

Stability of plates
of elastic-plastic material.

Table of contents.

	Preface	
1.	Introduction.	4 - 5
2.	Stress and strain measures for flat plates.	6 - 11
3.	Material models.	12 - 23
4.	Full non-linear finite element equations for an elastic-plastic plate.	24 - 32
5.	Asymptotic solution for an imperfect elastic plate subjected to in-plane load.	33 - 54
6.	Determination of the stability load for an elastic-plastic plate.	55 - 74
7.	Post-buckling and imperfection sensitivity of elastic-plastic plates.	75 - 100
8.	Conclusions.	101 - 102
9.	References.	103 - 106
10.	English summary.	107 - 108
11.	Danish summary.	109 - 110
