Foreword	vn
Acknowledgments	ix
Acronyms and Abbreviations	xi
Executive Summary	xm
1 Background, Aim, and Objectives	1
2 Conceptual Framework	7
Trends in Overall Aid to Developing Countries	7
Trends in Aid to the Health Sector	8
Trends in Aid to Fragile States	9
Trends in Aid to Somalia	12
Donor Harmonization Principles and Challenges	13
3 Methodology	15
Approaches	15
Quantitative and Qualitative Data Collection Process	16
Types of Quantitative Data Collected	17
Methodological Limitations and Challenges	18
Usefulness of the Data	20
4 Key Findings	21
Financial Aid Flows	21
Total Health Sector Aid Financing	22
Health Sector Aid by Disease/Program	26
Health Sector Aid by Zone	34
Health Sector Aid by Activity	36
5 Qualitative Findings	37
Aid Financing	37
Donor Harmonization	39
6 Conclusions and Recommendations	41
Conclusions	41
Recommendations	44

Annex Study Sample 47**References 49**LIST OF TABLES *b>*

1 Millennium Development Goals Relevant to the Health Sector and Somalia	3
2 External Aid Allocated to Health Care in Fragile States	11
3 Top Ten Donors of Gross ODA to Somalia, 2000-05 Average	12
4 2006 DAC Classification of Fragile States	12
5 Percentage Difference Between Data Collected from Donors and Recipient/Implementing Agencies	17
