CONTENTS

PART ONE

Foundations for Services Marketing 1

Chapter 1

Introduction to Services 2

What are Services? 4

Services Industries, Services as Products, Customer Service, and Derived Service 4
Tangibility Spectrum 6

Trends in the Service Sector 6

Why Services Marketing? 8

Service-Based Economies 8

Service as a Business Imperative in

Manufacturing and IT 8

Deregulated Industries and Professional Service Needs 9

Services Marketing Is Different 10

Exhibit 1.1: Is the Marketing of Services Different? A Historical Perspective 11

Service Equals Profits 12

But "Service Stinks " 12

Strategy Insight: Competing Strategically through Service 13

Service and Technology 15

Potential for New Service Offerings 15

New Ways to Deliver Service 16

Enabling Both Customers and Employees 16

Technology Spotlight: The Changing Face of Customer Service 17

Extending the Global Reach of Services 17

The Internet Is a Service 18

Global Feature: The Migration of Service Jobs 19

The Paradoxes and Dark Side of Technology and Service 20

Characteristics of Services Compared to

Goods 21

Intangibility 22

Heterogeneity 23

Simultaneous Production and Consumption 23

Perishability 24

Challenges and Questions for Service

Marketers 24 I

Services Marketing Mix 25 !

Traditional Marketing Mix 25

Expanded Mix for Services 25

Exhibit 1.2: Southwest Airlines: Aligning People, Processes, and Physical Evidence 28

Staying Focused on the Customer 28

Summary 29

Discussion Questions 29

Exercises 30

Notes 30

Chapter 2

Conceptual Framework of the Book: The Gaps Model of Service Quality 32

The Customer Gap 33

The Provider Gaps 34

Provider Gap 1: Not Knowing What Customers Expect 35

Global Feature: An International Retailer Puts Customers in the Wish Mode to Begin Closing Gaps 36

Provider Gap 2: Not Having the Right Service Quality Designs and Standards 38

Provider Gap 3: Not Delivering to Service Designs and Standards 39

Technology Spotlight: Amazon.com Closes the Gaps 40

Provider Gap 4: Not Matching Performance to Promises 42

Putting it all Together: Closing the Gaps 43

Strategy Insight: Using the Gaps Model to Assess an Organization's Service Strategy 44

Summary 46

Discussion Questions 46

Exercises 47

Notes 47

PART TWO

Focus on the Customer 49

Chapter 3

Consumer Behavior in Services 50

Search, Experience, and Credence Properties 52

Consumer Choice 53

Need Recognition 53

Exhibit 5.2: One Critical Encounter Destroys 30-Year Relationship	126	Tracking of Performance, Gap Scores, and Competition	161
<i>Sources of Pleasure and Displeasure in Service Encounters</i>	126	Strategy Insight: From Greeting Cards to Gambling, Companies Bet on Database Marketing Research	162
Technology Spotlight: Customers Love Amazon.com	127	<i>Zone of Tolerance Charts</i>	164
Exhibit 5.3: Service Encounter Themes	128	Global Feature: Culture Influences Marketing Research	165
<i>Technology-Based Service Encounters</i>	130	<i>Importance/Performance Matrices</i>	167
<i>The Evidence of Service</i>	132	Model Services Marketing Research Programs	168
