Contents

Chapter 1 The destination of asylum movements:

An introduction	1
1. Refugee studies	1
2. Aim of the research project and research questions	2
The concept of asylum seeker	2
The concept of choice	4
Research questions	5
3. Research methods	5
Survey of the existing literature	5
Analysis of available statistics	6
Interviews with key informants	7
4. Plan of the study	10

Chapter 2 The destination of asylum movements:

Theoretical perspectives and available data	11
1. Typologies	11
2. Factors causing, directing and shaping migration flows	14
Push-pull factors	14
Economic factors	15
Historical-political factors	16
Social factors	17
The migration-systems approach	18
3. Available data on refugees and asylum seekers	18
Empirical research on the choice of the country of asylum	19
4. Analytical framework	23
Links between countries of origin and countries of destination	24
Characteristics of countries of destination (either real or perceived by asylum seekers and their 'agents')	24
Events during flight	25

Chapter 3 Patterns of origin and destination:

The figures	27
1. Origins and destinations: The general pattern	27
Destination countries	28
Factors determining the distribution within the European Union	29
Regions and countries of origin	31

2. Origins and destinations: Specific patterns.....	33
The importance of former colonial ties.....	37
Exceptions.....	38
Other cases (with no colonial ties).....	39
Results of a multivariate analysis.....	40
3. Changes in the patterns of origin and destination.....	41
Germany.....	41
Denmark.....	42
France.....	42
The Netherlands.....	43
Italy.....	44
Spain.....	44
Sudden influxes.....	44
Conclusion.....	45

Chapter 4 Key informants on factors influencing the destination of asylum seekers.....

Chapter 4 Key informants on factors influencing the destination of asylum seekers.....	47
1. Do asylum seekers have a choice of country?.....	48
2. Ties between country of origin and country of destination.....	52
Colonial links.....	52
Language and culture.....	55
Friends, family and existing community.....	56
Political ties between countries.....	58
Trade, travel and religion.....	59
3. Characteristics and image of the countries of destination.....	60
Visa requirements.....	60
Asylum procedure and recognition rates.....	62
Reception facilities and the right to work pending a decision.....	64
Economic opportunities.....	69
Human-rights reputation.....	70
5. Events during the flight.....	71
Accessibility.....	71
Chance.....	72
Travel agents.....	73
6. Conclusion.....	76

Chapter 5 Conclusion.....

Chapter 5 Conclusion.....	79
1. Country of asylum by choice or by chance?.....	79
2. Links between country of origin and country of destination.....	81
Three important links.....	81
Political relations.....	82

Minimal importance of religion, cultural exchange and trade.....	82
3. Characteristics and image of countries of destination	83
Rumours	83
Democratic image	84
Asylum policy	85
Economic opportunities	86
4. Events during the flight.....	87
Geographical situation: Germany and the United Kingdom	87
Travel agents	88
Chance	88
5. Some closing theoretical considerations.....	89
6. Some final remarks on policy.....	90
Appendix 1: Statistics with regard to asylum applications.....	93
Appendix 2: Notes on the statistics used in this study.....	99
Appendix 3: Results of the statistical analyses.....	101
Appendix 4: List of key informants and information on the interviews.....	107
Appendix 5: Topic list used for the interviews with key informants	111
Appendix 6: Rank ordering of factors by key informants.....	113
