- MANAGING IN DIFFERENT TYPES OF
BUSINESS NETS:
CAPABILITY PERSPECTIVE

HELSINKI SCHOOL OF ECONOMICS

ACTA UNIVERSITATIS OECONOMICAE HELSINGIENSIS

A-243

ABSTRACT.....	5
ACKNOWLEDGEMENTS.....	6
LIST OF FIGURES.....	8
LIST OF TABLES.....	9
1 INTRODUCTION TO THE STUDY.....	10
1.1 Background of the study.....	10
1.2 Purpose and research approach of the study.....	13
1.3 Structure of the study.....	16
2 THEORETICAL BACKGROUND.....	19
2.1 Industrial Network Approach.....	21
2.2 Strategic Value Net approach.....	24
2.3 Resource-based view of the firm.....	27
2.3.1 Dynamic capabilities of the firm.....	29
2.3.2 Knowledge and Organizational learning view.....	30
2.4 Conceptual framework of the study.....	32
2.4.1 Value system continuum.....	37
2.4.2 Managerial capabilities in managing nets.....	41
3 RESEARCH METHODOLOGY.....	49
3.1 Research goals.....	49
3.2 Research strategy and design.....	51
3.3 Qualitative research approach.....	53
3.4 Case study design.....	55
3.4.1 Pilot study: Netmapping.....	56
3.4.2 Comparative case study — selection of cases.....	57
3.4.3 Methods of data reduction and analysis.....	61
3.5 Validity and reliability.....	62
4 MANAGING IN CURRENT BUSINESS NETS.....	65
4.1 Description of current business net: Puustelli case.....	66
4.2 Puustelli conceptualisation and analysis.....	72
4.2.1 Puustelli's value system characteristics.....	72
4.2.2 Managerial capabilities in the Puustelli net.....	77
5 MANAGING IN BUSINESS RENEWAL NETS.....	81
5.1 Description of business renewal net case Meconet.....	81
5.2 Meconet' conceptualization and analysis.....	89
5.2.1 Meconet' value system characteristics.....	89
5.2.2 Managerial capabilities in Meconet.....	93
6 MANAGING IN EMERGING BUSINESS NETS.....	96
6.1 Description of two emerging business net cases.....	96
6.2 Description of Case Codetoys.....	97
6.3 Codetoys' conceptualization and analysis.....	102
6.4 Description of Case MICROSOFT MSN.....	113
6.5 MSN conceptualization and analysis.....	117
6.6 Discussion.....	125

6.6.1	Value system characteristics and goals of the nets.....	125
6.6.2	Managerial capabilities in emerging business nets.....	127
6.6.3	Conclusions.....	128
7	CROSS-CASE COMPARISON OF BUSINESS NETS AND DISCUSSION..	131
7.1	Comparing the value system characteristics of the case nets.....	131
7.2	Comparison of the managerial capabilities.....	134
8	DISCUSSION AND CONCLUSIONS.....	139
8.1	Key contributions of the thesis.....	139
8.2	Suggestions for modifying the Value System Continuum framework.....	141
8.3	Discussion on managing in business nets.....	143
8.4	Managerial implications.....	147
8.5	Limitations of the study and suggestions for future research.....	148
	APPENDICES.....	166
	APPENDIX I: PREUNDERSTANDING ABOUT NETWORKS.....	166
	APPENDIX II: PHONE DISCUSSIONS WITH EXPERTS OR INFORMANTS.....	168
	APPENDIX III: LIST OF THE INTERVIEWS.....	169
	APPENDIX IV: THEME INTERVIEW FORM OF STRATNET PROJECT.....	170
	APPENDIX V: SECONDARY MATERIAL.....	173
	APPENDIX VI: EXAMPLES OF CONZEPTUALIZATION.....	175

KEY WORDS: Business networks, net management, value system, managerial capabilities, dynamic capabilities, emergence
