|--|--------------|
| <b>Foreword.....</b>   | <b>V</b>     |
| <b>Preface.....</b>  | <b>VII</b>   |
| <b>Short Index.....</b>  | <b>IX</b>    |
| <b>Index.....</b>  | <b>XI</b>    |
| <b>List of Tables.....</b>   | <b>XVII</b>  |
| <b>List of Figures.....</b>  | <b>XXIII</b> |
| <b>List of Abbreviations.....</b>                                      | <b>XXVII</b> |
| <b>Chapter 1 Introduction.....</b>                                     | <b>1</b>     |
| 1.1 Motivation.....  | 2            |
| 1.2 Research Focus.....  | 8            |
| 1.3 Organization.....  | 10           |
| <b>Chapter 2 Research Design.....</b>                                  | <b>13</b>    |
| 2.1 IS Research Paradigms and Methods.....                             | 14           |
| 2.1.1 Critical, Interpretive, and Positivist Research.....             | 14           |
| 2.1.2 Quantitative, Qualitative, and Mixed-/Multi-method Research..... | 15           |
| 2.2 CSF Research.....  | 18           |
| 2.2.1 Definition.....  | 18           |
| 2.2.2 Evolution.....   | 19           |
| 2.2.3 Dimensions.....  | 20           |
| 2.2.4 CSF Identification.....  | 22           |
| 2.2.5 CSF Relevance.....   | 23           |
| 2.2.6 Benefits.....  | 23           |

|  |           |
|--|-----------|
| 2.3 Research Strategy.....                               | 25        |
| 2.3.1 Research Objectives and Questions.....             | 25        |
| 2.3.2 Research Paradigm.....                             | 25        |
| 2.3.3 Research Approach.....                             | 25        |
| 2.4 Trustworthiness of the Research.....                 | 28        |
| 2.4.1 Credibility.....                                   | 28        |
| 2.4.2 Transferability.....                               | 29        |
| 2.4.3 Dependability.....                                 | 30        |
| 2.4.4 Confirmability.....                                | 30        |
| <b>Part A: Research Background.....</b>                  | <b>31</b> |
| <b>Chapter 3 State-of-the-Art of IT Outsourcing.....</b> | <b>33</b> |
| 3.1 Definition.....                                      | 34        |
| 3.2 History.....   | 39        |
| 3.3 Theoretical Foundations.....                         | 41        |
| 3.3.1 Agency Theory.....                                 | 43        |
| 3.3.2 Transaction Cost Theory.....                       | 43        |
| 3.3.3 Power and Politics Theories.....                   | 44        |
| 3.3.4 Relationship Theories.....                         | 45        |
| 3.3.5 Social Exchange Theory.....                        | 45        |
| 3.3.6 Resource Theories.....                             | 46        |
| 3.3.7 Strategic Management Theories.....                 | 46        |
| 3.4 Annotated Bibliography.....                          | 47        |
| 3.4.1 Classification.....                                | 49        |
| 3.4.2 Comparison.....                                    | 51        |
| 3.5 Market.....  | 55        |

|  |           |
|--|-----------|
| 3.6 Benefits.....  | 59        |
| <b>Chapter 4 Management of Offshore Software Development Projects.....</b> | <b>61</b> |
| 4.1 Literature Review.....   | 62        |
| 4.1.1 Classification.....  | 62        |
| 4.1.2 Description.....   | 63        |
| 4.1.3 Comparison.....  | 67        |
| 4.2 Project Phase Model.....   | 71        |
| 4.3 Planning and Analysis Phase.....                                       | 74        |
| 4.3.1 Definition of the Sourcing Strategy.....                             | 74        |
| 4.3.2 Assessment of the Client Organization.....                           | 77        |
| 4.3.3 Identification of the Project Candidates.....                        | 78        |
| 4.3.4 Analysis of the Project Candidates.....                              | 81        |
| 4.4 Decision and Negotiation Phase.....                                    | 86        |
| 4.4.1 Selection of the Country.....  | 86        |
| 4.4.2 Selection of the Provider(s).....                                    | 88        |
| 4.4.3 Negotiation of the Contract.....                                     | 93        |
| 4.4.4 Formulation of the Contract.....                                     | 95        |
| 4.5 Implementation Phase.....  | 99        |
| 4.5.1 Management of the Transition.....                                    | 99        |
| 4.5.2 Management of the Contract.....                                      | 101       |
| 4.5.3 Management of the Performance.....                                   | 102       |
| 4.5.4 Management of the Communication.....                                 | 105       |
| 4.5.5 Management of the Cultural Differences.....                          | 108       |

