Table of Content

1 INTRODUCTION AND MOTIVATION.....1

1.1 Field Perspective.....1

1.2 Research Questions.....5

1.3 Research Deficits.....6

1.4 Theory Perspectives.....10

1.4.1 Marketing Channel Theory.....10

1.4.2 Supply Chain Theory.....12

1.4.3 Strategic Management Theory.....13

1.5 Research Process.....16

2 THEORY OF EFFICIENT CONSUMER RESPONSE.....19

2.1 Demand Side Collaboration.....20

2.1.1 Category Management as a Starting Point.....20

2.1.2 Efficient Assortments.....23

2.1.3 Efficient Promotions.....24

2.1.4 Efficient Product Introduction.....26

2.1.5 Consumer Value Creation.....27

Supply Side Collaboration.....30

2.2.1 Supply Chain Management as a Starting Point.....31

2.2.2 Responsive Replenishment.....32

2.2.3 Integrated Demand Driven Supply.....35

2.2.4 Operational Excellence.....36

Enablers and Integrators Collaboration.....37

2.3.1 Common Standards as a Starting Point.....38

2.3.2 Common Data and Communication Standards.....40

2.3.2.1 Electronic Data Interchange and Communication Standards.....40

2.3.2.2 Unit Load Identification and Tracking.....42

2.3.2.3 Master Data Alignment.....42

2.3.3 Collaborative Planning, Forecasting and Replenishment.....43

2.3.4 Cost, Profit and Value Measurement.....45

2.4	Summary.....	47
3	MODEL OF ECR-ADOPTION AND RESEARCH HYPOTHESES. . .	49
3.1	Supplier Performance Measures.....	50
3.2	Effects of Antecedents on ECR-adoption.....	52
3.2.1	Effects of Relation-Specific Assets	52
3.2.2	Effects of Organizational Enablers.....	53
3.3	Effects of ECR-adoption on Supplier Performance Measures.....	54
3.3.1	Effects on Economic Performance.....	55
3.3.2	Effects on Perceived Equity.....	56
3.3.3	Effects on Capability Development.....	57
3.4	Effects of Moderators on ECR-adoption and Supplier Performance Measures...	59
3.4.1	Effects of Trust.....	59
3.4.2	Effects of Dependence.....	63
3.4.3	Effects of Complementary Retailer Capabilities.....	67
3.5	Summary of Research Hypotheses.....	71
4	RESEARCH SETTING.....	73
4.1	Global ECR Scorecard as a Starting Point.....	73
4.2	Company Profile: Sainsbury's Supermarkets.....	77
4.3	Data Collection Procedure and Non Response Bias.....	79
5	MEASURE DEVELOPMENT AND VALIDATION.....	83
5.1	Measure Development.....	83
5.1.1	Measure Development Procedures.....	83
5.1.2	Measures of ECR-adoption.....	84
5.1.3	Measures of Outcomes.....	91
5.1.4	Measures of Antecedents.....	92
5.1.5	Measures of Moderators.....	93
5.2	Measure Validation.....	97
5.2.1	Measure Validation Procedures.....	97

5.2.1.1	Testing for Content and Substantive Validity.....	98
5.2.1.2	Testing for Unidimensionality.....	98
5.2.1.3	Testing Scale Reliability.....	101
5.2.1.4	Testing Convergent, Discriminant and Predictive Validity.....	103
5.2.2	Measurement Models for ECR-adoption.....	104
5.2.2.1	ECR-adoption as an Index with Formative Indicators.....	105
5.2.2.2	ECR-adoption as a Scale with Reflective Indicators.....	110
5.2.3	Measurement Models for Antecedents of ECR-adoption.....	116
5.2.4	Measurement Model for Moderators of ECR-adoption.....	120
5.2.5	Measurement Model for Outcomes of ECR-adoption.....	121
6	ANALYSES AND RESULTS.....	125
6.1	Hypothesis Testing Procedures.....	125
6.2	Effects of ECR-adoption as Reflective Scale.....	129
6.2.1	Effects of Antecedents on ECR-adoption scale.....	129
6.2.2	Effects of ECR-adoption and Moderators on Economic Performance.....	131
6.2.3	Effects of ECR-adoption and Moderators on Equity.....	134
6.2.4	Effects of ECR-adoption and Moderators on Capability Development.....	138
6.2.5	Summary.....	141
6.3	Effects of Supplier Brands and Retailer Brands.....	142
6.4	Effects of Supplier Size.....	144
6.5	Effects of ECR-adoption as Formative Index.....	146
6.6	Summary.....	148
7	DISCUSSION.....	149
7.1	Theoretical Contributions.....	149
7.1.1	ECR-adoption Scale.....	149
7.1.2	Main and Moderating Effects of ECR-adoption.....	150
7.1.3	Main Effects of "Moderators" and Antecedents.....	154
7.2	Managerial Implications.....	155
7.2.1	Role of ECR-adoption.....	155
7.2.2	Role of Antecedents and Moderators.....	158
7.2.3	Role of Size and Brand.....	159
7.2.4	Role of Scorecarding.....	160
