Table of Contents

List of Figures and Tables	x
Preface	xiii
Acknowledgments	xix
Chapter 1	The Intelligent Organization 1
	Organizations and Environments 2
	Organizational Information Processing 5
	The Intelligent Organization 8
	Intelligence Through Organizational Learning 12
	Organizational Unlearning 19
	Building the Intelligent Learning Organization 20
Chapter 2	A Process Model of Information Management 23
	Information Needs 26
	Information Acquisition 29
	Information Organization and Storage 33
	Information Products and Services 38
	Information Distribution 42
	Information Use 45
	Information Ecology 48
	Information Culture 51
	Summary 56
Chapter 3	Managers as Information Users 59
	Management as Conversations 61
	Managers as Information Users 62
	Implications for Information Management 63
	Research on Managers as Information Users 64
	The Politics of Information Sharing 75
	Information Overload 76
	Managerial Information Processing and Organizational Learning 80

Chapter 4	Environmental Scanning as Strategic	
	Organizational Learning	83
	From Competitor Intelligence to Social Intelligence	86
	Competitive Intelligence	88
	Business Intelligence	90
	Social Intelligence	92
	Environmental Scanning and Organizational Learning	94
	Research on Environmental Scanning	97
	Situational Dimensions: Perceived Environmental Uncertainty	99
	Organizational Strategies	101
	Managerial Traits	104
	Information Needs: Focus of Environmental Scanning	107
	Information Seeking (1): Use and Preferences	109
	Information Seeking (2): Scanning Methods	113
	Information Use	116
	Summary	119
Chapter 5	Environmental Scanning in Action	121
	Perspectives from Neurobiology	121
	Environmental Scanning in Action in U.S. Corporations	126
	Environmental Scanning in U.K. Corporations	133
	Environmental Scanning in Swedish Corporations	135
	Environmental Scanning in Japanese Corporations	138
	Environmental Scanning in Canadian Corporations	142
	Close-Up View of Five Canadian CEOs	143
	Summary	153
Chapter 6	Managing Information Sources	155
	Managing an Information Ecology for Scanning the Environment	156
	Selection and Use of Information Sources	159
	Human Sources	165
	Textual Sources	168
Chapter 7	Weaving a Web of Online Intelligence	175
	Modes of Environmental Scanning	176
	The Internet: A Social Information Space	179
	The Web as Organizational Information Infrastructure	195
	Embarrassment of Riches: Resources on the Web	196

	Companies Using the Internet for Environmental Scanning	206
	The Value of Online Databases	210
	Embarrassment of Riches: Online Databases	211
	Companies Using Online Databases for Environmental Scanning.	217
Chapter 8.	Learning to Be Intelligent	223
	The Intelligent Organization	223
	Information Management	224
	Understanding Environmental Scanning	227
	Designing an Effective Environmental Scanning System	229
	Looking Ahead	237
	Information Partnerships for the Intelligent Organization.	237
	New Ways of Organizational Learning and Understanding the Future	247
	The New Dynamics of Competition	253
Chapter 9	Information Management, Knowledge Management, and the Information Professional	257
	Data, Information, Knowledge, Action	257
	Do We Know What We Know?	259
	The Nature of Knowledge in Organizations.	263
	Information Professionals and Tacit Knowledge	269
	Information Professionals and Explicit Knowledge	270
	Information Professionals and Cultural Knowledge	271
	Use of Intranets in Corporate Libraries	277
	Summary	278
References	279
About the Author	303
