Introduction

How can cultural policies be understood?

Comparing cultural policies in order to understand them

How to compare cultural policies and why those of Argentina and Mexico?

Four dimensions of change, three sectoral policies and three hypotheses

CHAPTER 1. The First Public Actions in The Cultural Sphere

Different nation-building projects, different cultural actions

A dominant Mexican State, a dynamic Argentinian associative sector

CHAPTER 2. The Emergence and Institutionalization of Cultural Policies

Mobilization for the inclusion of culture on the agenda

Similar processes for the institutionalization of cultural policies?

CHAPTER 3. Cultural Policies in The Neo-Liberal Turn

The changes brought about by decentralization and the private sector's participation

Cultural policies and transnationalization processes

CHAPTER 4. Political and Cultural Policy Changes	181
Changes in actors, changes in representations?	182
The instrumental and institutional dimensions of change	218
Conclusion	237
Bibliography	241
Annexes	257
