Compendium's objectives	17
Author's note	21
A. OVERVIEW OF PLANNING SYSTEM	23
General summary	23
Principles	23
Historical background	24
Plan levels in Belgium	25
Spatial planning in a federal State	25
The 1962 Spatial Planning Act	25
Planning instruments in the 1990s	29
Planning and development	33
Sources and further information	33
Context and principles	33
Constitution, legislation and judicial system	33
Constitution	33
Judicial system	34
Legislation	34
Sources and further information	35
Development process and market circumstances	35
Development process	35
Sources and further information	36
Economic development	36
Economic development	36
Sources and further information	36
Environmental policy	36
Environmental policy	36
Sources and further information	37
European Union	38
Impact of the European Union on planning	38
Cross-border cooperation	39
Sources and further information	39
Flexibility versus certainty	39
Contents of spatial plans	39
Review of spatial plans	39
Deviation from spatial plans	39
Sources and further information	39
Government structure and powers	40
Government structure	40

Powers.....	45
Spatial planning powers.....	46
Implications of constitutional reforms on spatial planning and policies.....	47
Sources and further information.....	47
Land policy, land quality and building quality.....	48
Land policy.....	48
Land quality.....	48
Building quality.....	49
Sources and further information.....	49
Plan led/development led.....	49
Plan led versus development led.....	49
Sources and further information.....	49
Political priorities.....	50
Flemish Region.....	50
Walloon Region.....	50
Brussels Capital Region.....	50
Sources and further information.....	51
Political system, administrative system and public participation.....	51
Administrative system.....	51
Political system.....	52
Public participation.....	52
Sources and further information.....	53
Population and statistics.....	53
Population characteristics.....	53
Statistics.....	54
Trends	55
Central power — local power.....	55
Flemish Region.....	55
Walloon Region.....	55
Brussels Capital Region.....	55
Sources and further information.....	55
Flexibility versus certainty.....	55
Flexibility versus certainty.....	55
Sources and further information.....	56
Government structure.....	56
Government structure.....	56
Sources and further information.....	56
Policy trends.....	56
Policy trends.....	56
Issues which will affect the planning system in Belgium.....	57
Creation of cross-border regions.....	58
Cross-border issues.....	59
Sources and further information.....	60
B. MAKING AND REVIEWING PLANS AND POLICIES	61
Summary	61
Policy institutions	62
National Government.....	62
Federal government.....	62
Federal departments.....	62
<i>Arbitragehof/Cours d'Arbitrage</i> (Court of Arbitration).....	62
<i>Raad van State/Conseil d'Etat</i> (State Council).....	63
Regional government (three Regions).....	63
Regional Council.....	63
Regional government.....	63
Administration of spatial planning and housing.....	64
Deconcentrated spatial planning departments.....	64
Regional government organisations.....	64
Regional advisory committees.....	64
Town Planning Council (Brussels Region only).....	65

Provincial level (10 provinces).....	65
Provincial Council.....	65
Permanent deputation.....	65
Spatial planning responsibilities.....	65
Provincial spatial planning services.....	65
Local government.....	65
Municipal level.....	65
Municipal Council.....	65
Council of mayor and aldermen.....	66
Spatial planning responsibilities.....	66
Municipal advisory committee.....	66
Municipal consultation committee (Brussels Region only).....	66
Municipal spatial planning services.....	67
Other organisations.....	67
Policy instruments.....	76
National level.....	76
Regional level.....	76
Structure plan for Flanders.....	76
Walloon regional structure plan.....	76
Brussels Regional Development Plan.....	77
Brussels Regional Destination Plan.....	78
Sub-regional level.....	78
Sub-regional plan.....	78
Provincial level.....	80
Provincial spatial structure plan.....	80
Local level.....	80
<i>Gemeentelijk structuurplan</i> (Flemish Region).....	80
<i>Algemeen plan van aanleg</i> (Flemish Region).....	81

Municipal development plan (Brussels Capital Region).....	82
Particular destination plan.....	82
<i>Schéma-directeur</i>	83
Technical plans.....	83
Expropriation plan.....	83
Alignment plan.....	83
Parcelling plan.....	83
Building plan.....	83
Other instruments.....	84
Building regulations.....	84
Environment impact assessment (EIA).....	84
Control and sanctioning of violations.....	84
Expropriation.....	84
Development rights.....	85
Sources of further information.....	85
C. REGULATIONS AND PERMITS.....	87
Summary.....	87
Building permit.....	87
Good spatial planning.....	87
Basis for appeal.....	88
Main permit.....	89
Application for the permit.....	90
Contents.....	90
Process.....	90
Costs.....	91
Processing a permit.....	91
Process.....	91
Permit process in the Flemish and Walloon Region.....	91

Permit process in the Brussels Capital Region	96
Duration	97
Consultation	97
Automatic approval	98
Compensation	98
Conditions related to the permit	98
Circumstances	98
Status	99
Scope	99
Rights of appeal	99
Conditions and grounds of appeal	99
Process of appeal	99
Administrative appeal possibilities by applicant	100
Administrative appeal possibilities by CMA and DO	100
Appeal to the State Council	101
Appeal with judicial courts	101
Other permits	101
Demolition of a building	101
Perform a renovation	101
Convert a building	101
Deforestation	101
Changing the relief	101
Cutting down single tall trees	107
Cutting down or modifying remarkable trees and hedges	107
Exploitation of or changing the vegetation of heaths and peat	107
Construction of storage space for used cars or metal scrap	107
Installation of movable constructions	107
Shop signs or advertising devices	107
Actions identified by a municipal regulation	107
Permit to allow small changes	107
Permit to allow plantations	107
Works on listed buildings, landscapes, townscapes or archaeological sites	107
Permit to allow the construction of a golf terrain	107
Parcelling permit	108
Exceptions	108
Exception of permit obligation	108
Autonomous power of municipalities	108
Departures from plan/changes to plan	109
Deviation from the plan in order to approve a development proposal	109
Deviation from the plan in order to disapprove a development proposal	110
Enforcement procedures	110
Administrative measures	110
Sanctions	111
Area of regulation	111
Unauthorised use and development	111
Sources and further information	112
D. AGENCIES AND MECHANISMS FOR DEVELOPMENT AND CONSERVATION	113
Summary	113
Development	113
Conservation	114
Environment and nature conservation	114
Pollution and waste management	114
Countryside conservation, urban conservation and monuments	114

Development	115
Regional economic development.....	115
Regional development corporations (RDCs).....	115
Regional investment corporations (RICs).....	116
Regional socioeconomic councils (RSECs).....	116
Local economic development.....	117
Intermunicipal cooperation.....	117
Sources and further information.....	118
Urban regeneration.....	118
Regional housing corporations (RHCs).....	118
Sources and further information.....	119
