

The Remittance Behavior of Immigrant Households Micronesians in Hawaii and Guam

Elizabeth M. Grieco

**LFB Scholarly Publishing LLC
New York 2003**

Contents

1. Introduction	1
A Sociological Approach to Migrant Remittances	3
Purpose of Research	6
2. A Sociological Model of Remittance Behavior	9
Migrant Remittance Theory and the Remittance Decay Hypothesis	10
A Sociological Approach to Remittance Duration and Decay	22
Hypotheses and Model	38
3. Modeling Household Remittance Behavior	45
The Census of Micronesian Migrants	45
The Dependent Variables	52
Analytical Methods	58
A Household Model of Remittance Behavior	61
4. Migrants from the Federated States of Micronesia	69
The Federated States of Micronesia	70
A Brief Post-Contact History of the FSM	71
The Establishment of Migration Flows from the FSM to Guam and Hawaii	72
The Nature of the Migration Flows from the FSM to Guam and Hawaii	84

5. Time, Resources, and Remittance Behavior	101
Measuring Remittance Duration	103
Measuring Financial Resources	111
Measures and Analytical Methods	117
Results of the Statistical Analyses	118
Conclusion	122
6. The Influence of the Migration Process on Remittance Behavior	127
The Theoretical Influence of "Social Time" on Remittance Behavior	129
Measures and Analytical Methods	132
Results	139
Summary and Conclusion	149
7. Network Participation and Remittance Behavior	159
Measures and Analytical Methods	160
Results	168
Conclusion	171
8. Conclusion	175
The Sociological Approach to Remittance Behavior	177
Implications for Future Research	179
Gender and Remittance Behavior	181
Notes	185
References	191
Index	203
