Appendix 7.2. Measuring Levels of Use of Facilities	152
8. Forecasting Leisure and Tourism Demand	154
Introduction	154
Forecasting What?	155
Demand-change Factors	157
Leisure and work time	158
Demographic change	159

Income levels	159
Transport	161
Technological change	162
The activities of producers	164
The environment	164
Changing tastes and lifestyles	165
Changing attitudes and values	166
The media	167
Postindustrialism, postmodernity and globalization	167
Forecasting Techniques	168
Informed speculation	168
Asking the public	169
Asking the experts - the Delphi technique	169
Scenario writing	170
Time-series analysis	172
Spatial models	176
Cross-sectional analysis	177
Comparative method	182
Composite approaches	183
Summary	183
9. Economic Evaluation Techniques	185
Introduction	185
Cost-Benefit Analysis	186
Introduction	186
Measurables and unmeasurables	187
The cost-benefit approach	187
Identifying and measuring costs	189
Identifying and measuring benefits in general	192
Comparing costs and benefits	194
Measuring private benefits - travel-cost and other methods	196
The value of time	201
Conclusion	202
Economic-impact Analysis	202
Introduction	202
Counting the cost	203
The multiplier	203
Economic significance studies	206
Summary	208
Appendix 9.1: Multiplier Analysis Spreadsheet	210
10. Performance Evaluation	211
Introduction	211
Evaluation in Context	211
Steps in the Evaluation Process	214
Approaches	215
Best value	215
The benefits approach to leisure	217
Customer service	219
Importance-performance analysis	220
Applications in Leisure and Tourism	221
Community recreation	222

Arts, cultural venues and events	222
Sports facilities	222
Tourism	229
Goals and Performance Indices	229
Summary	236
11. Policy and Planning for Particular Sectors and Groups	238
Introduction	238
Leisure and Tourism Sectors	238
Sport and physical recreation	238
The arts	241
Outdoor recreation - natural areas	244
Urban outdoor recreation	245
Tourism	246
Groups	248
Women	249
Ethnic groups	250
People with disabilities	251
Children	252
Youth	252
The elderly	253
Finally	254
Summary	254
Bibliography	256
Author Index	277
Subject Index	283
