Acknowledgments.....	xiii
Author Biography	xv
Introduction.....	xvii

CHAPTER 1 The Freemium Business Model..... 1

Commerce at a price point of \$0	1
Components of the freemium business model	2
Scale.....	3
Insight	5
Monetization	7
Optimization	9
Freemium economics	10
Price elasticity of demand.....	11
Price discrimination	14
Pareto efficiency.....	17
Freemium product case studies	20
Skype.....	20
Spotify.....	22
Candy Crush Saga.....	25

CHAPTER 2 Analytics and Freemium Products 29

Insight as the foundation of freemium product development.....	29
Analytics.....	29
What is analytics?	30
What is big data?.....	33
Designing an analytics platform for freemium product development	34
Storing data for a freemium product.....	37
Reporting data for a freemium product.....	39
Data-driven design.....	41
The minimum viable product.....	43
Data-driven design versus data-prejudiced design.....	44

CHAPTER 3 Quantitative Methods for Product Management 47

Data analysis.....	47
Descriptive statistics.....	47
Exploratory data analysis.....	51

Probability distributions.....	52
Basic data visuals.....	55
Confidence intervals.....	59
A/B testing.....	63
What is an A/B test?.....	63
Designing an A/B test	65
Interpreting A/B test results	66
Regression analysis	69
What is regression?	69
The regression model in product development	70
Linear regression.....	72
Logistic regression	75
User segmentation	76
Behavioral data	77
Demographic data.....	79
Predicting user segments.....	80
CHAPTER 4 Freemium Metrics	83
Instrumenting freemium products	83
Minimum viable metrics	83
Working with metrics in the freemium model	84
Retention	86
The retention profile.....	86
Retention metrics	88
Tracking retention.....	90
Monetization.....	91
Conversion	92
Revenue metrics	94
Engagement.....	97
The onboarding funnel.....	98
Session metrics.....	100
Net promoter score.....	101
Virality.....	102
Virality hooks.....	103
The k-factor.....	104
Using metrics in the freemium model	106
Metrics and the organization.....	107
Dashboard design.....	108
Ad-hoc analysis.....	110
Minimum viable metrics as a source of revenue.....	111

CHAPTER 5	Lifetime Customer Value	115
	Lifetime customer value.....	115
	Lifetime customer value and the freemium model.....	115
	Making use of LTV	117
	LTV in, LTV out.....	118
	Retention versus acquisition	121
	Discounting LTV.....	122
	Calculating lifetime customer value	123
	The spreadsheet approach	124
	Constructing the retention profile in a spreadsheet.....	125
	Calculating user lifetime from the retention profile curve.....	129
	Calculating revenue with trailing ARPDau	130
	Structuring the LTV worksheet and deriving LTV	133
	ARPDau versus projected individual revenue.....	134
	The analytics method.....	135
	The Pareto/NBD method.....	137
	The regression method.....	138
	Implementing an analytics model	140
	Auditing an analytics model	141
	Making decisions with LTV	142
	LTV and marketing	143
	LTV and product development.....	145
	LTV and organizational priority.....	146
	The politics of LTV.....	147
CHAPTER 6	Freemium Monetization	149
	The continuous monetization curve	149
	Choice, preference, and spending.....	149
	What is the continuous monetization curve?	150
	Engineering a freemium product catalogue	152
	Freemium and non-paying users	154
	Revenue-based user segments.....	156
	Data products in the freemium model	157
	Recommendation engines	158
	The dynamic product catalogue.....	160
	Productizing analytics.....	161
	Downstream marketing	162
	Reengagement marketing.....	163
	Promotional targeting.....	164
	Measuring downstream marketing.....	165

CHAPTER 7	Virality	169
	The viral product	169
	What is virality?	169
	Calculating virality.....	170
	The effects of compounding virality.....	172
	Virality and retention	175
	Signal versus noise.....	177
	Quantified virality	178
	Viral periods.....	179
	Saturation.....	185
	Building the viral model	189
	Engineering virality.....	192
	The viral product.....	192
	Viral networks.....	194
	Increasing viral invitations.....	195
	Increasing viral conversions.....	197
CHAPTER 8	Growth.....	199
	Facilitating a large user base	199
	Strategic growth.....	199
	Demographic targeting and saturation	200
	Optimizing the onboarding process	201
	Optimizing product copy	203
	Paid user acquisition	204
	Misconceptions about paid user acquisition	205
	Advertising exchanges	207
	Demand-side platforms.....	209
	Supply-side platforms	210
	Paid search	211
	Virality and user acquisition	215
	Mobile user acquisition	216
	Mobile user acquisition and the law of large numbers	216
	Mobile user acquisition and adverse selection.....	218
	Alternative user acquisition.....	219
	Cross-promotion, virality, and discovery	219
	Search engine optimization.....	221
	Traditional media	223
	References.....	227
	Index	229
