## CHARTS

### Section

IV. 1. Floating Exchange Rate Regimes: Exchange Rate Developments in Selected Developing Countries, January 1976–June 1986	24
2. External Current Account Developments in Selected Developing Countries, 1981–86	29
3. Consumer Price Developments in Selected Developing Countries, January 1981–September 1986	30

The following symbols have been used throughout this paper:

- ... to indicate that data are not available;
- to indicate that the figure is zero or less than half the final digit shown, or that the item does not exist;
- between years or months (e.g., 1984–85 or January–June) to indicate the years or months covered, including the beginning and ending years or months;
- / between years (e.g., 1985/86) to indicate a crop or fiscal (financial) year.

“Billion” means a thousand million.

Minor discrepancies between constituent figures and totals are due to rounding.
