-	
1. Introduction	1
1.1 What is meant by wealth?	1
1.2 What is meant by the distribution of wealth?	3
1.3 Why is the distribution of wealth important?	4
1.4 Has the distribution of wealth become more or less unequal over time?	7
1.5 Inequality in the distribution of wealth and poverty	7
1.6 Aspects of the distribution of wealth not considered in this book	8
1.7 Plan of this book	10
2. Measuring inequality in the distribution of wealth	11
2.1 Comprehensive measures of inequality	14
2.2 Partial measures of inequality	20
Appendix to Chapter 2: Alternative comprehensive measures of inequality	22
3. Empirical studies of the distribution of wealth	26
3.1 Long-run trends in the distribution of wealth	28
3.2 Denmark	33
3.3 France	33
3.4 Norway	36
3.5 Sweden	37
3.6 Switzerland	41
3.7 United Kingdom	41
3.8 The United States	54
3.9 Australia	62
3.10 Finland	68
3.11 Italy	69

The distribution of wealth – growing inequality?

3.12	Spain	70
3.13	Comparative studies and data for other countries	72
3.14	Concluding remarks	86
	Determinants of the distribution of wealth	89
4.1	Behavioural assumptions	89
4.2	Determinants of the wealth of a wealth-holder	91
4.3	Earned income	93
4.4	Age	94
4.5	Savings	98
4.6	Inheritance	99
4.7	Relative importance of determinants	101
	Determinants of changes in the distribution of wealth	104
5.1	Piketty's thesis	105
5.2	Deficiencies in Piketty's presentation of his thesis	107
5.3	Steady-state equilibrium or perpetual disequilibrium?	110
5.4	Implications of Piketty's thesis for the personal distribution of wealth	114
5.5	An alternative explanation of changes in the class distribution of wealth	115
	Ranking alternative distributions of wealth	117
6.1	The conservative view of society	119
6.2	The libertarian view of society	122
6.3	The utilitarian view of society	124
6.4	The egalitarian view of society	126
6.5	Rawlsian distributive justice	129
6.6	Using individual values to rank distributions	131
6.7	Concluding remarks	135
	How to change the distribution of wealth	138
7.1	Taxation of wealth-holders	139
7.2	Taxation of wealth transfers	143
7.3	Communal ownership of wealth	145
7.4	Distribution by issue of vouchers	147
7.5	Political obstacles and their removal	148
	Equality versus affluence?	153
8.1	Empirical evidence	156
8.2	Efficiency, risk and distribution of private property	159
8.3	Efficiency and communal ownership	164
8.4	Wealth distribution and the saving-consumption choice	167
8.5	Wealth distribution and the work-leisure choice	168
8.6	Application of the analysis to an open economy	174
8.7	Concluding remarks	175
