conversation analysis	25
2.5 Variational pragmatics	28

## 2.6 Sociolinguistic variables 29

## CHAPTER 3

**How to build and use a corpus for age-related research 31**

- 3.1 Corpus linguistics as a tool 31
- 3.2 Size of the corpus 31
- 3.3 Descriptive and interpretative issues 32
  - 3.3.1 Observer's paradox 33
  - 3.3.2 Difficulties: Accurately (re) capturing context in transcription 33
- 3.4 Selection criteria 34
- 3.5 Transcription issues 35
- 3.6 Description of the data 36
  - 3.6.1 Collection 36
  - 3.6.2 Methodological issues in the corpus 37
  - 3.6.3 Participants in the corpus 38
  - 3.6.4 Description of the corpus 40
- 3.7 Tools of investigation 41
  - 3.7.1 Word frequency lists 41
  - 3.7.2 Cluster analysis 42
  - 3.7.3 Keyword search 42
  - 3.7.4 Concordancing 44
- 3.8 Organisation of the book 44

## CHAPTER 4

**Hedging 47**

- 4.1 Vague language 47
- 4.2 Origins of hedging 47
- 4.3 Definition 48
- 4.4 Approaches 51
  - 4.4.1 Hedging and semantics 51
  - 4.4.2 Hedging and pragmatics 52
- 4.5 Hedging and gender 56
- 4.6 Hedging forms in FAC 59
- 4.7 Examining hedging across the age groups 63
  - 4.7.1 Conversation types in FAC 20s 63
  - 4.7.2 Life stage and relationship in FAC 20s 68
  - 4.7.3 Conversation types in FAC 40s 72
  - 4.7.4 Life stage and relationship in FAC 40s 76
  - 4.7.5 Conversation type in FAC 70s/80s 77
  - 4.7.6 Life stage and relationship in FAC 70s/80s 80

- 4.7 Gender and hedging 82
- 4.8 Summary 83

## CHAPTER 5

- Vague category markers** 85
- 5.1 Forms of vague category markers 85
- 5.2 Functions of vague category markers 90
- 5.3 Vague category marker forms in FAC 91
- 5.4 Examining vague category markers across the age groups 97
  - 5.4.1 “And everything” as a marker of FAC 70s/80s 97
  - 5.4.2 “Or whatever” as a marker of FAC 70s/80s 100
  - 5.4.3 “Or something” as a marker of FAC 20s 103
  - 5.4.4 “Or something” in FAC 70s/80s 105
- 5.5 VCMs and gender 106
- 5.6 Summary 108

## CHAPTER 6

- Amplifiers** 111
- 6.1 Amplifiers: A definition 111
- 6.2 Role of amplifiers 112
  - 6.2.1 Versatility and colour 112
  - 6.2.2 Constant change 112
- 6.3 Amplifiers and gender 113
- 6.4 Amplifiers in FAC 114
- 6.5 Examining amplifiers across the age groups 118
  - 6.5.1 “Very” and “really” as amplifiers in FAC 20s 118
  - 6.5.2 “Very” and “really” as amplifiers in FAC 40s 121
  - 6.5.3 “Very” and “really” as amplifiers in FAC 70s/80s 123
  - 6.5.4 “So” as an amplifier in FAC 20s 124
  - 6.5.5 “So” as an amplifier in FAC 40s 127
  - 6.5.6 “So” as an amplifier in FAC 70s/80s 128
  - 6.5.7 “Fucking”/ “fecking” as an amplifier in FAC 20s 128
- 6.6 Amplifiers and gender 131
- 6.7 Summary of amplifiers 133

## CHAPTER 7

- Boosters** 135
- 7.1 Boosters: A definition 135
- 7.2 Role of boosters 136
- 7.3 Boosters in FAC 136

7.4	Examining boosters across the age groups	139
7.4.1	“WILL” and “must”	139
7.4.2	FAC 20s	140
7.4.3	FAC 40s	143
7.4.4	FAC 70s/80s	143
7.5	“Absolutely”	146
7.5.1	FAC 20s	147
7.5.2	FAC 40s	147
7.5.3	FAC 70s/80s	148
7.6	“Altogether”	149
7.6.1	FAC 20s	149
7.6.2	FAC 40s	149
7.6.3	FAC 70s/80s	149
7.7	“Alright”	150
7.7.1	FAC 20s	150
7.7.2	FAC 40s	151
7.7.3	FAC 70s/80s	152
7.8	“Completely”	152
7.8.1	FAC 20s	152
7.8.2	FAC 40s and FAC 70s/80s	152
7.9	“Definitely”	153
7.9.1	FAC 20s	153
7.9.2	FAC 40s and FAC 70s/80s	153
7.10	“Too”: FAC 70s/80s	153
7.11	“At all”: FAC 20s	154
7.11.1	“At all”: FAC 40s	154
7.11.2	“At all”: FAC 70s/80s	155
7.12	Unmodified simple forms: FAC 70s/80s	156
7.13	Boosters and gender	158
7.14	Summary of boosters	161

## CHAPTER 8

### Taboo language

163

8.1	Taboo language: Background	163
8.2	Approaches to taboo language	165
8.2.1	The sociolinguistic approach	165
8.3	Taboo language: A definition	167
8.3.1	Expletives	169
8.3.2	Religious taboo words	170
8.3.3	Abusives	170

8.3.4	Phatic uses of taboo language	171
8.4	Taboo language and women	172
8.5	Taboo language and age	174
8.6	Taboo language in FAC	177
8.6.1	Expletives	177
8.6.2	Religious references	182
8.6.3	Animal-related abusives	184
8.6.4	Intellectual abusive	184
8.6.5	Sex-related abusives	185
8.6.6	Homosexual abusives	185
8.7	Examining taboo language across the age groups	185
8.7.1	Expletives	186
8.7.2	Religious references	190
8.7.3	Original religious references	194
8.7.4	Animal-related abusives	199
8.7.5	Intellectual abusives	200
8.7.6	Sex-related abusives	202
8.7.7	Homosexual abusives	203
8.8	Summary	203
CHAPTER 9		
	<b>Conclusion</b>	<b>205</b>
