

JULIA WALTER-HERRMANN, CORINNE BÜCHING (EDS.)

FabLab

Of Machines, Makers and Inventors

[transcript]

TABLE OF CONTENTS

INTRODUCTION

Notes on FabLabs

Julia Walter-Herrmann & Corinne Büching | 9

THE MOVEMENT

Notes on the Movement

Karsten Joost | 27

FabLabs – A Global Social Movement?

Julia Walter-Herrmann | 33

Homo Fabber and the Law

Lambert Grosskopf | 47

Gendered FabLabs?

Tanja Carstensen | 53

Fabricating Environments for Children

Irene Posch | 65

MATERIALITY AND VIRTUALITY

Notes on Materiality and Virtuality

Bruce Sterling | 77

Considering Algorithmics and Aesthetics

Frieder Nake | 79

Digital Realities, Physical Action and Deep Learning – FabLabs as Educational Environments?

Heidi Schelhowe | 93

A Universe of Objects

Corinne Büching | 105

MAKER CULTURE

Notes on Maker Culture

Eva-Sophie Katterfeldt, Anja Zeising & Michael Lund | 123

The History of Production with Computers

Bernard Robben | 127

Maker Culture, Digital Tools and Exploration Support for FabLabs

Eva-Sophie Katterfeldt | 139

Thoughts from the Road of a FabLab Nomad

Jens Dyvik | 149

TECHNOLOGY AND INFRASTRUCTURE

Notes on Technology and Infrastructure

Bre Pettis | 159

Machines for Personal Fabrication

René Bohne | 163

Digital Fabrication in Educational Contexts – Ideas for a Constructionist Workshop Setting

Nadine Dittert & Dennis Krannich | 173

Making the Third Industrial Revolution – The Struggle for Polycentric Structures and a New Peer-Production Commons in the FabLab Community

Peter Troxler | 181

COMMUNITY AND ENVIRONMENT

Notes on Community and Environment

Bart Bakker | 199

Digital Fabrication and 'Making' in Education – The Democratization of Invention

Paulo Blikstein | 203

Urban Development with FabLabs

Axel Sylvester & Tanja Döring | 223

Small Ideas, Big Opportunities – FabLab at Vigyan Ashram Pabal, India

Yogesh Ramesh Kulkarni | 231

Affordable Medical Prostheses Created in FabLabs

Alex Schaub | 239

EPILOGUE

FabLabs: Thoughts and Remembrances

Sherry Lassiter | 249

List of Authors | 259
