# Contents

## **1. Supply Chain Management**

Overview .....	1
Introduction .....	1
What SCM Is Not .....	2
Business Process Management .....	5
A Conceptual Framework of Supply Chain Management .....	8
Supply Chain Network Structure .....	8
Supply Chain Management Processes .....	13
Types of Business Process Links .....	15
The Requirement for Standard Business Processes .....	17
The Management Components of Supply Chain Management .....	18
Mapping the Supply Chain .....	21
Implementing Supply Chain Management .....	22
Conclusions .....	23

## **2. The Customer Relationship Management Process**

Overview .....	25
Introduction .....	25
Customer Relationship Management as a Supply Chain Management Process .....	27
The Strategic Customer Relationship Management Process .....	29
Review Corporate and Marketing Strategies .....	30
Identify Criteria for Categorizing Customers .....	30
Provide Guidelines for the Degree of Differentiation in the Product and Service Agreement .....	30
Develop Framework of Metrics .....	31
Develop Guidelines for Sharing Process Improvement Benefits with Customers .....	34
The Operational Customer Relationship Management Process .....	36
Differentiate Customers .....	36
Prepare the Account/Segment Management Team .....	37
Internally Review the Accounts .....	38
Identify Opportunities with the Accounts .....	38
Develop the Product and Service Agreement .....	39
Implement the Product and Service Agreement .....	39
Measure Performance and Generate Profitability Reports .....	39
Conclusions .....	40

### **3. The Customer Service Management Process**

Overview .....	41
Introduction .....	41
Customer Service Management as a Supply Chain Management Process .....	43
The Strategic Customer Service Management Process .....	47
Develop Customer Service Management Strategy .....	47
Develop Response Procedures .....	49
Develop Infrastructure for Implementing Response Procedures .....	51
Develop Framework of Metrics .....	51
The Operational Customer Service Management Process .....	53
Recognize Event .....	54
Evaluate Situation and Alternatives .....	54
Implement Solution .....	55
Monitor and Report .....	55
The Operational Customer Service Management Process at Shell UK .....	56
Recognize Event .....	56
Evaluate Situation and Alternatives .....	56
Implement Solution .....	57
Monitor and Report .....	57
Conclusions .....	58

### **4. The Demand Management Process**

Overview .....	59
Introduction .....	59
Demand Management as a Supply Chain Management Process .....	60
The Strategic Demand Management Process .....	61
Determine Demand Management Goals and Strategy .....	62
Determine Forecasting Procedures .....	63
Plan Information Flow .....	65
Determine Synchronization Procedures .....	66
Develop Contingency Management System .....	69
Develop Framework of Metrics .....	69
The Operational Demand Management Process .....	71
Collect Data/Information .....	71
Forecast .....	71
Synchronize .....	72
Reduce Variability and Increase Flexibility .....	73
Measure Performance .....	75
Conclusions .....	76

### **5. The Order Fulfillment Process**

Overview .....	77
Introduction .....	77
Order Fulfillment as a Supply Chain Management Process .....	78
The Strategic Order Fulfillment Process .....	79
Review Marketing Strategy, Supply Chain Structure and Customer Service Goals .....	80
Define Requirements for Order Fulfillment .....	81
Evaluate Logistics Network .....	82
Define Plan for Order Fulfillment .....	83
Develop Framework of Metrics .....	85
The Operational Order Fulfillment Process .....	86

Generate and Communicate Order .....	88
Enter Order .....	89
Process Order .....	89
Handle Documentation .....	90
Fill Order .....	90
Deliver Order .....	90
Perform Post-Delivery Activities and Measure Performance .....	91
Conclusions .....	91

## **6. The Manufacturing Flow Management Process**

Overview .....	93
Introduction .....	93
Manufacturing Flow Management as a Supply Chain Management Process .....	95
The Strategic Manufacturing Flow Management Process .....	97
Review Manufacturing, Sourcing, Marketing, and Logistics Strategies .....	98
Determine Degree of Manufacturing Flexibility Required .....	101
Determine Push/Pull Boundaries .....	104
Identify Manufacturing Constraints and Determine Capabilities .....	106
Develop Framework of Metrics .....	108
The Operational Manufacturing Flow Management Process .....	110
Determine Routing and Velocity through Manufacturing .....	110
Manufacturing and Material Planning .....	111
Execute Capacity and Demand .....	112
Measure Performance .....	113
Conclusions .....	114

## **7. The Supplier Relationship Management Process**

Overview .....	115
Introduction .....	115
Supplier Relationship Management as a Supply Chain Management Process .....	117
The Strategic Supplier Relationship Management Process .....	118
Review Corporate, Marketing, Manufacturing and Sourcing Strategies .....	118
Identify Criteria for Categorizing Suppliers .....	119
Provide Guidelines for the Degree of Differentiation in the Product and Service Agreement .....	120
Develop Framework of Metrics .....	121
Develop Guidelines for Sharing Process Improvement Benefits with Suppliers .....	123
The Operational Supplier Relationship Management Process .....	124
Differentiate Suppliers .....	125
Prepare the Supplier/Segment Management Team .....	126
Internally Review the Supplier/Supplier Segment .....	127
Identify Opportunities with the Suppliers .....	127
Develop the Product and Service Agreement and Communication Plan .....	127
Implement the Product and Service Agreement .....	128
Measure Performance and Generate Supplier Cost/Profitability Reports .....	128
Conclusions .....	129

