Understanding Polymer Morphology

Hanser Publishers, Munich Vienna New York

Hanser/Gardner Publications, Inc., Cincinnati

Contents

1	Introduction.....	1
2	Crystallizable Polymers.....	19
3	Morphologies of Crystallized Polymers.....	31
4	Liquid Crystalline Morphologies.....	57
5	Morphologies of Blends, Block Copolymers, Composites and Laminates.....	71
6	Morphologies Associated with Processing.....	91
7	Morphologies Associated with Deformation and Fracture.....	101
8	Morphological Effects on Polymer Properties.....	113
	Index.....	125
