Page 26: the reference to page 5 applies to page 6

Page 233: the reference to pages 15-22 applies to pages 12-14

Page 245: the reference to page 19 applies to page 20

Page 248: the reference to page 25 applies to page 26

List of tables	ix
List of figures	xiii
List of maps	xiv
Abbreviations	xv
Acknowledgements	xvii
1 Comecon as an international protection system	1
Limitations of trade-based assessments of Comecon integration	1
The nature of Comecon interdependence	5
Co-operation and specialisation agreements as a method of integration	11
The framework of co-operation and specialisation	16
Inducements of intra-Comecon co-operation and specialisation	23
Economic incentives for Comecon specialisation	25
The politics of Comecon co-operation and specialisation	28
Notes and references	33
2 Comecon co-operation in energy	35

The vicious circle of energy and materials	38
The way out of the vicious circle	43
Comecon provision of an energy infrastructure	48
The Druzhba oil pipeline system	49
The Adria oil pipeline	51
Comecon's natural gas pipelines system	55
The Soyuz (Orenburg) pipeline	57
Comecon electric power systems	62
Notes and references	71
3 Intra-Comecon co-operation in metallurgy	73
The iron and steel industries of Comecon	74
Intra-Comecon co-operation in ferrous metallurgy	86
Intermetall	90
Intra-Comecon co-operation in non-ferrous metallurgy	97
Tsvetmetobrabotka and Redmet	102
R and D co-operation	104
Notes and references	105
4 Co-operation and specialisation in the chemical industry	108
The chemical and petrochemical industries of Comecon	108
Co-operation and specialisation in the chemicals, paper and cellulose, and microbiological industries	120
Co-operation in chemical production	122
Interkhim	127
Interkhimvolokno	130
Agencies for oil refining	132
Bilateral organisations in chemicals	133
The impact of specialisation and co-operation on trade in chemicals	134
Co-operation in the paper and cellulose industry	137
Co-operation in the microbiological industry	138
Notes and references	140
5 Intra-Comecon co-operation in the nuclear industry	143
Interatomenergo	155
Interatominstrument	155

Notes and references	157
6 Co-operation and specialisation in the area of computer technology and automation	159
Numerically-controlled machine-tools and robots	168
Notes and references	171
7 Co-operation and specialisation in the automotive industry	172
Notes and references	182
8 Machine-building and engineering IEOs and other agreements	183
The Organisation for Co-operation in the Ball-Bearing Industry: OSPP	183
Interelektro	188
Interelektrotest	191
Interkomponent	191
Elektroinstrument	192
Interetalonpribor	192
Medunion	193
Intervodochistka	193
Intransmash	194
Intertekstilmash	194
Agromash	197
Specialisation agreements on construction and building-materials machinery	200
Co-operation and specialisation in transport machinery and equipment	206
The Kiembraevo Asbestos Combine	207
Notes and references	208
9 Co-operation in research and development	211
Notes and references	223
10 Co-operation in standardisation	225
Computerised data banks	229
Notes and references	230
11 An assessment of specialisation policy	232
Quantitative indicators of specialisation	232
Measures of specialisation in engineering	235
Micro limits to macro programmes	243

Shortcomings of Comecon as an international protection system	248
Notes and references	253
Index	255