## **8. The Product Development and Commercialization Process**

Overview .....	131
Introduction .....	131
Types of Product Development Projects .....	132
Product Development and Commercialization as a Supply Chain Management Process .....	134
The Strategic Product Development and Commercialization Process .....	135
Review Corporate, Marketing, Manufacturing and Sourcing Strategies .....	135
Develop Idea Generation and Screening Procedures .....	137
Establish Guidelines for Cross-Functional Product Development Team Membership .....	137
Identify Product Rollout Issues and Constraints .....	138
Establish New Product Project Guidelines .....	139
Develop Framework of Metrics .....	139
The Operational Product Development and Commercialization Process .....	141
Define New Products and Assess Fit .....	141
Establish Cross-Functional Product Development Team .....	141
Formalize New Product Development Project .....	143
Design, Build and Test Prototypes .....	143
Evaluate Make/Buy Decision .....	144
Determine Channels .....	144
Rollout Product .....	145
Measure Performance .....	145
Conclusions .....	146

## **9. The Returns Management Process**

Overview .....	147
Introduction .....	147
Types of Returns .....	148
Consumer Returns .....	149
Marketing Returns .....	149
Asset Returns .....	149
Product Recalls .....	150
Environmental Returns .....	150
Summary .....	150
Defining Returns Management .....	151
Returns Management as a Supply Chain Management Process .....	152
The Strategic Returns Management Process .....	153
Determine Returns Management Goals and Strategy .....	153
Develop Returns Avoidance, Gatekeeping and Disposition Guidelines .....	156
Develop Returns Network and Flow Options .....	159
Develop Credit Rules .....	160
Determine Secondary Markets .....	160
Develop Framework of Metrics .....	161
The Operational Returns Management Process .....	162
Receive Return Request .....	162
Determine Routing .....	163
Receive Returns .....	164
Select Disposition .....	164
Credit Customer/Supplier .....	165
Analyze Returns and Measure Performance .....	165
Conclusions .....	166

## **10. Developing and Implementing Partnerships in the Supply Chain**

Overview .....	167
Introduction .....	167
What is a Partnership? .....	169
Development of the Model .....	171
The Partnership Model .....	172
Preparing for Meeting .....	174
The Partnership Meeting .....	175
Application of the Model .....	192
Establishing a New Partnership .....	192
Diagnosing an Existing Relationship .....	193
Strengthening a Key Relationship .....	194
Creating a Common Partnership Vision .....	194
Institutionalizing the Partnership Process .....	194
Conclusions .....	196

## **11. Supply Chain Management Performance Measurement**

Overview .....	197
Introduction .....	197
Problems with Existing Metrics .....	198
Why Supply Chain Metrics .....	203
Relationship Between Supply Chain Metrics and Strategy .....	204
Framework for Developing Supply Chain Management Metrics .....	207
Map the Supply Chain .....	209
Analyze Each Link .....	209
Develop Profit and Loss Statements .....	211
Realign Supply Chain Management Processes .....	212
Align Non-Financial Measures with P&Ls .....	214
Compare Across Firms and Replicate .....	215
Conclusions .....	216

## **12. Implementing Supply Chain Management**

Overview .....	217
Introduction .....	217
Process-Based Frameworks for Supply Chain Management .....	218
The GSCF Framework .....	218
The Supply-Chain Operations Reference (SCOR) Framework .....	219
Strengths and Weaknesses of the Two Frameworks .....	220
Focus .....	221
Strategic Alignment .....	221
Breadth of Activities .....	222
Cross-Functional Involvement .....	223
Process and Performance Benchmarking .....	225
Value Creation .....	226
Guidelines for Implementing the GSCF Framework .....	227
Assessment of the Supply Chain Management Processes .....	227
Using the GSCF Assessment Tools .....	229
Change Management .....	232

Conclusions .....	235
Apendix A:	
Assessment Tool for the Customer Relationship Management Process.....	236
Apendix B:	
Assessment Tool for the Customer Service Management Process.....	246
Apendix C:	
Assessment Tool for the Demand Management Process.....	257
Apendix D:	
Assessment Tool for the Order Fulfillment Process.....	269
Apendix E:	
Assessment Tool for the Manufacturing Flow Management Process.....	281
Apendix F:	
Assessment Tool for the Supplier Relationship Management Process.....	291
Apendix G:	
Assessment Tool for the Product Development and Commercialization Process .	301
Apendix H:	
Assessment Tool for the Returns Management Process .....	320
Author Index .....	333
Company Index.....	339
Subject Index .....	341
