Preface . . . . .	v
List of Contributors . . . . .	xi
Introduction: Action versus state orientation in the context of personality and volition . . . . .	1
Julius Kuhl and Jürgen Beckmann	

## Part I

### Action and State Orientation: Theory and Assessment

× Chapter 1 A theory of action and state orientations . . . . .	9
Julius Kuhl	
✗ Chapter 2 Action versus state orientation: Psychometric properties of the Action Control Scale (ACS-90) . . . . .	47
Julius Kuhl	
Chapter 3 Empirical findings on the action control scale in the context of complex skill acquisition . . . . .	61
Ruth Kanfer, Brad Dugdale and Barbara McDonald	
Chapter 4 Action orientation and personality: Some evidence on the construct validity of the Action Control Scale . . . . .	79
Eric Klinger and Michael D. Murphy	
✗ Chapter 5 A theory of action control: Mental subsystems, modes of control, and volitional conflict-resolution strategies . . . . .	93
Julius Kuhl and Thomas Goschke	

## Part II

### The Formation and Maintenance of Intentions

Chapter 6 State orientation and the activation and retrieval of intentions in memory . . . . .	127
Julius Kuhl and Thomas Goschke	
✗ Chapter 7 Volitional correlates of action versus state orientation . . . . .	155
Jürgen Beckmann	

Chapter 8 Choice of decision-making strategies and action versus state orientation . . . . .	167
Joachim Stiensmeier-Pelster	
Chapter 9 Volitional processes in decision making: Personality and situational determinants . . . . .	177
Susanne Dibbelt and Julius Kuhl	
Chapter 10 Competing motivations or changing choices: Conjectures and some data on choice-action consistency . . . . .	195
Helmut Jungermann, Hans-Rüdiger Pfister and Regine S. May	

### **Part III**

### **State Orientation, Stress, and Anxiety**

Chapter 11 Action control in the context of psychopathological disorders . . . . .	209
Martin Hautzinger	
Chapter 12 Action and state orientation during therapy of phobic disorders . . . . .	217
Johanna Hartung and Dietmar Schulte	
Chapter 13 Action control and excessive demand: Effects of situational and personality factors on psychological and physiological functions during stressful transactions . . . . .	233
Peter Walschburger	
Chapter 14 State versus action orientation after failure: Prevalence of coping strategies and related personality factors in two groups of hypertensives (with and without antihypertensive medication) . . . . .	267
A. Wiedemann, A. Busjahn, B. Heinrich, J. Listing, W. Mueller and E. Richter-Heinrich	

### **Part IV**

### **State Orientation and Depression**

Chapter 15 Motivational and volitional determinants of depression: The degenerated-intention hypothesis . . . . .	283
Julius Kuhl and Petra Helle	
Chapter 16 Volitional aspects of depression: State orientation and self-discrimination . . . . .	297
Julius Kuhl and Miguel Kazén	
Chapter 17 Performance deficits following uncontrollable failure: Impaired action control or global attributions and generalized expectancy deficits? . . . . .	317
Julius Kuhl and Manfred Weiß	

Chapter 18 Antecedents and consequences of action versus state orientation: Theoretical and empirical remarks . . . . .	329
Joachim Stiensmeier-Pelster and Martin Schürmann	
Chapter 19 Dispositional action control as a predictor of how people cope with academic failure . . . . .	341
Joachim C. Brunstein	
Chapter 20 On depression and state orientation: A few empirical and theoretical remarks .	351
Daniele Kammer	
Chapter 21 State orientation and depression: A multilevel approach . . . . .	363
Ferdinand Keller, Roland Straub and Manfred Wolfersdorf	

## Part V

### Action and State Orientation and Everyday Behavior

Chapter 22 Alienation: Ignoring one's preferences . . . . .	375
Julius Kuhl and Jürgen Beckmann	
Chapter 23 State orientation and procrastination . . . . .	391
Gery Beswick and Leon Mann	
Chapter 24 Scholastic stressors and achievement-related anxiety . . . . .	397
Bernd Bossong	
Chapter 25 The search for information in an unfamiliar field setting as a function of action vs. state orientation . . . . .	407-
Urs Fuhrer	
Chapter 26 The role of action and state orientation in affiliative situations . . . . .	417
Kurt Sokolowski	
Chapter 27 Action control: How relevant is it for classroom learning? . . . . .	427
Monique Boekaerts	

## Part VI

### Action and State Orientation and Sport Performance

Chapter 28 Action and state orientation and the performance of top athletes . . . . .	439
Jürgen Beckmann and Miguel Kazén	
Chapter 29 Performance-inducing influence of action and state orientation: Applying control theories to processes in sports . . . . .	453
Hanno Strang	

---

Chapter 30 Action versus state orientation and the control of tactical decisions in sports . .	467
Klaus Roth and Hanno Strang	
Chapter 31 Personality and task related slow potential shifts: The role of test anxiety and action vs. state orientation in top-ranking soccer players' coping with failure . .	475
Renate Haschke, M. Tennigkeit and J. Kuhl	
Subject Index . . . . .	485
Author Index . . . . .	493
