## Table of contents

Acknowledgment.....	iv
List of Acronyms.....	v
List of tables.....	vi
List of figures.....	vii
1. Introduction.....	1
2. Literature Review.....	3
2.1. Review of basic research works.....	3
2.2. Limitations, weaknesses and research gaps.....	6
2.3. Relevance of the global value chain theory for the research work.....	6
3. Conceptual and Theoretical Framework.....	9
3.1. What is global value chain?.....	9
3.2. Value chain analysis as analytical tool for export promotion and development.....	10
3.3. The key dimensions/elements of the value chain.....	11
3.3.1. Systemic efficiency/input-output structure of the value chain.....	11
3.3.2. Rent and upgrading.....	13
3.3.3. Governance.....	15
3.4. How to apply the value chain theory to the research question.....	18
3.5. Hypothesis.....	18
3.6. Research methodology.....	19
3.6.1. Research area and sample collection.....	19
3.6.2. Overall framework of the research methodology.....	21
3.6.3. Indicators and measurement.....	21
3.6.3.1. Mapping the input-out structure of the oilseeds value chain.....	21
3.6.3.2. Indicators for governance and upgrading.....	22
3.6.4. Methods of data analysis.....	23
4. The Research Background.....	24
4.1. The contribution of oilseeds in the Ethiopian export.....	24

4.2. Oilseeds type, trade destinations and exporters.....	28
4.3. The contribution of oilseeds for domestic production of edible oil and oilcake.....	30
4.4. Description of Sedika -the research location.....	31
5. Oilseeds Value Chain Analysis.....	34
5.1. Oilseeds supply.....	34
5.2. Oilseeds utilization.....	36
5.2.1. Home based consumption.....	36
5.2.2. Oil processing.....	37
5.2.3. Export.....	38
5.3. Oilseeds value chain.....	38
5.3.1. Oilseeds producers.....	40
5.3.2. Assemblers (Local collectors).....	40
5.3.3. Regional traders.....	40
5.3.4. Service cooperatives.....	40
5.3.5. Brokers, wholesalers and price speculators.....	41
5.3.5.1. Brokers.....	41
5.3.5.2. Wholesalers.....	41
5.3.5.3. Price speculators.....	41
5.3.6. Local oil processors, wholesalers and retailers.....	42
5.3.7. Exporters.....	43
5.3.8. Local consumers.....	44
5.4. Value addition along the chains.....	44
5.4.1. Value addition along farmers to exporters chain.....	44
5.4.2. Value addition along farmers to oilseeds processors chain.....	46
5.5. What can be learned from the oilseeds value chain analysis?.....	48
6. Governance and Upgrading in the Oilseeds Value Chain.....	49
6.1. Governance and income upgrading from export.....	49
6.1.1. Market governance.....	49
6.1.2. Market Information System (MIS).....	51
6.1.3. The emergence of modular governance.....	53
6.1.4. The demand for organic oilseeds.....	55

6.1.5. Quality of oilseeds.....	56
6.1.6. Seasonality of prices and the need for micro credit.....	59
6.1.7 Intermediate result.....	61
6.2. Upgrading through local processing of oilseeds.....	62
6.2.1. Local processing of oilseeds.....	62
6.2.2. Major constraints.....	66
7. Conclusion and Recommendations.....	68
7.1. Conclusion.....	68
7.2. Recommendations.....	72
8. Bibliography.....	73
9. Annexes.....	78
