Preface	xxix
CHAPTER 1	
Introduction to Financial Valuation	1
Who Values Businesses?	1
Purpose of a Valuation	2
Professional Valuation Organizations	3
Standards of Value	3
Fair Market Value	3
Investment Value	5
Intrinsic Value	5
Fair Value (State Rights)	5
Fair Value (Financial Reporting)	5
Premise of Value	6
Principles of Appraisal Practice	7
Dates	7
Approaches to Value	8
Valuation Procedures	8
Summary	9
Addendum 1—Valuation Checklist/Ready Reference (Revenue Ruling 59-60)	10
Addendum 2—International Glossary of Business Valuation Terms	18
CHAPTER 2	
Research and Its Presentation	27
Obtaining Internal Information	27
A Directive from the Internal Revenue Service	27
Research Techniques and Planning the Search	29
Information Sources: Business Financial Databases	32
Economic Research	34
Selected Sources of Economic Information	34
Industry Research	36
Selected Sources of Industry Information	36
Guideline Company and Transaction Research	37
Sources for Publicly Traded Company Data	37
Guideline Transaction Databases	39

Presenting Research in a Report	40
Other Sources of Information	40
Summary	42
Addendum 1—Valuation Information Request (VIR) General	43
Addendum 2—Management Interview-Operations	49
Addendum 3—Management Interview-Financial Review	54
Addendum 4—Industry Research Form	57
CHAPTER 3	
Financial Statement and Company Risk Analysis	59
Historical Financial Statement Analysis	59
Length of Financial History to Be Used	60
Spreading Financial Statements in Columnar Format	60
Adjustments to Financial Statements	60
Normalization of Historical Financial Statements	63
Unusual, Nonrecurring, and Extraordinary Items	63
Nonoperating Items	64
Changes in Accounting Principle	64
Nonconformance with GAAP	65
Tax Affecting the Earnings of Subchapter S Corporations	65
Degree of Ownership Interest	67
Normalization Adjustments	68
Common Sizing Normalized Financial Statements	68
Ratio Analysis (Quantitative Analysis)	72
Comparative Analysis	79
Risk Analysis (Qualitative Analysis)	82
Macroenvironmental Analysis	89
Addendum—Commonly Used Financial Ratios: Application to Ale's Distributing	90
CHAPTER 4	
Income Approach	97
Fundamental Theory	97
Basics of Income Approach—"A Fraction"	98
Income Approach Methodologies	99
Normalization Process	100
Adjustments for Ownership Characteristics	100
Adjustments for GAAP Departures, Extraordinary, Nonrecurring, and/or Unusual Items	103
Adjustments for Nonoperating Assets and Liabilities and Related Income and Expenses	104
Adjustments for Taxes	105
Adjustments for Synergies from Mergers and Acquisitions	106
Determination of Future Benefits Stream (Cash Flows)	107
Defining the Benefit Stream	107
Defining Net Cash Flow	108
Use of Historical Information	110
The Capitalized Cash Flow Method	115
The Discounted Cash Flow Method	118

Terminal Value	126
Capitalized Cash Flow Method (Revisited)	131
Excess Cash Flow Method	133
Conclusion	142
Addendum—Application of the Direct Equity Method (DEM) and the Invested Capital Method (ICM)	143
CHAPTER 5	
Cost of Capital/Rates of Return	151
Three Variables	151
Characteristics of Cost of Capital	152
Investor Expectations as Quantified by the Cost of Capital	152
Cost of Capital Equals Discount Rate	153
Cost-of-Capital Methods,	153
More on the Basic Concepts	153
Discount Rate, Capitalization Rate, and Anticipated Growth.	154
Growth	154
Relationship between Risk and Cost of Capital	159
Types of Risk—Another View	162
Risks in a Small Business	163
Methods for Developing Cost of Capital	164
Size Premiums	169
Methods to Articulate Unsystematic Risk	175
Other Issues	183
Capital Asset Pricing Model Method	184
Development of the Weighted Average Cost of Capital	189
Price/Earnings Method	192
Adjustments to the Price/Earnings Ratio	194
Arbitrage Pricing Theory	196
Build-Up Summation Model	198
Cost-of-Capital Issues Related to Use of the Excess Cash Flow Method	199
Addendum 1—Cost of Capital Controversies: It's Time to Look Behind the Curtain	201
Addendum 2—A Brief Review of Other Ibbotson Associates ("IA") Resources Applicable to Valuation Assignments	220
Addendum 3—Duff & Phelps, LLC Risk Premium Report 2005	236
CHAPTER 6	
Market Approach	267
Overview	267
Type of Value Obtained	268
Advantages and Disadvantages of the Market Approach	269
Basic Implementation	270
Sources and Characteristics of Guideline Company Data	271
Information Sources	271
Advantages and Disadvantages of the Guideline Company Transaction Method	272

