<i>List of Figures</i>	x
<i>List of Tables</i>	xi
<i>List of Abbreviations</i>	xii
<i>Notes on Contributors</i>	xiv
 1. Introduction	 1
<i>Günther G. Schulze and Heinrich W. Ursprung</i>	
1.1. International Environmental Economics	2
1.2. Environmental Economics and the Nation State	4
1.3. Structure of the Book	8
 2. International Trade, Investment, and the Environment: Theoretical Issues	 15
<i>Günther G. Schulze and Heinrich W. Ursprung</i>	
2.1. Introduction	15
2.2. Classification of Models	16
2.3. Commodity Trade and Environment	18
2.4. Factor Mobility	32
2.5. Summary	41
 3. The Empirical Evidence on Trade, Investment, and the Environment	 45
<i>Günther G. Schulze and Heinrich W. Ursprung</i>	
3.1. Introduction	45
3.2. "Environmetrics"	46
3.3. The Influence of Environmental Policy on the Pattern of Trade	48
3.4. The Influence of the Trade Regime on the Environment	52
3.5. Environmental Control and the Relocation of Industries	58
3.6. Summary	61
 4. The Political Economy of International Trade and the Environment	 62
<i>Günther G. Schulze and Heinrich W. Ursprung</i>	
4.1. The Political-Economic Interrelation Between Trade and Environmental Policy	62
4.2. The Influence of Environmental Concerns on Endogenous Trade Policy Formation	64

4.3. Simultaneous Determination of Trade and Environmental Policies	68
4.4. The Influence of Economic Integration on Endogenous Environmental Policy Formation	73
4.5. Factor Mobility	77
4.6. The Empirical Evidence	80
4.7. Summary	82
5. Trade, Agriculture, and Environment	84
<i>David E. Ervin</i>	
5.1 Introduction	84
5.2. Impacts of Agricultural Trade Liberalization on Environmental Quality	86
5.3. Impacts of Agri-Environmental Programs on Trade	95
5.4. Complementary Trade and Environmental Institutions for Agriculture	109
5.5. Conclusions	111
6. International Trade and Sustainable Forestry	114
<i>Edward B. Barbier</i>	
6.1. Introduction	114
6.2. Current Trends in the Global Forest Products Trade and Deforestation	115
6.3. Market Access and New Barriers to the Forest Products Trade	119
6.4. Certification and Labeling: Can They Promote Sustainable Forestry?	127
6.5. Implementing Sustainable Forestry	135
6.6. Financing Sustainable Forestry	143
6.7. Conclusion	146
7. International Trade in Hazardous Waste	148
<i>Michael Rauscher</i>	
7.1. Introduction	148
7.2. Trade in Hazardous Waste: Some Stylized Facts and the Institutional Framework	149
7.3. Factor Abundance and the Patterns of Trade	151
7.4. Gains and Losses from Trade	153
7.5. Changes in Environmental Policy Following the Liberalization of Trade in Hazardous Waste	156
7.6. Effects of Changes in Environmental Regulation and the Design of Optimal Environmental Policies	157
7.7. Imperfectly Competitive Markets	158
7.8. Restrictions on Trade in Hazardous Waste	159
7.9. Conclusions	164

8. Environmental Taxation in Open Economies: Trade Policy Distortions and the Double Dividend	166
<i>Sjak Smulders</i>	
8.1. Introduction	166
8.2. Lessons from the Double Dividend Literature	168
8.3. The Role of Terms of Trade Improvements	176
8.4. International Feedback Effects and Global Welfare	178
8.5. Conclusions and Areas for Further Research	181
9. Sustainable Growth in Open Economies	183
<i>Lucas Bretschger and Hannes Egli</i>	
9.1. The Dynamic Perspective: International Sustainability	183
9.2. Natural Resources and Economic Growth	187
9.3. Growth in Open Economies	196
9.4. Trade, Growth, and the Environment	198
9.5. Empirical Evidence	202
9.6. Lessons and Open Issues	203
10. Incentives for International Environmental Cooperation: Theoretical Models and Economic Instruments	209
<i>Carsten Schmidt</i>	
10.1. Introduction	209
10.2. The Choice of the Internalization Instrument	212
10.3. Internal Stabilization	217
10.4. External Stabilization	221
10.5. Unilateral Measures	233
10.6. Flexibility and Framework Provisions	237
10.7. Conclusions and Outlook	238
11. Governing the Global Environmental Commons: The Political Economy of International Environmental Treaties and Institutions	241
<i>Roger Congleton</i>	
11.1. Introduction	241
11.2. Some Background Facts: A Digression on the Recent History of Environmental Treaties	243
11.3. What Kinds of Treaties Do Nations Negotiate?	247
11.4. Who Signs Environmental Treaties?	253
11.5. Overview and Conclusion	260
<i>References</i>	264
