|          |  |           |
|----------|--|-----------|
| <b>1</b> | <b>Introduction</b>  | <i>1</i>  |
| 1.1      | Media Economics  | <i>2</i>  |
| 1.2      | Up-and-Down Economics                                      | <i>3</i>  |
| 1.3      | Policy Evaluation  | <i>4</i>  |
| 1.4      | A Picture Can Be Worth a Thousand Words                    | <i>4</i>  |
| 1.5      | Really Important Macroeconomic Ideas                       | <i>5</i>  |
| <b>2</b> | <b>Measuring GDP and Inflation</b>                         | <i>11</i> |
| 2.1      | What Is GDP?   | <i>12</i> |
|          | Curiosity 2.1: What Is the Difference between GDP and GNP? | <i>13</i> |
| 2.2      | Estimating GDP   | <i>14</i> |
|          | Curiosity 2.2: Where Can These Numbers Be Found?           | <i>15</i> |
| 2.3      | GDP as Gross Deceptive Product                             | <i>16</i> |
| 2.4      | Real versus Nominal GDP                                    | <i>17</i> |
| 2.5      | Measuring Inflation  | <i>19</i> |
|          | Curiosity 2.3: How Do the GDP Deflator and the CPI Differ? | <i>21</i> |
| 2.6      | The Costs of Inflation                                     | <i>22</i> |
|          | Curiosity 2.4: What Level of Inflation Should We Aim For?  | <i>24</i> |
|          | Media Illustrations  | <i>24</i> |
|          | Appendix 2.1: Measuring GDP by Adding Up Incomes           | <i>32</i> |

|          |   |           |
|----------|---|-----------|
| <b>3</b> | <b>Unemployment</b>   | <b>35</b> |
| 3.1      | Defining and Measuring Unemployment   | 36        |
| 3.2      | The Employment/Unemployment Connection  | 37        |
|          | Curiosity 3.1: How Is Unemployment Measured?  | 38        |
| 3.3      | What Is Full Employment?  | 39        |
|          | Curiosity 3.2: Why Is Unemployment So High in Europe?                                     | 40        |
| 3.4      | The Cost of Unemployment  | 40        |
|          | Curiosity 3.3: What Is Okun's Law?  | 41        |
|          | Media Illustrations   | 42        |
| <b>4</b> | <b>The Role of Aggregate Demand</b>   | <b>51</b> |
| 4.1      | Aggregate Demand  | 52        |
|          | Curiosity 4.1: What about Unwanted Investment in Inventories?                             | 53        |
| 4.2      | Determining National Income   | 53        |
| 4.3      | The Multiplier  | 55        |
|          | Curiosity 4.2: What Is the Multiplier?  | 56        |
| 4.4      | Inventories and Forecasting   | 58        |
| 4.5      | Policy Implications   | 59        |
|          | Curiosity 4.3: What Is a Leading Indicator?   | 60        |
|          | Media Illustrations   | 61        |
|          | Appendix 4.1: Macroeconomics before Keynes: The Classical School                          | 70        |
|          | Appendix 4.2: The Circular Flow of Income   | 72        |
|          | Appendix 4.3: The 45°-Line Diagram  | 74        |
| <b>5</b> | <b>The Supply Side</b>  | <b>77</b> |
| 5.1      | The Aggregate Supply Curve  | 78        |
| 5.2      | The Aggregate Demand Curve  | 79        |
| 5.3      | Using the Aggregate-Supply/Aggregate-Demand Diagram                                       | 80        |
| 5.4      | Where Is Full Employment?   | 81        |
| 5.5      | Moving into a Boom  | 82        |
|          | Curiosity 5.1: How Do <i>AD</i> and <i>AS</i> Curves Differ<br>from Microeconomic Curves? | 84        |
| 5.6      | Moving into a Recession   | 84        |
|          | Curiosity 5.2: Are Real Wages Countercyclical?  | 87        |
| 5.7      | Analyzing Supply Shocks   | 88        |