More Information on Transaction Databases	273
Publicly Traded Companies	274
Information Sources for Industry "Comps"	276
Stock Prices and Numbers of Shares Outstanding	276
Advantages/Disadvantages of Public Company Data	277
Characteristics of Publicly Traded Companies	277
Choosing Guideline Companies	281
Financial and Other Indicators	284
Sample Size Matters	287
Comparable Companies Information Dates	287
Basic Financial Indicators	288
Displaying the Information	292
Adjustments to the Guideline and Subject Companies	293
Income Adjustments	294
Balance Sheet Adjustments	296
Effects of Adjustments on Value	297
Concluding Remarks on Choosing Comparables	• 298
Calculating Standard Pricing Multiples	298
Equity versus Invested Capital	299
Financial Statement Measures	300
Computation of Multiples	302
Matching Price to Parameter	303
Dispersion of Pricing Multiples	305
Applying the Valuation Multiples	305
Concluding Thoughts on Value	307
Using the Pricing Multiples for Growth	307
Adjusting the Guideline Multiples for Size	311
Summary	315

CHAPTER 7

Asset Approach	317
Fundamental Theory	317
Applicability	318
Premise of Value	320
Control versus Minority	320
Built-in Gains	321
General Steps in the Asset Approach	322
Valuation of Individual Assets and Liabilities Example	323
Liabilities	329
Unrecorded Assets and Liabilities	330
Built-in Gain	330
Conclusion	333
Addendum 1—Built-in Gains Taxes, Business Valuation Considerations	334
Addendum 2—Understanding Real Estate Appraisals	347
Addendum 3—Understanding Machinery and Equipment Appraisals	359
Addendum 4—Revenue Procedure 77-12	373

CHAPTER 8

Valuation Discounts and Premiums	375
Levels of Value	376
Classifying Discounts	379
Discounts for Lack of Control and Control Premiums	381
Discounts for Lack of Marketability	390
Empirical Evidence of Marketability Discounts	392
Quantitative Tools	420
Other Discounts	425
Analysis of Premiums Accorded Voting versus Non-Voting Stock	432
Discounts and Premiums Summary	432
Addendum—Tax Court Cases (The Oldies But Goodies)	451

CHAPTER 9

Report Writing	469
USPAP Engagements	469
Types of Valuation Engagements and Related Reports	470
Complete Valuation Report	471
Other Business Valuation Reports	480
Sample Report	480
Addendum—Sample Valuation Report, Valuation of the Common Stock of Acme Measurement Devices, Inc. as of May 31, 2000	481

CHAPTER 10

Business Valuation Standards	551
History of Valuation Standards	551
Government Action	552
Organization of the USPAP Standards	553
Business Valuation Standards	553
Other Business Valuation Standards and Credentials	559
Summary	563
Addendum—Internal Revenue Service Business Valuation Guidelines	564

CHAPTER 11

Valuation of Pass-Through Entities	569
Introduction	569
Standard of Value	570
Historical Backdrop	571
Current Status of Debate	572
Controlling Interests in Pass-Through Entities	576
Controlling-Interest Studies	577
Tax Rates	585
Summary: Controlling Interests in Pass-Through Entities	585
Noncontrolling Interests in Pass-Through Entities	586
Trehanne Model	587
Van Vleet Model	592
Mercer Model	599
The Quantitative Marketability Discount Model	604

