List of illustrations	xi
List of tables	xi
Notes on the contributors	xiii
Preface	xvii
1. An inductive theoretical framework for coalitional behaviour: political parties in multi-dimensional perspective in Western Europe (Geoffrey Pridham)	I
(a) The importance of multi-dimensional approaches in coalition analysis	I
(b) Coalitional behaviour dynamics and the study of party systems: establishing contextual linkages	4
(c) An inductive theoretical framework for the analysis of coalitional behaviour	14
Appendix. The multi-dimensional framework: political parties and coalitional behaviour in Western Europe	24
Notes	29
2. Between theoretical elegance and political reality: deductive models and cabinet coalitions in Europe (Michael Laver)	32
(a) The static nature of most formal theories	33
(b) The general assumption of rationality	34
(c) Four main <i>a priori</i> assumptions examined	35
(d) Conclusions	42
Notes	43
References	43

3.	Changing coalitional preferences among West German parties (Ursula Hoffmann-Lange)	45
	(a) Introduction	45
	(b) Data base	48
	(c) Coalitional preferences of voters	49
	(d) Coalitional preferences of elites	55
	(e) Party support and the choice of coalitional strategies	59
	(f) The change in 'coalitional climate' between 1972 and 1981/2	61
	(g) Policy positions	64
	(h) Conclusion	67
	Notes	68
	References	69
4.	The FDP and coalitional behaviour in the Federal Republic of Germany: multi-dimensional perspectives on the role of a pivotal party (David Broughton and Emil Kirchner)	72
	(a) Introduction	72
	(b) The political background	74
	(c) The historical dimension	75
	(d) The institutional dimension	77
	(e) The motivational dimension	78
	(f) The horizontal/vertical dimension	81
	(g) The internal party dimension	84
	(h) The socio-political dimension	86
	(i) The environment/external dimension	88
	(j) Conclusion	89
	Notes	90
	References	91
5.	Cabinet stability in the French Fourth Republic: the Ramadier coalition government of 1947 (Eric C. Browne and Dennis W. Gleiber)	93
	(a) Political events and cabinet stability	94
	(b) An events conceptualisation of cabinet stability	96
	(c) Events in the French Fourth Republic: the Ramadier government	100
	(d) Events and the stability of the Ramadier government	100
	(e) A short history of the Ramadier government	101
	(f) Interpretation and conclusion	110
	Appendix 1. Glossary of political parties and groups	113
	Appendix 2. The Ramadier coalition cabinet of 1947	114
	References	116
6.	Coalition formation and maintenance in Belgium: a case-study of elite behaviour and changing cleavage structure, 1965-1981 (Chris Rudd)	117
	(a) Introduction	117

(b) Historical influences	118
(c) Institutional constraints	122
(d) Intra-party and intra-family relationships	127
(e) Motivation and maintenance	135
(f) Conclusion	139
Appendix. Abbreviations	141
Notes	142
References	142
7. The Dutch Christian Democratic party and coalitional behaviour in the Netherlands: a pivotal party in the face of depillarisation (Jan de Jong and Bert Pijnenburg)	145
(a) The political landscape	145
(b) Coalition-making in the Netherlands: formal theories	148
(c) Coalitions, cabinets, crises	150
(d) Depillarisation and the Christian Democratic party	154
(e) The CDA and its coalitional behaviour: a conclusion	166
Notes	168
References	169
8. Coalition or Fianna Fail? The politics of inter-party government in Ireland (Michael Laver and Michael D. Higgins)	171
(a) Introduction	171
(b) A brief history of coalition in Ireland	172
(c) The institutional dimension	176
(d) What motivates politicians to enter government?	180
(e) The central-local relationship in Irish coalition politics	184
(f) Internal party influences on coalition politics in Ireland	184
(g) The socio-political context of coalition in Ireland	187
(h) Environmental and external effects on coalition politics	193
(i) Conclusion: general features of the Irish case	196
Notes	196
References	196
9. Italy's party democracy and coalitional behaviour: a case-study in multi-dimensionality (Geoffrey Pridham)	198
(a) Introduction: the problem of one-dimensionality	198
(b) The limited relevance of formal coalition theories for Italian politics	201
(c) Historical patterns of Italian coalitions	205
(d) The institutional framework of Italian coalitions	210
(e) Motivation in Italian coalitional behaviour: problems of strategy, ideology and power	213
(f) Horizontal/vertical channels of coalition politics	219

viii *Contents*

	(g) The internal party dimension: elite control or elite constraints?	221
	(h) Socio-political factors in Italian coalitional behaviour	224
	(i) Environmental and external influences on Italian coalitions	226
	(j) Conclusion	228
	Notes	229
10.	Party coalitions in the first democratic period in Spain, 1977-1982 (Jordi Capó)	232
	(a) The neglect of coalition studies in Spain	232
	(b) Along the paths of formal coalition theory	234
	(c) Hypothetical coalitions and the historical dimension	237
	(d) Coalitional behaviour and the overriding motivational dimension	240
	(e) Conclusions	247
	Appendix. Party full names	249
	Notes	249
11.	Coalitional theory and practice in Scandinavia (John Fitzmaurice)	251
	(a) The Scandinavian area and coalition politics	251
	(b) The applicability of formal coalition theories	254
	(c) The need for a broader approach to Scandinavian coalitions	259
	(d) Political culture and behavioural norms in Scandinavian coalitions	263
	(e) Motivation in Scandinavian coalition politics: variations on a broad theme	264
	(f) Coalition politics and electoral considerations	268
	(g) Internal party factors and coalition politics	274
	(h) Conclusion	275
	Appendix. Abbreviations	276
	Notes	277
12.	Multi-dimensional approaches to the study of local coalitions: some cross-national comparisons (Colin Mellors and Patricia Brearey)	278
	(a) Prospects and pitfalls of studying local coalitions	278
	(b) Party coalitions in local government	280
	(c) Institutional dimension	284
	(d) Motivational factors in local coalitions	288
	(e) Vertical/party-internal dimensions	289
	(f) Concluding comments	292
	Notes	294

13. Research notes	296
(a) A note on the empirical analysis of coalition policy (Michael Laver)	296
(b) An events conceptualisation of cabinet stability: a research programme (Eric C. Browne and Dennis W. Gleiber)	298
Notes	305
References	305
