# Environmental Economics for Sustainable Growth

#### A Handbook for Practitioners

## Anil Markandya

Professor of Economics, University of Bath, UK, and Lead Economist, World Bank, USA

#### Patrice Harou

Senior Environmental Economist, World Bank, USA, and Visiting Professor, ENGREF, Nancy, France

#### Lorenzo Giovanni Bellu

Economist, and Policy Support Officer, Food and Agriculture Organization of the United Nations, Rome, Italy

#### Vito Cistulli

Senior Economist at the Blue Plan, a regional activity centre of the Mediterranean Action Plan of the United Nations Environment Programme (UNEP), Sophia Antipolis, France

IN ASSOCIATION WITH THE INTERNATIONAL BANK FOR RECONSTRUCTION AND DEVELOPMENT/THE WORLD BANK

### Edward Elgar

Cheltenham, UK • Northampton, MA, USA