|          |  |            |
|----------|--|------------|
| 5.8      | Supply-Side Economics                                    | 89         |
|          | Curiosity 5.3: What Is Real Business Cycle Theory?       | 92         |
|          | Media Illustrations                                      | 92         |
|          | Appendix 5.1: Deriving the <i>AD</i> Curve               | 98         |
| <b>6</b> | <b>Growth and Productivity</b>                           | <b>101</b> |
| 6.1      | The Determinants of Growth                               | 102        |
|          | Curiosity 6.1: What Is Endogenous Growth Theory?         | 105        |
| 6.2      | The Productivity Growth Process                          | 106        |
| 6.3      | The Role of National Saving                              | 107        |
|          | Curiosity 6.2: What about Foreign Financing?             | 110        |
| 6.4      | Policy for Growth  | 111        |
|          | Media Illustrations                                      | 112        |
| <b>7</b> | <b>Crowding Out</b>                                      | <b>119</b> |
| 7.1      | Automatic Stabilizers                                    | 120        |
| 7.2      | Financing an Increase in Government Spending             | 122        |
|          | Curiosity 7.1: What Is the Balanced-Budget Multiplier?   | 123        |
|          | Media Illustrations                                      | 124        |
| <b>8</b> | <b>The Money Supply</b>                                  | <b>129</b> |
| 8.1      | What Is Money?   | 130        |
|          | Curiosity 8.1: What Is the Fed?                          | 131        |
|          | Curiosity 8.2: What Is a NOW Account?                    | 133        |
| 8.2      | Fractional Reserve Banking                               | 133        |
|          | Curiosity 8.3: What Are the Legal Reserve Requirements?  | 134        |
| 8.3      | Controlling the Money Supply                             | 135        |
| 8.4      | The Money Multiplier                                     | 135        |
|          | Curiosity 8.4: How Big Is the Money Multiplier?          | 137        |
|          | Media Illustrations                                      | 138        |
|          | Appendix 8.1: What Is a Financial Intermediary?          | 143        |
| <b>9</b> | <b>The Monetarist Rule</b>                               | <b>145</b> |
| 9.1      | The Quantity Theory                                      | 146        |
| 9.2      | The Modern Quantity Theory                               | 146        |
|          | Curiosity 9.1: Does Excess Money Really Affect Spending? | 149        |

|           |  |            |
|-----------|--|------------|
| 9.3       | The Monetarist Rule  | 149        |
|           | Curiosity 9.2: What If Velocity Isn't Constant?                                    | 152        |
| 9.4       | The Rules-versus-Discretion Debate   | 154        |
|           | Curiosity 9.3: Should the Fed Be Independent?                                      | 155        |
|           | Media Illustrations  | 156        |
| <b>10</b> | <b>Monetary Policy and Interest Rates</b>  | <b>167</b> |
| 10.1      | A Multitude of Interest Rates  | 168        |
| 10.2      | Interest Rates and the Price of Bonds  | 168        |
|           | Curiosity 10.1: How Is Yield to Maturity Calculated?                               | 170        |
| 10.3      | Monetary Policy and Interest Rates   | 170        |
| 10.4      | The Transmission Mechanism   | 171        |
| 10.5      | Monetary Policy versus Fiscal Policy   | 172        |
|           | Curiosity 10.2: What Are the Discount and Federal Funds Rates?                     | 173        |
|           | Media Illustrations  | 174        |
|           | Appendix 10.1: All about Bonds   | 182        |
| <b>11</b> | <b>Real versus Nominal Interest Rates</b>  | <b>187</b> |
| 11.1      | Expected Inflation   | 188        |
| 11.2      | The Real Rate of Interest  | 188        |
| 11.3      | The Nominal Rate of Interest   | 190        |
|           | Curiosity 11.1: What Is the Term Structure of Interest Rates?                      | 192        |
| 11.4      | Policy Implications  | 193        |
|           | Curiosity 11.2: Was the Fed Ever Monetarist?                                       | 194        |
|           | Media Illustrations  | 195        |
|           | Appendix 11.1 Eight Applications of Real versus Nominal Interest Rates             | 205        |
| <b>12</b> | <b>Stagflation</b>   | <b>207</b> |
| 12.1      | The Phillips Curve   | 208        |
|           | Curiosity 12.1: What Are New Classicals and New Keynesians?                        | 211        |
| 12.2      | Policy Implications  | 212        |
| 12.3      | Fighting Inflation with Recession  | 213        |
|           | Curiosity 12.2 Why Did the Natural Rate of Unemployment Fall<br>in the Late 1990s? | 214        |
|           | Curiosity 12.3: What Is the Sacrifice Ratio?                                       | 218        |
| 12.4      | Wage-Price Controls  | 218        |

