

# TraEsformation

Second Edition

Gregory C. Chow

|  |      |
|--|------|
| Preface  | x    |
| Preface to the Second Edition                            | xiii |
| Introduction: The Transformation of China's Economy      | 1    |
| <br>   |      |
| Part I: Historical Background and General Survey         | 7    |
| <br>   |      |
| 1 Economic Lessons from History                          | 9    |
| 1.1 Introduction   | 9    |
| 1.2 Significant Events in Major Historical Dynasties     | 10   |
| 1.3 The Republic of China, 1911-                         | 16   |
| 1.4 Summary of Historical Lessons                        | 21   |
| <br>   |      |
| 2 Experiments with Planning and Economic Disruptions     | 24   |
| 2.1 The Communist Party Rises to Power                   | 24   |
| 2.2 Historical Review: 1949-78                           | 26   |
| 2.3 A Model of the Chinese Planned Economy               | 29   |
| 2.4 The Behavior of Economic Units in a Planned Economy  | 33   |
| 2.5 Output Planning in Theory and Practice               | 36   |
| 2.6 Organization and Administration of Economic Planning | 41   |
| <br>   |      |
| 3 Economic Reform up to the Mid-1990s                    | 47   |
| 3.1 Why Economic Reform Started in 1978                  | 47   |
| 3.2 Agriculture  | 49   |
| 3.3 Reform of State-owned Enterprises                    | 50   |
| 3.4 Price Reform   | 52   |
| 3.5 The Banking System                                   | 54   |
| 3.6 Foreign Trade and Investment                         | 54   |
| 3.7 The Nonstate Sectors                                 | 55   |

|      |  |     |
|------|--|-----|
| 3.8  | Institutional Infrastructure   | 56  |
| 3.9  | Reform Policies Similar to Those of Taiwan                                     | 57  |
| 3.10 | Reasons for the Success of China's Economic Reform                             | 60  |
| 3.11 | Summary  | 64  |
|      | Appendix: China's Geography  | 65  |
| 4    | Further Reform: Problems and Prospects   | 69  |
| 4.1  | Introduction   | 69  |
| 4.2  | Enterprise Reform  | 69  |
| 4.3  | Banking Reform   | 72  |
| 4.4  | Foreign Trade and Investment during the Asian Financial Crisis                 | 76  |
| 4.5  | The Impact of WTO Membership   | 78  |
| 4.6  | Agriculture and Rural Poverty  | 85  |
| 4.7  | Prospects for Reform   | 87  |
|      | <br>   |     |
|      | Part II: Analysis of the Macroeconomy  | 91  |
| 5    | Economic Growth  | 93  |
| 5.1  | The Neoclassical Model of Economic Growth                                      | 93  |
| 5.2  | Data on Output, Capital, and Labor   | 94  |
| 5.3  | A Review of Regression Analysis  | 99  |
| 5.4  | Estimating Production Functions for China                                      | 101 |
| 5.5  | Use of the Neoclassical Growth Model to Forecast GDP                           | 104 |
| 5.6  | How Large will the Chinese Economy be in 2020?                                 | 107 |
| 6    | Economic Fluctuations  | 110 |
| 6.1  | The Multiplier-Accelerator Model of Economic Fluctuations                      | 110 |
| 6.2  | Dynamic Properties of the Multiplier-Accelerator Model                         | 113 |
| 6.3  | An Econometric Method for Estimating Parameters of Linear Stochastic Equations | 115 |
| 6.4  | Estimating a Multiplier-Accelerator Model of the Chinese Economy               | 116 |
| 6.5  | A Vector Autoregression (VAR) System   | 119 |
| 6.6  | Econometric Models of the Chinese Economy                                      | 120 |
| 7    | Macroeconomic Policies   | 124 |
| 7.1  | Introduction   | 124 |
| 7.2  | Monetary Policy  | 126 |
| 7.3  | An Econometric Analysis of Inflation and of Monetary Policy in China "         | 133 |
| 7.4  | Basic Facts about Government Revenue and Expenditure                           | 136 |
| 7.5  | Fiscal Policy  | 136 |

|     |  |     |
|-----|--|-----|
| 8   | The Effects of Political Movements on the Macroeconomy               | 142 |
| 8.1 | Specification of a Dynamic Optimization Model of the Chinese Economy | 142 |
| 8.2 | The Solution of the Dynamic Optimization Problem                     | 145 |
| 8.3 | Statistical Estimation   | 147 |
| 8.4 | Measuring the Effects of Two Political Events                        | 150 |
| 8.5 | Conclusions  | 156 |

### **Part III: Topics in Economic Development** **159**

|      |  |     |
|------|--|-----|
| 9    | Consumption  | 161 |
| 9.1  | Trends in Per Capita Consumption                                 | 161 |
| 9.2  | Household Expenditure Patterns                                   | 165 |
| 9.3  | Rural Per Capita Consumption Expenditures in 1998 by Province    | 172 |
| 9.4  | Consumption of Housing in Rural and Urban Areas                  | 174 |
| 10   | Western Development and Environmental Policies                   | 177 |
| 10.1 | Inequality in Per Capita Consumption and East-West Disparity     | 178 |
| 10.2 | Developing the Western Part of China                             | 179 |
| 10.3 | Environmental Policies   | 187 |
| 10.4 | A Study of Industrial Pollution                                  | 189 |
| 11   | Population   | 193 |
| 11.1 | The Role of Population and Human Capital in Economic Development | 193 |
| 11.2 | The Chinese Population and its Rate of Growth                    | 195 |
| 11.3 | Population Policy  | 198 |
| 11.4 | Evaluation of China's Population Policy                          | 202 |
| 11.5 | Economic Explanation of the Birth Rate                           | 204 |
| 12   | Human Capital  | 207 |
| 12.1 | The Importance of Human Capital and its Measurement              | 207 |
| 12.2 | Labor Supply and Demand  | 209 |
| 12.3 | Investment in Human Capital                                      | 216 |
| 12.4 | Measuring the Rates of Return to Schooling in China              | 224 |
| 12.5 | Health Services  | 226 |
| 12.6 | The Social Welfare System  | 229 |

