CONTENTS

<i>Introduction</i>	<i>ix</i>
Section 1 Consideration and Planning	1
1. An Introduction to Storage Facilities: Types and Examples	3
1.1. Types of Storage Facilities	4
1.2. Storage Facilities in Practice	8
References	14
2. Planning Strategically for a Storage Facility	17
2.1. Defining the Need and Making the Case for Proposed Concept	17
2.2. Environmental Scan	20
2.3. Identifying Partners and Stakeholders	23
2.4. Building Collaborations and Communication	24
2.5. Scoping the Project	26
2.6. Navigating the Bureaucracy, Approvals, and Funding	28
References	30
Section 2 Building the Storage Facility	31
3. An Introduction to Construction Methods, Project Management, and Building a Project Team	33
3.1. Project Delivery Systems	33
Appendix 3.1	48
4. Design and Construction of a Storage Facility Building	49
4.1. Repurposing a Building	49
4.2. Constructing a New Storage Facility Building	51
4.3. Project Site	51
4.4. Building Areas	52
4.5. Receiving Room	54
4.6. Interlibrary Loan Room	55
4.7. Materials Processing Room	56
4.8. Break Room	59
4.9. Stacks Area	59
4.10. Heating, Ventilation, and Air-Conditioning	60

4.11. Fire Suppression	64
4.12. Security	67
4.13. Inspections, Punch Lists, and Meeting Objectives	68
4.14. Grand Opening	69
References	70
Section 3 Preparing for Operations	71
5. Selecting Equipment, Software, and Hardware to Support Operations	73
5.1. Shelving and Equipment	74
5.2. Archival Software	81
5.3. Union Catalog	84
5.4. Furniture	85
5.5. Barcodes and Labels	86
5.6. Printers	87
5.7. Printer Software	88
5.8. Barcode Scanners	89
5.9. Order Pickers	92
5.10. Pallet Jacks	94
Appendix 5.1	96
Appendix 5.2	97
References	98
6. Staffing the Storage Facility: Organization, Positions, Hiring, and Training	99
6.1. Framing Staff Responsibilities at the Transferring Library	100
6.2. Staffing the Remote Storage Facility	107
6.3. Other Organizational Considerations	115
Appendix 6.1	116
References	119
7. Collection Management: Decisions and Selection for Remote Storage	121
7.1. Storage Facility Options	123
7.2. Collection Management and Remote Storage	124
7.3. Communications With Stakeholders	126
7.4. Shared Storage Holdings	127
7.5. Duplication in Storage facilities	130
References	131

Section 4 Transferring and Receiving Materials	133
8. Moving Collections: The Process From Retrieval to Shipping	135
8.1. Staffing for the Project	135
8.2. Making Preparations for Transferring Materials: Space and Supply Requirements	137
8.3. Processing Items for Transfer to Remote Storage	138
8.4. Verifying Suitability for Remote Storage	140
8.5. Retrieval of Materials from the Stacks	142
8.6. Updating Cataloging Records	143
8.7. Shipping Materials to the Storage Facility	147
Appendix 8.1: List Structures for Sending Material to the Joint Library Facility	148
Appendix 8.2: Guidelines for Shipping and Delivery	150
Appendix 8.3: Transfer Processes Recommendations for Materials Going to the Joint Library Facility	151
References	159
9. Receiving Materials and Workflow at Storage Facility	161
9.1. Preprocessing Materials Into the Storage Facility	161
9.2. Buying, Storing, and Building Trays	165
9.3. Materials Arriving Into the Storage Facility	169
9.4. Processing Items in a Storage Facility	170
9.5. Accessioning	173
9.6. Shelving	174
Appendix 9.1	175
Section 5 Sustain Operations	179
10. Sustainability and Safety of the Facility: Materials, Personnel, and the Institution	181
10.1. Environmental Conditions	181
10.2. Fire Suppression and Prevention	185
10.3. Emergency Exits	187
10.4. Maintaining the Library Materials	188
10.5. Security	191
10.6. Disaster Planning	191
References	193

11. Access to and Delivery of Requested Materials	195
11.1. Interlibrary Loan	195
11.2. Reading Room With Reference Services	202
11.3. Other Potential Services	203
11.4. Secondary Site for Computer Files and Systems' Backup	204
11.5. Planning for the Unexpected	204
12. Reporting Effectiveness, Return on Investment, and Preparing for Future Growth	207
12.1. Statistics and Reporting	207
12.2. Assessing Operational Effectiveness and Efficiency	210
12.3. Troubleshooting	212
12.4. Reporting Return on Investment	214
12.5. Considering Growth	216
12.6. Marketing and Building Support	218
12.7. Conclusion	218
Section 6 Case Studies	221
13. Case Studies	223
13.1. Case Study 1	223
13.2. Case Study 2	233