|           |   |            |
|-----------|---|------------|
| 12.5      | Explaining Stagflation                                      | 219        |
|           | Media Illustrations   | 220        |
| <b>13</b> | <b>The Real Cause of Inflation</b>                          | <b>231</b> |
| 13.1      | Losing Control of the Money Supply                          | 232        |
|           | Curiosity 13.1: What Is Hysteresis?                         | 233        |
|           | Curiosity 13.2: What Is Seigniorage?                        | 235        |
|           | Media Illustrations   | 235        |
| <b>14</b> | <b>Budget Deficits and the National Debt</b>                | <b>243</b> |
| 14.1      | Implications of Budget Deficits                             | 244        |
|           | Curiosity 14.1: What Is the Full-Employment Budget?         | 246        |
| 14.2      | The Structural Deficit                                      | 246        |
| 14.3      | Burdening Future Generations                                | 249        |
|           | Curiosity 14.2: What Is Generational Accounting?            | 250        |
|           | Media Illustrations   | 251        |
| <b>15</b> | <b>The Balance of Payments</b>                              | <b>257</b> |
| 15.1      | The Balance of Payments                                     | 258        |
|           | Curiosity 15.1: Where Is the Foreign Exchange Market?       | 259        |
| 15.2      | Determinants of Foreign Exchange Market Activity            | 259        |
| 15.3      | The International Economic Accounts                         | 260        |
|           | Curiosity 15.2: Why Is There More Than One Exchange Rate?   | 261        |
|           | Curiosity 15.3: How Do We Know the Statistical Discrepancy? | 263        |
| 15.4      | The Twin Deficits   | 263        |
|           | Media Illustrations   | 264        |
|           | Appendix 15.1: The Principle of Comparative Advantage       | 271        |
| <b>16</b> | <b>Policy in an Open Economy</b>                            | <b>275</b> |
| 16.1      | International Imbalance with a Flexible Exchange Rate       | 276        |
|           | Curiosity 16.1: What Is the Effective Exchange Rate?        | 277        |
| 16.2      | International Imbalance with a Fixed Exchange Rate          | 277        |
| 16.3      | Fiscal Policy under Flexible Exchange Rates                 | 278        |
| 16.4      | Fiscal Policy under Fixed Exchange Rates                    | 279        |
| 16.5      | Monetary Policy under Flexible Exchange Rates               | 279        |
| 16.6      | Monetary Policy under Fixed Exchange Rates                  | 280        |

|           |   |            |
|-----------|---|------------|
| 16.7      | Sterilization Policy  | 281        |
|           | Curiosity 16.2: What Is the J Curve?                            | 281        |
| 16.8      | Government Influence on the Exchange Rate                       | 282        |
| 16.9      | Fixed versus Flexible Exchange Rates                            | 283        |
|           | Media Illustrations   | 284        |
| <b>17</b> | <b>Purchasing Power Parity</b>                                  | <b>293</b> |
| 17.1      | Inflation with a Fixed Exchange Rate                            | 294        |
|           | Curiosity 17.1: What Was the Bretton Woods System?              | 295        |
| 17.2      | Inflation with a Flexible Exchange Rate                         | 295        |
|           | Curiosity 17.2: What Is the Real Exchange Rate?                 | 296        |
| 17.3      | Purchasing Power Parity   | 297        |
| 17.4      | The PPP Exchange Rate   | 299        |
|           | Media Illustrations   | 300        |
| <b>18</b> | <b>Interest Rate Parity</b>                                     | <b>309</b> |
| 18.1      | Why Are Real Interest Rates Similar in Different Countries?     | 310        |
| 18.2      | Why Approximately?  | 310        |
|           | Curiosity 18.1: Can Monetary Policy Change Real Interest Rates? | 311        |
| 18.3      | Why Not Nominal Interest Rates?                                 | 312        |
|           | Curiosity 18.2: What Is a Forward Exchange Rate?                | 314        |
|           | Media Illustrations   | 315        |