### **Part IV: Analysis of Individual Sectors** **233**

|      |                                  |     |
|------|----------------------------------|-----|
| 13   | The Banking and Financial System | 235 |
| 13.1 | Commercial Banks                 | 235 |

|      |  |     |
|------|--|-----|
| 13.2 | The People's Bank  | 237 |
| 13.3 | Factors Affecting the Functioning of the Banking System                                    | 239 |
| 13.4 | Possible Weaknesses of the System  | 242 |
| 13.5 | Possible Directions of Reform  | 243 |
| 13.6 | The Financial Condition of Commercial Banks and<br>the Bad-loan Problem                    | 245 |
| 13.7 | Other Financial Institutions   | 247 |
| 13.8 | The Role of the Chinese Government in Reforming the<br>Financial System                    | 251 |
| 14   | Shanghai Stock Price Determination   | 255 |
| 14.1 | Introduction   | 255 |
| 14.2 | A Model of Stock Price Determination   | 256 |
| 14.3 | Empirical Findings from the Shanghai Stock Exchange  | 259 |
| 14.4 | Comparison with Findings for Hong Kong and New York Stocks                                 | 263 |
| 14.5 | Concluding Comments  | 264 |
| 15   | The Behavior of State Enterprises  | 267 |
| 15.1 | Organization of a State Enterprise under Central Planning                                  | 267 |
| 15.2 | Planning and Operations of a Large-scale State Enterprise                                  | 271 |
| 15.3 | A Simple Model of a State Enterprise under Central Planning                                | 275 |
| 15.4 | A Simple Model of a State Enterprise after Initial Reform                                  | 278 |
| 15.5 | State Enterprise Restructuring in the Late 1990s and its Effects<br>on Enterprise Behavior | 281 |
| 16   | The Nonstate Sectors   | 286 |
| 16.1 | Relative Growth of Nonstate Sectors  | 286 |
| 16.2 | Private Enterprises Prior to 1949  | 288 |
| 16.3 | Economic Conditions for the Growth of Township and<br>Village Enterprises                  | 288 |
| 16.4 | Econometric Measurement of the Relative Efficiency of State<br>Enterprises and TVEs        | 291 |
| 16.5 | Characteristics of a Free-market Economy   | 293 |
| 16.6 | Characteristics of the Chinese Market Economy  | 295 |
| 17   | Foreign Trade  | 299 |
| 17.1 | Some Statistics of China's Foreign Trade   | 299 |
| 17.2 | Explanation of Trading Patterns under Free Trade   | 301 |
| 17.3 | The Determination of Foreign Exchange Rates  | 307 |
| 17.4 | China's Foreign Trade Policy   | 313 |
| 17.5 | Problems in Implementing Foreign Trade Policies in the<br>Early 1980s                      | 316 |
| 17.6 | Protectionism in the United States   | 322 |

|  |  |            |
|--|--|------------|
| 18   | Foreign Investment   | 326        |
| 18.1   | The Role of Foreign Investment                                 | 326        |
| 18.2   | Historical Developments  | 328        |
| 18.3   | The State of Foreign Direct Investment (FDI) as of 2002        | 329        |
| 18.4   | Policies for the Regulation of Foreign Investment              | 332        |
| 18.5   | Opportunities and Problems for Foreign Investors               | 334        |
| 18.6   | How Attractive is China for Foreign Investment?                | 338        |
| 18.7   | The Impact of WTO Membership on Foreign Investment             | 339        |
| 18.8   | A Proposal to Increase Foreign Investment from Taiwan          | 342        |
| <b>Part V: Studies of Economic Institutions and Infrastructure</b> |  | <b>345</b> |
| 19   | Corruption and Misuse of Assets                                | 347        |
| 19.1   | Introduction   | 347        |
| 19.2   | Laws of Asset Management                                       | 349        |
| 19.3   | Managing One's Own Person                                      | 352        |
| 19.4   | Managing Physical Assets                                       | 354        |
| 19.5   | Managing Collections of Assets under the Responsibility System | 356        |
| 19.6   | The Misuse of Collectively Owned Land                          | 359        |
| 19.7   | Corruption and Economic Reform                                 | 360        |
| 19.8   | Concluding Comments  | 364        |
| 20   | The Legal System and the Role of Government                    | 366        |
| 20.1   | The Legal System prior to 1949                                 | 366        |
| 20.2   | The Legal System since 1949                                    | 368        |
| 20.3   | The Role of the Legal System in a Market Economy               | 371        |
| 20.4   | The Economic Role of Government                                | 373        |
| 20.5   | The Role of Planning in China's Market Economy                 | 377        |
| 20.6   | The Government's Decision Process                              | 381        |
| 21   | The Education System and Policy                                | 385        |
| 21.1   | The Education System prior to 1949                             | 385        |
| 21.2   | The Education System after 1949                                | 387        |
| 21.3   | Education Policy   | 387        |
| 21.4   | Economics Education  | 391        |
| 21.5   | Demand for Education   | 399        |
| 21.6   | Concluding Comments  | 403        |
| 22   | Taking Stock and Looking Ahead                                 | 405        |
| 22.1   | Taking Stock   | 405        |
| 22.2   | Prospects for the Chinese Economy up to 2020                   | 417        |
| Conclusion: Lessons for the Study of Economic Transformation       |  | 425        |
| Index  |  | 433        |
