CONTENTS

Preface v

PART I INTRODUCTION 1

CHAPTER

- 1** An Overview of Marketing Management 3
- The Significance of the Marketing Concept 3
 - The Characteristics of Marketing Problems 7
 - The Decision-Making Process in Marketing 10
 - Summary and Conclusions 22
- 2** The Development of Marketing Plans 23
- Marketing Planning Within the Context of the Firm 25
 - Marketing as a System 28
 - The Planning Model 29
 - A Case Study of the Use of Marketing Planning 49

PART II BEHAVIOR IN THE MARKETPLACE 57

- 3** Consumer-Behavior Models 59
- Stochastic Models 60
 - Descriptive Models 65
 - Some Comments on Descriptive Consumer-Behavior Models 80
 - Summary and Conclusions 85
- 4** Market Segmentation by Cultural, Demographic, and Social-Class Groupings 87
- Conditions for Optimal Segmentation 89

CHAPTER

| | | |
|----------|--|------------|
| | Alternative Methods of Segmentation | 90 |
| | The Adoption Process: Segmentation Over Time | 103 |
| 5 | Market Segmentation Using Behavioral Measures | 109 |
| | Use Behavior | 111 |
| | Personality Traits | 114 |
| | Attitudes | 115 |
| | Combining Attitudes With Use Behavior | 127 |
| | Allocating Resources to Segments | 131 |
| | Summary and Conclusions | 132 |
| 6 | Geographic Market Potentials | 135 |
| | Market Potential Defined | 137 |
| | Measurement of Absolute Potential | 141 |
| | Measurement of Relative Potential | 146 |
| | Estimation of Potentials by Multiple Regression | 154 |
| | Summary and Conclusions | 160 |
| 7 | Conditional Forecasts and Marketing-Simulation Models | 161 |
| | The Marketing Decision-Making Process | 162 |
| | Subobjectives and Conditional Sales Forecasts | 163 |
| | First-Level Determinants of Sales | 166 |
| | Second-Level Determinants of Sales | 173 |
| | Marketing-Simulation Models | 176 |
| | Summary and Conclusions | 182 |

PART III**USING MARKETING RESOURCES 185**

| | | |
|----------|---|------------|
| 8 | The Allocation of Marketing Resources | 187 |
| | Resource-Allocation Principles | 189 |
| | The Marginality Principle | 192 |
| | Optimization in More Than One Market Segment | 193 |
| | Optimization of More Than One Controllable Variable | 200 |
| | Average Versus Marginal Responses | 203 |

CHAPTER

| | | |
|-----------|---|------------|
| | Marginal Analysis Versus Profile Matching | 205 |
| | Linear Programming | 206 |
| | The Creative Element in Marketing | 211 |
| | Summary and Conclusions | 217 |
| 9 | Uncertainty in Marketing Decisions | 218 |
| | Probabilities as Measures of Uncertainty | 220 |
| | Structuring the Decision | 226 |
| | Expected Values as Criteria for Decision-Making | 228 |
| | Values for Comparing Alternatives | 232 |
| | Summary and Conclusions | 242 |
| 10 | The Collection of Marketing Information | 244 |
| | The Value of Marketing Information | 246 |
| | The Bayesian Approach to Evaluating Marketing Information | 247 |
| | Specifying the Information Required | 254 |
| | Data Sources | 254 |
| | Research Design | 256 |
| | Alternative Ways of Collecting Data | 261 |
| | Other Steps in the Data-Collection Process | 264 |
| | Analyses of Marketing-Research Data | 267 |
| | Summary and Conclusions | 269 |

PART IV**MARKETING STRATEGIES 271**

| | | |
|-----------|--|------------|
| 11 | Product Strategy: Idea Generation Through Product Testing | 274 |
| | The Product Program | 275 |
| | Organization for New Products | 277 |
| | Developing Product Strategy | 279 |
| | Searching for New-Product Ideas | 284 |
| | Screening New-Product Ideas | 286 |
| | Designing the Product | 292 |

