

SPRINT

How to Solve Big Problems
and Test New Ideas
in Just Five Days

Jake Knapp

with John Zeratsky and Braden Kowitz

Simon & Schuster Paperbacks

New York London Toronto Sydney New Delhi

Contents

Preface	1
Introduction	7
<hr/>	
Set the Stage	
Challenge	21
Start with a big problem	
Team	29
Get a Decider, a Facilitator, and a diverse team	
Time and Space	38
Schedule five days and find the right room	

Monday

Start at the End 53

Agree to a long-term goal

Map 59

Diagram the problem

Ask the Experts 68

Interview your teammates and other experts

Target 83

Choose a focus for your sprint

Tuesday

Remix and Improve 95

Look for old ideas and inspiration

Sketch 103

Put detailed solutions on paper

Wednesday

Decide 127

Choose the best solutions without groupthink

Rumble 143

Keep competing ideas alive

Storyboard 148

Make a plan for the prototype

Thursday

Fake it 165

Build a façade instead of a product

Prototype 183

Find the right tools, then divide and conquer

Friday

Small Data 195

Get big insights from just five customers

Interview 201

Ask the right questions

Learn 216

Find patterns and plan the next step

Liftoff 226

One last nudge to help you start

Checklists 232

Frequently Asked Questions 251

Thank-You Notes 259
