Contents

Foreword	v
Preface	vii
Abbreviations	ix
1. The Looming Crisis in Sub-Saharan Africa's Coastal and Marine Environments	1
Economic and Environmental Benefits from Coastal and Marine Ecosystems	2
Threats to the Coastal and Marine Environment: From Micro Decisions to Global Climate Trends	4
New Approaches Needed	12
2. The Need for Improved Coastal Management: A Call to Action	13
Pioneering Applications of Integrated Coastal Management in Sub-Saharan Africa	15
Moving from Piecemeal to Integrated Approaches	17
3. World Bank Support for Coastal and Marine Resource Management: Achievements and Shortcomings	19
4. Experience to Date with Integrated Coastal Management	23
5. A Strategic Agenda for ICM	27
Identifying Operational Goals and Principles	28
Determining Priorities for Investment	29
6. Implementing ICM Programs: The Way Forward	33
Strengthening the Institutional Core	34
Improving the Quality of Life in Coastal Communities	35

Promoting Sustainable Management of Fragile Ecosystems	36
Promoting Partnerships between the Public Sector, the Private Sector, and Civil Society	38
Conclusion: Tailoring ICM to Country Development Needs	41
Appendix A	44
Appendix B	46
Bibliography	51
Notes	56
Tables	
1 Estimated Coastal Populations, Selected Countries of East Africa, 2001	5
2 Criteria for ICM Interventions	30
Boxes	
1 The World's Coastal Ecosystems under Siege	3
2 Threats to Fisheries and Biodiversity in East Africa	11
3 What Is Integrated Coastal Management?	13
4 Key Objectives of the African Process for the Development and Protection of the Marine and Coastal Environment in Sub-Saharan Africa	15
5 Main Recommendations from the 2001 Paris Conference on the Sustainable Development of Oceans and Coasts	16
6 SEACAM's Guidelines for Coastal Activities	20
7 Distance Learning for Empowerment: The DLIST Initiative	22
8 Strategic Environmental Assessment: A Powerful Planning Instrument	35
9 Poverty Reduction through Sustainable Coastal Management in South Africa	37
10 Promoting Partnerships for Sustainable Coastal Management in Mozambique	40
Maps	
1 Sub-Saharan Africa Coastal Urbanization	6
2 Africa: Population Growth.....	8
3 East African Marine Ecoregion.....	39
