Detailed Contents

List of Tables and Figures • xv

Preface • xix

Part 1. Introduction to Outsourcing-Insourcing in an International Context

Chapter 1. Introduction to Outsourcing-Insourcing • 3

What is Outsourcing-Insourcing? • 3

What is Outsourcing-Insourcing in an International Context? • 5

Types of Outsourcing-Insourcing • 6

Why Use Outsourcing? • 9

Strategic Planning of Core Competencies • 9

The Economics of Outsourcing • 10

Outsourcing Trends • 12

Risk in the Outsourcing-Insourcing Process • 14

How This Book Is Organized • 17

Summary • 18

Review Terms • 18

Discussion Questions • 19

Concept Questions • 19

References • 19

Chapter 2. Advantages and Disadvantages of Outsourcing-Insourcing 21

Introduction • 21

Outsourcing as an Industry • 21

Information Technology (IT) Outsourcing Industry • 22

Human Resources (HR) Outsourcing Industry • 22

<i>Industry Recognition and Support</i>	• 23
What Are the Advantages of Outsourcing (or Disadvantage of Insourcing)?	• 24
<i>Linking an International Context with Outsourcing Advantages</i>	• 27
What Are the Disadvantages of Outsourcing (or Advantages of Insourcing)?	• 27
<i>Linking an International Context with Outsourcing Disadvantages</i>	• 30
Risk and Outsourcing Advantages and Disadvantages	• 31
Summary	• 33
Review Terms	• 33
Discussion Questions	• 33
Concept Questions	• 33
References	• 34
Chapter 3. Outsourcing-Insourcing Strategy and International Risk Factors	• 36
Introduction	• 36
The Relationship of International Business with Outsourcing-Insourcing	• 36
<i>Organization Planning and International Business</i>	• 36
<i>Relationship of Organizational Strategic Planning and Outsourcing-Insourcing</i>	• 38
<i>Relationship of Outsourcing-Insourcing with International Business</i>	• 40
Outsourcing-Insourcing Strategy and International Risk Factors	• 40
<i>Risk Factors in an International Context</i>	• 41
<i>Case Studies on the Complication of Risk Factors</i>	• 43
Summary	• 46
Review Terms	• 46
Discussion Questions	• 46
Concept Questions	• 47
References	• 47
Chapter 4. Planning International Outsourcing-Insourcing	• 49
Introduction	• 49
Strategic Planning Steps in Outsourcing-Insourcing	• 50
<i>Internal Organizational Analysis</i>	• 51

- External Environmental Analysis* • 52
- Choice of O-I Strategy for Non-Core Competencies* • 54
- Tactical Planning Steps in Outsourcing-Insourcing • 54
 - Establish Goals and Draft Outsourcing Agreement Specifications* • 55
 - Identify and Select Outsource Provider* • 56
 - Negotiate Measures of Outsourcing Performance and Goals* • 61
- Operational Planning Steps in Outsourcing-Insourcing • 63
 - Monitor and Control Current Outsourcing Program* • 63
 - Evaluate Outsourcer and Provide Feedback* • 66
- An International Context Risk Rejoinder • 66
 - Case Study on Avoiding Risk in International Outsourcing* • 67
- Summary • 69
- Review Terms • 70
- Discussion Questions • 70
- Concept Questions • 70
- References • 70

Part 2. Methodologies for Different Types of Outsourcing-Insourcing Decisions

Chapter 5. International Outsourcing-Insourcing Metrics-Based Methodologies • 75

- Introduction • 75
- Executive and Board of Director Polling • 75
- Rating/Scoring Metrics and Multi-Criteria Scoring Methods • 77
- Metric Accuracy and the Delphi Method • 80
- External Benchmarking and Gap Analysis • 81
 - External Benchmarking Procedure* • 82
 - Gap Analysis* • 84
- Measuring International O-I Risks • 86
 - Economic Risk Factor Assessment* • 87
 - Politics Risk Factor Assessment* • 90
 - Culture Risk Factor Assessment* • 90
 - Demographic Risk Factor Assessment* • 90

Summary • 93
 Review Terms • 93
 Discussion Questions • 93
 Concept Questions • 93
 Methodology Problems • 94
 References • 96

Chapter 6. Financial Methodologies for the Initial Outsourcing-In sourcing Decision • 98

Introduction • 98
 Present Value Analysis • 99
 Net Present Value • 100
 Break-Even Analysis • 102
 Return on Investment • 104
 Internal Rate of Return • 105
 Accounting Rate of Return • 106
 Payback Period • 107
 Cost/Benefit Analysis • 108
 An International Context Risk Rejoinder • 114
 Alternative Unit Break-Even/Risk Methodology • 116
 Summary • 119
 Review Terms • 120
 Discussion Questions • 120
 Concept Questions • 120
 Methodology Problems • 120
 References • 123

Chapter 7. Methodologies for Selecting Outsourcing- Insourcing Partners • 125

Introduction • 125
 Preliminary Selection Considerations and Risk Factors • 127
 Screen Out Providers That Do Not Satisfy the Primary Objectives in the RFI • 127
 Screen Out Providers That Do Not Qualify • 127
 Screen Out Higher Risk Providers • 129

Benchmarking and O-I Partner Selection Decisions •	129
<i>Benchmarking as an Ex Ante Selection Method</i> •	129
<i>Benchmarking as an Ex Post Selection Method</i> •	131
Decision Theory Methods for Partner Selection Decisions •	132
<i>Decision Theory Model Elements</i> •	134
<i>Types of Decision Environments</i> •	134
<i>Decision Theory Model Formulation Procedure</i> •	135
<i>Decision Making Under Risk*</i>	136
<i>Decision Making Under Uncertainty</i> •	138
Geographic Distance Selection Methodologies •	142
<i>The Centroid Method</i> •	142
Summary •	144
Review Terms •	145
Discussion Questions •	146
Concept Questions •	146
Methodology Problems •	146
References •	148
Chapter 8. Methodologies for Allocating Business Activities Between Outsourcers and Insourcers •	150
Introduction •	150
Game Theory Methodology for O-I Proportional Allocation Decisions •	152
<i>Game Theory Model Elements</i> •	153
<i>Game Theory Model Formulation Procedure</i> •	154
<i>Computer-Based Solutions for Game Theory Problems</i> •	155
Linear Programming for O-I Proportional Allocation Decisions •	157
<i>LP Model Elements</i> •	158
<i>Linear Programming Model Formulation Procedure</i> •	160
<i>Computer-Based Solutions for Linear Programming Problems</i> •	167
<i>Extending the LP Solution with Duality and Sensitivity Analysis</i> •	170
<i>Linear Programming Model Assumptions/Limitations</i> •	173
Summary •	175
Review Terms •	175

Discussion Questions • 176
 Concept Questions • 176
 Methodology Problems • 176
 References • 180

**Epilogue: There are Wrong Ways and Rights Ways to
 Outsource-Insource in an International Context • 182**

Introduction • 182