Grabowski Model	608
Summary: Non-Controlling Interest in Pass-Through Entity Theory	618
Bibliography	621
Addendum—A Summary Approach to PTE Valuation	624
CHAPTER 12	
Estate, Gift, and Income Tax Valuations	G33
Valuations in Estate and Gift Taxes	633
Selected Internal Revenue Code Provisions	633
Selected Treasury Regulations	635
Selected Revenue Rulings	638
Valuations for Income Taxes	670
Addendum—Valuation Checklists/Ready Reference (Revenue Rulings 59-60, 77-287, and 93-12)	675
CHAPTER 13	
Valuation of Family Limited Partnerships	891
Family Limited Partnership Uses	691
Tax Advantages	692
How Family Limited Partnerships Are Formed	692
Other Characteristics of Family Limited Partnerships	694
State Law, Property Rights, and Their Importance to the Valuation Process	694
Improper Formation Can Create Problems for Partners	696
Valuation of Family Limited Partnership Interests	697
Illustrative Case Study	722
CHAPTER 14	
Summary of Court Case Issues	731
Tax Cases	731
CHAPTER 15	
Shareholder Disputes	779
History of Shareholder Disputes	779
Causes of Action	780
Standard of Value	781
Valuation Date	784
Entire Fairness	785
Valuation Methodology	787
Valuation Adjustments	788
Court Case Caveats	792
Conclusion	793
CHAPTER 16	
Valuation Issues in Employee Stock Ownership Plans	795
Need for Valuation Services	796
Securities Laws and ESOPs	797
How ESOPs Are Used	798
Differences in Entity Structure	798

Adequate Consideration: How and Why It Works	800
Put Rights of Terminating Plan Participants	801
ESOPs and Plan Contributions	802
ESOPs That Include Debt	803
General Considerations for ESOP Loans	804
Accounting Standards and ESOPs with Debt	806
End of Year and Midyear Conventions	808
Considerations in the Calculation of the Terminal Value	808
Value for ESOP Shares	810
Writing a Valuation Conclusion	815
Information Sources	816

CHAPTER 17

Valuation in the Divorce Setting.	819
Standards of Value in Divorce	819
Premise of Value—Going Concern	821
Premise of Value—Liquidation	821
Goodwill—The Battleground for Divorce Valuations	822
Defining Goodwill	822
State Interpretations on Including Goodwill in the Marital Estate	822
Personal versus Entity Goodwill	823
Dividing Goodwill into Personal and Entity Components	825
Applying the Factors to Separate Goodwill	826
Role of Noncompete Agreements in Determining Personal versus Entity Goodwill	829
Personal Goodwill in Commercial Businesses	830
Restrictions on Data	831
Range versus Specificity	831
Professional Standards in a Divorce Settlement	831
Role of the USPAP	831
AICPA Standards	832
Other Standards	832
<i>Daubert</i> Challenges in Divorce	833
Valuation Methodology and the Application of Discounts in Divorce Valuations	833
Avoid Double Counting	833
When an Interest Is Considered Control in a Divorce Setting	833
Family Aggregations in Divorce Settings	834
Partnerships, LLCs, LLPs, and Family Entities in a Divorce Setting	834
Liquidity Myth in Pass-Through Entities	835
Divorce Valuation and Bankruptcy	835
Summary	836

CHAPTER 18

Valuation Issues in Small Businesses	837
What Is a Small Business?	837
Financial Statement Adjustments	839
Qualitative Factors Affecting Value	842
Valuation Methods	843
Reasonableness Tests	848
Summary	849

CHAPTER 19

Valuation Issues in Professional Practices	851
Types of Practices	852
Purpose of Valuation	854
Professional Goodwill and Practice Goodwill	855
Select Case Law for Marital Dissolution	856
Factors Affecting Value	860
Financial Statement Adjustments	863
Valuation Methods	867
Summary	870
Addendum 1—Management Interview Medical Practice (Sample)	872
Addendum 2—Management Interview Law Practice (Sample)	876
Addendum 3—Management Interview Accounting Practice (Sample)	879

CHAPTER 20

Strategic Benchmarking for Value	883
Introduction	883
Strategic Benchmarking for Value	884
Qualitative Analysis of the Company's Current State	885
The Strategic Benchmarking for Value Process	915
Crafting Strategy Alignment Maps	919
Five Dimensions of Value	922
A Strategy Alignment Model That Works: SBV	924
Benchmark and Monitor Return on Strategy Execution	927
Summary	933

