Series Editors' Preface	vii
Preface and Acknowledgements	viii
Acknowledgements for Illustrations and Epigraphs	xiii
Abbreviations	xv
<b>ONE Introduction</b>	<b>1</b>
Definitions of Islands	1
Distribution of Oceanic Islands	3
Varieties of Oceanic Islands	6
Genetic Classifications of Islands	9
Islands as Unique Geographical Entities	12
<b>TWO Models of Island Formation</b>	<b>15</b>
Introduction	15
Islands and Earth-Surface Development: a Historical Overview	16
Islands at Divergent Plate Boundaries	26
Islands at Convergent Plate Boundaries	33
Islands at Transverse Plate Boundaries	41
Islands in Intraplate Locations	42
Islands and the Expanding Earth	58
Problems of Determining Why Islands Form	63
<b>THREE Origins and Development of Islands</b>	<b>65</b>
Introduction	65
Island Origins and Subsea Development	65
Subaerial Development of Islands	92
Eruptive Products	105
<b>FOUR Island Tectonics</b>	<b>112</b>
Introduction	112
Isostasy and Islands	113
Plate-Boundary Tectonics	115
Intraplate Tectonics	128
Nature of Vertical Movements	133

<b>FIVE</b>	<b>Influence of Climate on Island Environments</b>	<b>144</b>
	Introduction	144
	Atlantic Ocean Island Climates	145
	Indian Ocean Island Climates	151
	Pacific Ocean Island Climates	154
	Irregular Climatic Phenomena	159
	Island Palaeoclimates	170
<b>SIX</b>	<b>Island Landscapes</b>	<b>185</b>
	Unique Properties of Island Landscapes	185
	Volcanic Island Landscapes	187
	Limestone Island Landscapes	196
	Composite ( <i>Makatea</i> ) Island Landscapes	204
	Island Landscapes Dominated by Uplift	206
	Island Landscapes Affected by Subsidence	224
<b>SEVEN</b>	<b>Low Coral Islands and Reefs</b>	<b>227</b>
	Introduction	227
	Types of Reef	229
	Types of Low Reef Island	243
	Quaternary Coral-Reef Development	254
<b>EIGHT</b>	<b>Sea Level and Islands</b>	<b>259</b>
	Introduction	259
	Tertiary Sea-Level Changes	262
	Pleistocene Sea-Level Changes	267
	Holocene Sea-Level Changes	279
	Causes of Sea-Level Change around Oceanic Islands	299
<b>NINE</b>	<b>Biota and Island Environments</b>	<b>305</b>
	Introduction	305
	Effects of Island Environments on Non-Human Biota	306
	Non-Human Biotic Factors in Island Environment Change	310
	Controls on Human Behaviour by Island Environments	317
	Effects of Humans on Island Environments	326
<b>TEN</b>	<b>Prospects for Island Environments</b>	<b>355</b>
	Appendix: Locations of Islands	358
	Further Reading	365
	References	366
	Index	402
