|---|-----------|
| <b>PART ONE A FRAMEWORK FOR STRATEGIC CHANGE</b>  | <b>1</b>  |
| <b>Chapter 1. Strategic Change Management:<br/>Organizational Development Redefined</b> | <b>3</b>  |
| Introduction, 3   |           |
| Improving Change Management, 5  |           |
| The Need for New Models, 7  |           |
| Ongoing Organizational Dilemmas, 9  |           |
| Some Assumptions and Definitions, 14  |           |
| When Strategic Change Becomes Necessary, 18   |           |
| Overview of Coming Chapters, 20   |           |
| Appendix, 22  |           |
| <b>Chapter 2. Organizational Models</b>   | <b>37</b> |
| Introduction, 37  |           |
| Why Models Are Needed to Overcome Managerial Myths, 37                                  |           |
| Formal Organizational Models for Change, 42   |           |
| Conclusion, 49  |           |
| Appendix, 50  |           |
| <b>Chapter 3. The Role of Social Networks</b>   | <b>69</b> |
| Introduction, 69  |           |
| The Network Model, 70   |           |
| The Components of the Model, 74   |           |
| Conclusion, 94  |           |
| Appendix, 94  |           |

|   |            |
|---|------------|
| <b>Chapter 4. Organizational Model: Dynamic Aspects</b>                         | <b>117</b> |
| Introduction, 117   |            |
| Change Over Time, 118   |            |
| Strategic Alignment, 124  |            |
| Interrelationships Between Model Components, 126                                |            |
| Overall Technical, Political, and Cultural Alignment, 137                       |            |
| Conclusion, 138   |            |
| Appendix, 138   |            |
| <br>  |            |
| <b>PART TWO STRATEGIC ISSUES:<br/>DIAGNOSIS AND STRATEGY DEVELOPMENT</b>        | <b>145</b> |
| <br>  |            |
| <b>Chapter 5. Diagnosis for Change</b>  | <b>147</b> |
| Introduction, 147   |            |
| Diagnosis: Three Orientations, 152  |            |
| Analysis of Alignment, 164  |            |
| Conclusion, 168   |            |
| <br>  |            |
| <b>Chapter 6. Application of Diagnostic Strategy</b>                            | <b>169</b> |
| Introduction, 169   |            |
| Two Case Examples, 169  |            |
| Diagnosis as Part of the Change Process, 178                                    |            |
| Resources Required for In-Depth Organizational<br>Diagnosis, 181                |            |
| Conclusion, 183   |            |
| <br>  |            |
| <b>Chapter 7. Change Strategy</b>   | <b>185</b> |
| Introduction, 185   |            |
| Development of Integrated Technical, Political, and<br>Cultural Strategies, 187 |            |
| Case Examples, 188  |            |
| Guidelines for Developing a Change Strategy, 193                                |            |
| Conclusion, 202   |            |
| <br>  |            |
| <b>Chapter 8. Technical Change Strategies</b>                                   | <b>203</b> |
| Introduction, 203   |            |
| The Environmental/Mission and Strategy Interface, 204                           |            |
| Changing People as a Change Strategy, 220                                       |            |
| Emergent Networks, 225  |            |
| Conclusion: Guidelines for Technical Strategy<br>Development, 225               |            |

|   |            |
|---|------------|
| <b>Chapter 9. Political Change Strategies</b>                       | <b>227</b> |
| Introduction, 227   |            |
| Developing Political Strategies, 231                                |            |