|  |            |
|--|------------|
| <b>Part B: Critical Success Factors of Offshore Software Development Projects.....</b> | <b>113</b> |
| <b>Chapter 5 Identification of Critical Success Factors.....</b>                       | <b>115</b> |
| 5.1 Research Design.....   | 116        |
| 5.1.1 Research Objectives.....   | 116        |
| 5.1.2 Research Methodology.....  | 116        |
| 5.1.3 Research Process.....  | 118        |
| 5.2 Literature Review.....   | 124        |
| 5.2.1 Classification.....  | 124        |
| 5.2.2 Description.....   | 126        |
| 5.2.3 Comparison.....  | 128        |
| 5.3 Research Context.....  | 132        |
| 5.3.1 Company-related Information.....   | 132        |
| 5.3.2 Project-related Information.....   | 132        |
| 5.3.3 Person-related Information.....  | 135        |
| 5.4 CSF Model.....   | 137        |
| 5.4.1 CSF List.....  | 137        |
| 5.4.2 Unified CSF Model.....   | 139        |
| 5.4.3 CSF Description.....   | 142        |
| 5.4.4 Comparison with Related Studies.....   | 150        |
| 5.4.5 Extended CSF Model.....  | 153        |
| 5.5 Discussion.....  | 155        |
| <b>Chapter 6 Analysis of Critical Success Factors.....</b>                             | <b>157</b> |
| 6.1 Research Design.....   | 158        |
| 6.1.1 Research Objectives.....   | 158        |
| 6.1.2 Research Methodology.....  | 158        |

|                  |  |            |
|------------------|--|------------|
| 6.1.3            | Research Process.....                              | 159        |
| 6.2              | Research Context.....                              | 163        |
| 6.2.1            | Company-related Information.....                   | 163        |
| 6.2.2            | Project-related Information.....                   | 165        |
| 6.2.3            | Person-related Information.....                    | 167        |
| 6.3              | CSF Analysis.....                                  | 169        |
| 6.3.1            | Relevance.....                                     | 169        |
| 6.3.2            | Phase Specificity.....                             | 180        |
| 6.3.3            | Level of Influence.....                            | 184        |
| 6.4              | Discussion.....                                    | 190        |
| <b>Chapter 7</b> | <b>Management of Critical Success Factors.....</b> | <b>193</b> |
| 7.1              | Research Design.....                               | 194        |
| 7.1.1            | Research Objectives.....                           | 194        |
| 7.1.2            | Research Methodology.....                          | 194        |
| 7.1.3            | Research Process.....                              | 196        |
| 7.2              | Pilot Case Study.....                              | 200        |
| 7.2.1            | Research Context.....                              | 200        |
| 7.2.2            | CSF Relevance Analysis.....                        | 202        |
| 7.2.3            | CSF Management Analysis.....                       | 205        |
| 7.3              | Confirmatory Case Study.....                       | 215        |
| 7.3.1            | Research Context.....                              | 215        |
| 7.3.2            | CSF Relevance Analysis.....                        | 217        |
| 7.3.3            | CSF Management Analysis.....                       | 220        |
| 7.4              | Comparison of the Case Studies.....                | 228        |
| 7.4.1            | Research Context.....                              | 228        |

|   |                                   |            |
|---|-----------------------------------|------------|
| 7.4.2   | CSF Relevance Analysis.....       | 230        |
| 7.4.3   | CSF Management Analysis.....      | 233        |
| 7.5   | Discussion.....                   | 247        |
| <b>Chapter 8</b>                                | <b>Conclusions.....</b>           | <b>251</b> |
| 8.1   | Research Questions Addressed..... | 252        |
| 8.2   | Trustworthiness.....              | 257        |
| 8.3   | Limitations.....                  | 260        |
| 8.4   | Contributions.....                | 261        |
| 8.5   | Outlook.....                      | 264        |
| <b>References.....</b>                          | <b>267</b>                        |            |