CHAPTER 21

Valuation of Intangible Assets	935
Introduction	935
What Are Intangible Assets?	935
Why Are Intangible Assets so Difficult to Measure?	936
Nature of Intangible Assets	937
Identification and Classification of Intangible Assets	938
Measurement of Intangible Assets	938
Fair Value	939
SFAS No. 141, <i>Business Combinations</i>	940
SFAS No. 142, <i>Goodwill and Other Intangible Assets</i>	941
Financial Reporting Disclosures under SFAS Nos. 141 and 142	948
In-Process Research and Development	949
Tax Effects	953
Amortization Benefit	954
Returns on and of Contributory Assets	955
Discount Rate Considerations for Intangible Assets	957
Case Study: Determining Goodwill and Other Intangible Assets in a Business Combination	958
Remaining Useful Life Analysis	962
Business Enterprise Analysis	963
Discounted Cash Flow Approach	964
Discount Rates	966

Valuation of Current Assets	969
Valuation of Tangible Assets	969
Valuation of Intangible Assets	969
New Developments	990
Addendum 1—Intellectual Property Data	1001
Addendum 2—FASB Fair Value Pronouncements	1005
Addendum 3—Interview of Michael J. Mard, CPA/ABV, ASA by James R. Hitchner, CPA/ABV, ASA	1007
CHAPTER 22	
Marketing, Managing, and Making Money in a Valuation Services Group	1015
Purpose and Overview	1015
What Good Economics Looks Like	1016
Operational Keys for Good Economics	1018
Key Engagement Principles	1020
Engagement Acceptance Process	1021
Fees, Retainers, Billing, and Collection	1022
Engagement Control	1024
Litigation Services' Engagements	1025
Conclusion	1027
CHAPTER 23	
Business Damages	1029
Role of the Law and Financial Experts	1029
Legal Principles Governing Damages	1030
Admissibility of Expert Opinions	1031
Measure of Damages: Diminution of Value or Lost Profits	1032
Differences between Damage Computations and Business Valuations	1034
Can Business Damages Exceed the Fair Market Value of the Business?	1044
Conclusion	1045
CHAPTER 24	
Other Valuation Services Areas	1047
A: Valuations for Public Companies and/or Financial Reporting	1047
B: Valuation Issues in Buy-Sell Agreements	1053
C: Valuing Debt	1061
D: Valuation Issues in Preferred Stock	1066
E: Restricted Stock Valuation	1073
F: Valuation of Early-Stage Technology Companies	1086
G: Valuation Issues Related to Stock Options and Other Share-Based Compensation	1097
H: Real Option Valuations	1119
I: Maximizing Shareholder Value	1126
CHAPTER 25	
Valuation of Healthcare Service Businesses	1133
Industry Background and Transition	1135
Healthcare Industry's Unique Attributes	1137

Overview of Considerations for Valuing Healthcare Entities	1148
Valuation Process	1150
Control Premiums and Minority Discounts	1156
Discounts for Lack of Marketability	1157
Valuation Issues for Specific Healthcare Industry Niches	1158
Public and Private Healthcare Services Companies by Niche	1166
Addendum 1—Rose Surgery Center, L.P.	1169
Addendum 2—Valuation of Kate Hospital	1189

CHAPTER 26

Special Industry Valuations	1205
A: Construction	1205
B: Auto Dealerships	1219
C: Radio	1227
D: Cable TV	1234
E: Restaurants	1246
F: Bars and Nightclubs	1256

CHAPTER 27

Valuation Views and Controversial Issues: An Illustration	1261
The Report	1261
Introduction	1263
National Economic Outlook	1269
Regional Economic Data (as of December 8, 20X5)	1271
Local Economy	1272
Industry Outlook	1273
Financial Analysis of the Company	1274
Appraisal of Fair Market Value	1283
Lack of Marketability Discount	1302
Correlation of Values	1303
Total Conclusion of Value on a Nonmarketable, Control Basis	1304
Notes	1304

INDEX
