*This Survey is published on the responsibility of the Economic and Development Review Committee of the OECD, which is charged with the examination of the economic situation of member countries.*

*The economic situation and policies of France were reviewed by the Committee on 16 March 2009. The draft report was then revised in the light of the discussions and given final approval as the agreed report of the whole Committee on 3 April 2009.*

*The Secretariat's draft report was prepared for the Committee by Alain de Serres and Rafal Kierzenkowski under the supervision of Peter Jarrett. Research assistance was provided by Patrizio Sicari.*

*The previous Survey of France was issued in June 2007.*
