

ED A. HEWETT

**Energy, Economics,
and Foreign Policy
in the Soviet Union**

THE BROOKINGS INSTITUTION
Washington, D.C.

Contents

1. Overview	1
The Soviet Energy Problem	2
Worldwide Consequences of Soviet Energy Problems	7
Resource Allocation in the Soviet Economy	9
The Performance of the Soviet Economy	15
Economic Reform, Economic Performance, and Energy	20
2. Soviet Energy Supplies	24
Energy Reserves	27
Overview of Primary Energy Production, 1960–82	31
The Primary Fuel Industries	42
Energy Supplies and the Economy	98
3. Soviet Energy Consumption in World Perspective	100
Trends in the Soviet Union	102
Nonsystemic Factors in Energy-Conservation Prospects	110
Systemic Factors in Energy-Conservation Prospects	129
4. The Energy Balance	144
The Energy Balance and the Economy	144
The Energy Balance since 1960	149
Soviet Energy Trade	152
Energy Plans for 1985	166
Feasibility of the 1985 Plans	178
Implications of the Energy-Balance Projections for Soviet Energy Exports	187
5. Energy and Foreign Policy	193
The Influence of Foreign Policy on the Soviet Energy Sector	197
The Influence of the Economy on Soviet Foreign Policy	201
The Soviet Union in World Energy Markets	214
Issues for U.S. Policy toward the Soviet Union	220
Index	223

Tables

1-1. Energy Production, Consumption, and Net Trade in the Soviet Union, Selected Years, 1960-82	3
1-2. Average Annual Real GNP Growth Rates for the United States, Europe, and the Soviet Union, by Quinquennia, 1961-80	15
2-1. Soviet Primary Energy Production, Selected Years, 1960-82	32
2-2. Soviet Investments in Primary Energy Production and in the Economy, Selected Years, 1960-82	36
2-3. Soviet Investments in the Energy Sector and Increments to Energy Output, 1966-80	41
2-4. Gross and Net Additions to Productive Capacity and Output in the Soviet Oil Industry, 1961-85	48
2-5. <i>Regional Output of Crude Oil in the USSR</i> , Selected Years, 1930-80	50
2-6. Oil and Gas Drilling in the USSR, 1970-85	56
2-7. Regional Distribution of Soviet Natural Gas Production, Selected Years, 1950-85	68
2-8. Planned and Actual Output for Urengoi, 1978-82	71
2-9. Gross and Net Additions to Productive Capacity and Output in the Soviet Coal Industry, 1961-85	85
2-10. Output of Coal by Region in the USSR, Selected Years, 1940-85	86
2-11. Soviet Electric Power Production, Total, Nuclear, Hydro, Selected Years, 1970-85	96
3-1. National Income Indexes and Simplified Soviet Energy Balances, 1960-82	103
3-2. Energy Consumption in the Soviet Union, the United States, and the European Community, 1970, 1980	105
3-3. Energy-Demand Accounts for the United States, Western Europe, and the Soviet Union, 1970, 1980	107
3-4. Soviet Energy Conservation Results Realized or Planned, 1980, 1985, 1990	124
4-1. Soviet Energy Balances, Selected Years, 1960-82	150
4-2. Soviet Exports to the Developed West, by Main Product Group, Selected Years, 1960-81	153
4-3. Soviet Oil Exports to the West, 1971-82	155
4-4. Soviet Natural Gas Exports to the West, 1971-81	157
4-5. Soviet Exports to Socialist Countries, by Main Product Group, 1975, 1981	160
4-6. Soviet Oil Exports to CMEA, 1971-82	163
4-7. Soviet Natural Gas Exports to CMEA, 1971-81	165
4-8. Soviet Macroeconomic and Energy Indicators, Actual and Planned, 1971-85	170
4-9. Soviet Investments by Major Sector, 1971-85	176
4-10. Soviet Energy Balance for 1980, 1985, and 1990, Actual, Plan, and Projected	179

CONTENTS	xi
4-11. Capital Costs in Soviet Electric Power, 1976-85	183
4-12. Soviet Energy Exports to CMEA and Other Countries, 1980, 1985, 1990	188
5-1. Terms of Trade of Eastern Europe and All Soviet Hard-Currency Trade Partners with the USSR, 1971-82	204
5-2. Eastern Europe's Net Energy Imports from the World and the USSR, 1979	207
5-3. National Income Average Annual Growth Rates, Selected Countries, 1970-82	209
5-4. Oil Exports of Major World Exporters, 1981	214
5-5. World Gas Trade, 1981	218
 Figures	
1-1. Annual Growth Rates of Soviet Energy Production and Consumption, 1961-82	4
1-2. Annual Soviet GNP Growth Rates, 1961-81	16
1-3. Soviet Hard-Currency Balance of Payments, 1960-81	18
2-1. Soviet Petroleum Basins, Gas Fields, and Coal Basins	30
2-2. Average Daily Petroleum and Condensate Production in the USSR, by Month, January 1976-June 1983, Trend and Actual	44
2-3. Average Daily Natural Gas Production in the USSR, by Month, January 1976-June 1983, Trend and Actual	66
2-4. Average Daily Coal Output in the USSR, by Month, January 1976-June 1983, Trend and Actual	84
