Abbreviations and Acronyms xxi

Summary xxv

1. A Status Report 1

Context 2

What Is a Participatory Poverty Assessment? 4

How Are PPAs Conducted? 7

What Is the Current Status of PPAs? 18

Notes 22

2. Impact of the PPA 23

Deepening the Understanding of Poverty and

Combining Data Sources 26

Attitudes and Policy Change 30

Strengthening the Capacity to Deliver Policy 34

Determinants of the Level of Impact 35

Notes 43

3. Emerging Good Practice 45

At the World Bank: Initial Steps and Follow-Up 45

At the Country Level: Linking PPAs to the Process of Policymaking 53

At the Community Level: Including the Poor 61

Analysis and Synthesis: Combining PPAs with Household
Survey Data 67

Notes 85

4. Linking PPAs to Poverty Reduction Strategies	87
Background to the Poverty Reduction Strategy Paper	87
How to Include the Poor in the PRSP Process:	
Operational Implications	90
Poverty Impact Assessments of Macroeconomic and Structural Reforms	94
Country Examples of the Links between the PPAs and PRSPs	95
Next Steps for PPAs	103
The Challenge for PPAs	104
Notes	105
Appendixes	107
Appendix A. Methodology	2 OS
Appendix B. Impact	222
Appendix C. Poverty Assessments, Completed and Scheduled (by Country), Fiscal Year 1989-2000	235
Appendix D. Examples of PRA Exercises in Thailand (1998) and Zambia (1996)	237
Appendix E. Country Case Examples	238
Appendix F. Social Aspects of the East Asian Financial Crisis: Perceptions of Poor Communities	275
Appendix G. Methodology of This Review	288
Bibliography	189
Boxes	
1. Background to the World Bank's Participatory Poverty Assessment	5
2. Participatory Poverty Monitoring in Zambia	22
3. World Bank Participatory Poverty Assessments: Status Report, March 2001	19
4. Examples of Planned PPAs	20
5. Enriching the Diagnosis of the Nature of Poverty	26 •
6. Examples of Explanations Provided by PPAs	29
7. Can the Poor Influence the Budget? Case Example from Uganda	36
8. Twelve Hallmarks of Good PPAs	46
9. What Is Poverty Reduction?	47
10. Factors for the World Bank to Consider to Increase the Impact of PPAs	54
11. Handing Over the Document Does Not Equal Ownership	59
12. Participation Is More Than Holding Workshops	60
13. Factors to Consider at the National Level to Increase the Impact of PPAs	62

CONTENTS

14. Factors to Consider at the Community Level to Increase the Impact of PPAs 68
15. Summary of Emerging Good Practice for Integrating Data Sets 84
16. Why PRSPs Are Different 88
- A1. Creeping Crisis in Vietnam 276
- A2. How People Are Coping in Khon Kaen 186

Figures

1. Good Practice Research Cycle 23
2. PPA Impact by Quality of Research Team 40
3. PPA Impact by Quality of PPA Manager and Level of Bank Management Support 41
4. PPA Impact by Link to Poverty Assessment 41
5. PPA Impact by World Bank and Government Ownership 42
6. PPA Impact by Level of Policymaker Involvement 43
7. Information Filters and Biases: Case Study of the PPA in Zambia 77
8. PRSP Operational Linkages 89
- A1. Social Impacts of the East Asian Crisis in Thailand 177
- A2. Perceptions of the Impact of the East Asian Financial Crisis: Results of a Focus Group in the Philippines 284

Tables

1. Summary of PPA Typical Characteristics 8
2. Case Examples of PPA Features at a Glance 9
- 3a. Methodologies Used 20
- 3b. Time Spent in the Field 20
- 3c. Number of Communities Assessed 20
- 3d. Agency Conducting the Fieldwork 20
- 3e. Cost 22
- 3f. Year Fieldwork Was Conducted 22
4. Comparison of Participatory Methodologies 14
5. Range of PPA Impacts 24
6. Summary of PPA Impacts 38
7. Summary of Impact Variables 39
8. Summary of Household Survey Types 70
9. Characteristics of Household Surveys and PPAs 72
10. Summary of the Ways Data Sets Can Be Combined 78
11. Impact of PPAs on Poverty Reduction Strategy Papers 98
12. How the Poor Influenced the PRSP in Uganda 202
- A1. PPA Outputs and Applications 247
- A2. Links between Poverty Analysis and Policy Change 263
