## TABLE OF CONTENTS

|                                       |    |
|---------------------------------------|----|
| Selection of Compounds Included ..... | 1  |
| How to Use this Handbook .....        | 3  |
| Using the Indices .....               | 28 |
| List of Abbreviations .....           | 29 |

### Quinone and Similar Antibiotics

|                                                   |     |
|---------------------------------------------------|-----|
| Introduction .....                                | 33  |
| 31 Tetracyclic Compounds and Anthraquinones ..... | 35  |
| 311 Tetracyclines and Similar Antibiotics .....   | 35  |
| 31112 Other Tetracyclines .....                   | 51  |
| 3112 and 3113 Pillaromycin Type .....             | 55  |
| 312 Anthracyclines .....                          | 61  |
| 313 Anthraquinone Derivatives .....               | 167 |
| 32 Naphtoquinone Derivatives .....                | 209 |
| Introduction .....                                | 209 |
| 321 Simple Naphtoquinones .....                   | 211 |
| 322 Condensed Naphtoquinones .....                | 221 |
| 323 Naphtoquinone-Like Compounds .....            | 281 |
| 33 Benzoquinones .....                            | 297 |
| 3321 Mitomycin Type .....                         | 315 |
| 3322 Streptonigrin Type .....                     | 329 |
| 34 Quinone-Like Compounds .....                   | 343 |
| 3 Other Less Known Quinone Antibiotics .....      | 367 |

### Indices

|                                             |     |
|---------------------------------------------|-----|
| Sequence of Alphabetizing .....             | 395 |
| Index of Names of Antibiotics .....         | 397 |
| Index of Antibiotic Numbers and Names ..... | 407 |
| Index of Producing Organisms .....          | 417 |