CHAPTER

| | | | |
|-----------|--|-----|------------|
| | Product Testing | 298 | |
| | Summary and Conclusions | 302 | |
| 12 | Product Strategy: Test Marketing, Commercialization, and Monitoring | | 303 |
| | Test Marketing | 303 | |
| | The Adoption Process | 316 | |
| | The Product Life Cycle | 317 | |
| | Some Further Comments About Product Life Cycle | 326 | |
| | Summary and Conclusions | 326 | |
| 13 | Pricing Strategy | | 329 |
| | The Influence of the Market on Pricing Policies | 329 | |
| | Models for Price-Setting | 332 | |
| | Practical Approaches to the Administration of Prices | 340 | |
| | Strategic Issues in Pricing | 346 | |
| | The Measurement of Price Effects | 351 | |
| | Summary and Conclusions | 356 | |
| 14 | Channels Strategy: Defining Objectives and Functions | | 358 |
| | The Relationship of the Firm's Channels Strategy to Other Strategies | 359 | |
| | Factors Affecting Channels Decisions | 366 | |
| | Starting with the Consumer | 371 | |
| | Summary and Conclusions | 375 | |
| 15 | Channels Strategy: Designing and Implementing the Channels System | | 377 |
| | Determinants of Channels Length | 378 | |
| | Determining the Number and Type of Middlemen at Each Level | 380 | |
| | Establishing Relationships with Middlemen | 384 | |
| | Administering the Channels System | 387 | |
| | Appraisal and Control | 389 | |
| | Legal Aspects of Channels Relationships | 391 | |

CHAPTER

| | | | |
|-----------|---|-----|------------|
| | Trends in Distribution | 393 | |
| | Summary and Conclusions | 394 | |
| 16 | Personal-Selling Strategy: The Role of the Sales Force | | 395 |
| | Determining the Role of the Sales Force | 397 | |
| | The Sales Organization | 402 | |
| | Allocating the Sales Force | 405 | |
| | Summary and Conclusions | 419 | |
| 17 | Personal-Selling Strategy: Managing the Sales Force | | 421 |
| | Recruiting | 422 | |
| | Sales Training | 425 | |
| | Compensation | 429 | |
| | Motivation and Supervision | 432 | |
| | Evaluation and Control | 435 | |
| | Summary and Conclusions | 440 | |
| 18 | Advertising Strategy: Objectives and Appeals | | 442 |
| | The Promotional Mix | 442 | |
| | Advertising Objectives | 444 | |
| | The Communication Process | 455 | |
| | The Source | 458 | |
| | The Message | 461 | |
| | Summary and Conclusions | 472 | |
| 19 | Advertising Strategy: Media Choices and Budgets | | 473 |
| | Advertising Media | 473 | |
| | Models for Media Planning | 480 | |
| | Advertising Budgets | 484 | |
| | Estimating the Response of Sales to Advertising | 489 | |
| | A Model for Budgeting Advertising | 497 | |
| | Summary and Conclusions | 505 | |

PART V**MARKETING ORGANIZATION AND CONTROL 507**

| | | | |
|-----------|--------------------------------------|-----|------------|
| 20 | Physical-Logistics Management | | 509 |
| | The Physical-Logistics Function | 509 | |

CHAPTER

| | | |
|-----------|---|------------|
| | Design Considerations for Distribution Systems | 511 |
| | Inventory Management | 519 |
| | The Management of Transportation Flows | 525 |
| | Warehouse Location Decisions | 527 |
| | Dynamic Characteristics of the System | 535 |
| | Summary and Conclusions | 539 |
| 21 | The Marketing Organization | 541 |
| | Organizational Implications of the Marketing Environment | 542 |
| | The Marketing Department as Part of the Total Organization | 544 |
| | An Overview of Basic Marketing Organizational Types | 545 |
| | Functional Marketing Organizations | 546 |
| | Product-Manager Organizations | 547 |
| | Market-Manager Organizations | 556 |
| | General-Manager Organizations | 557 |
| | Combined Market-Manager and Product-Manager Organizations | 558 |
| | Summary and Conclusions | 559 |
| 22 | Marketing-Information Systems | 561 |
| | Marketing Research and Marketing-Information Systems | 565 |
| | Some Uses of Marketing-Information Systems | 566 |
| | Building a Marketing-Information System | 571 |
| | Computer Authority | 577 |
| | Organizational Problems and Successful Information Systems | 582 |
| | Summary and Conclusions | 583 |
| 23 | Marketing Management and the Seventies | 585 |
| | Consumerism Defined and Elaborated | 585 |
| | Implications of Environmental Change for Marketing Strategies | 587 |
| | Summary and Conclusions | 592 |
