2 Getting Started	33
Is CDD needed?	33
Where do we start?	37
Who should carry out the work?	38
Selecting CDD advisers	38
Planning the work	40
The CDD team	41
Timetable	41
Fees	42
Good CDD practice	43
Conclusion	44

PART II: ANALYTICAL TECHNIQUES

3 Which Market is the Target In?	49
The basics	49
Differentiation and segmentation are two totally different things ...	50
... And strategic and operational segmentation are not the same	
things either	52
Strategic segmentation	56
Products and services that go into the market	65
Market sizing	67
Conclusion	71

4 Industry Attractiveness	73
Do not forget your basic economics	73
Analysing industry attractiveness	80
Other ways of classifying industries	93
Forecasting industry profitability	96
Conclusion	97
5 Which Customers is the Target Serving?	99
Operational marketing segmentation	99
Demographic	100
Psychographic	104
Purchasing approach	105
Situational factors and personal characteristics	107
Conclusion	108
6 Ability to Compete	111
The analysis of resources and capabilities	111
Can competitive advantage be sustained?	123
Brand strength	133
Distribution channels	137
The use of IT	141
Ability to compete over the industry life cycle	142
Conclusion	145
7 Competitor Analysis	147
Some common myths	147
What we want to find out	148
Identifying the competitor's objectives	149
Conclusion	153
8 The New Reality	155
The beleaguered company	155
Customer segmentation	156
The target's approach	175
The sales force	176
Beyond satisfaction ratings	177
Using the target's customer satisfaction measures	180
Contract-based businesses	181
Conclusion	182
9 CDD in Special Situations	185
New technologies	185
Diversification	198
Assessing new business models	199
JVs and alliances	201
Declining industries	208
Recovery plays	210
Conclusion	211

10 Assessing Management	213
Objective	213
Reporting	223
Communication with management	228
Culture	228
Conclusion	231
11 Using the Output	233
Always keep the bigger picture in mind	234
Spreadsheet modelling	241
Valuation	254
The integration plan	261
Conclusion	262
 PART III: COLLECTING AND PRESENTING THE DATA	
12 Structuring and Planning	269
Understanding the question	269
Issue analysis	271
Collecting the data	279
Dealing with obstacles	290
Other planning tips	294
Conclusion	297
13 Interviewing	299
Questionnaire design	299
Tips for successful interviewing	312
Competitor interviewing	315
Other forms of interviewing	318
Conclusion	321
14 Writing the Report	323
Start by putting the report in context	323
Keep the structure logical	323
Give the answer via a logical hierarchy of issues	324
Cover one issue at a time	324
Group issues to make understanding easier	325
Writing style	329
Make sure individual contributions are consistent	336
Produce an interim report	336
Vendor CDD reports	336
Conclusion	337

Appendix A Checklists	341
Checklist 1: CDD briefing	341
Checklist 2: A full CDD exercise	343
Checklist 3: Marketing	347
Checklist 4: Five Forces	351
Checklist 5: Identifying resources and capabilities	355
Checklist 6: Threats and opportunities	357
Checklist 7: Determining KPCs	358
Checklist 8: Commonly sought management competencies	359
Checklist 9: Competency-based interviewing	361
Checklist 10: Sample questions for competency-based interviews	362
Checklist 11: Things that can go wrong on CDD projects	364
 Appendix B Report Writing	 365
Words and phrases to be avoided in report writing	365
Presenting numbers	367
Style and report writing	389
