Contents

<i>List of Tables and Figures</i>	vii
<i>Preface</i>	xi
<i>Notes on the Contributors</i>	xiii
Part I General Issues	
1 Alternative Development Strategies: An Overview <i>Frances Stewart, Sanjaya Lall and Samuel Wangwe</i>	3
2 Structural Adjustment and Long-term Development in SubSaharan Africa <i>G. K. Helleiner</i>	48
3 African Agricultural Development Strategies <i>Carl K. Eicher</i>	79
4 Structural Problems of African Industry <i>Sanjaya Lall</i>	103
5 Rural Industries and Rural Linkages in SubSaharan Africa: A Survey <i>M. S. D. Bagachwa and Frances Stewart</i>	145
6 Small-scale Industries in Africa: Dynamic Issues and the Role of Policy <i>Carl Liedholm</i>	185
Part II Country Case Studies and the Development of Technological Capability	
7 Manufacturing Sector Development in Zimbabwe and the Côte d'Ivoire <i>Roger Riddell</i>	215
8 Building Indigenous Technological Capacity in African Industry: An Overview <i>Samuel Wangwe</i>	238
9 Ivorian Industry at the Cross-roads <i>Lynn Mytelka</i>	243
10 Building Indigenous Technological Capacity: A Study of Selected Industries in Tanzania <i>Samuel Wangwe</i>	265

11	Building Indigenous Technological Capacity in African Industry: The Nigerian Case <i>John F. E. Ohiorhenuan and I. D. Poloamina</i>	294
Part III Organisation of Production		
12	Public Enterprises and Industrialisation in Africa <i>John Knight</i>	321
13	The Past Record and Future Potential of Foreign Investment <i>Laurence Cockcroft</i>	336
14	The Advance of African Capital: The Growth of Nigerian Private Enterprises <i>Tom Forrest</i>	368
15	Joint Ventures and Autonomous Industrial Development: The Case of the Côte d'Ivoire <i>Giorgio Barba Navaretti</i>	402
16	The Prospects for Intra-regional Trade Growth in Africa <i>Chandra Hardy</i>	426
	<i>Bibliography</i>	445
	<i>Index</i>	468

List of Tables and Figures

Tables

1.1	IMF and World Bank programmes, low-income African economies, 1980s	5
1.2	Indicators of neglect of agriculture – selected countries	9
1.3	Agricultural performance – selected countries	10
1.4	Deindustrialisation in SSA in the 1980s	15
1.5	Structure of exports, selected countries	30
1.6	Demand elasticities for selected commodities	32
1.7	Indicators of short-term policy response, SSA	38
1.8	Government expenditure, SubSaharan Africa	40
2.1	Progress in human capital, SubSaharan Africa, 1965–84/6	50
2.2	Per capita GNP and GDP growth rates, SubSaharan Africa, 1965–80, 1980–8	52
2.3	SubSaharan Africa's 'problem' countries	55
2.4	Real effective exchange rate indices, SubSaharan Africa, 1982–9	57
2.5	Export of goods and non-factor services as percentage of GDP	65
2.6	Trade policy orientation in selected SubSaharan countries – 1960s to 1980s	66
2.7	Syrquin–Chenery typology of trade patterns, SubSaharan African countries, 1950–83	66
2.8	Real minimum wages in selected African countries since 1976	69
2.9	Real wage trends in selected African countries since 1980	70
2.10	Real wage rates, manufacturing and overall, Kenya, 1974–88	70
2.11	Savings and investment rates, 1965–88, SubSaharan Africa	74
4.1	Gross enrolment ratios in education	117
A4.1	Share of manufacturing value-added in GDP	133
A4.2	Manufacturing value-added (MVA) in SubSaharan Africa	134
A4.3	Manufacturing value-added per capita in SubSaharan Africa	135
A4.4	Manufactured export performance of selected African countries	137
A4.5	Educational attainment in SubSaharan Africa	138
A4.6	Tertiary level students in technical fields	140
A4.7	Pupils enrolled in vocational education	142
A4.8	Technological effort in sample African countries	143
5.1	Urbanisation and spatial distribution in SubSaharan Africa	148
5.2	Magnitude and composition of rural employment	150

5.3	Percentage of non-agricultural income in total rural income in SubSaharan Africa	151
5.4	Size distribution of rural manufacturing firms by employment in Africa	153
5.5	Capital investment in African rural industries	154
5.6	Capital composition of rural industries	154
5.7	Sources of finance for initial investment by small enterprises in selected African countries	155
5.8	Social benefit–cost ratios for small and large firms	161
5.9	Estimates of excess capacity in African rural non-farm enterprises	162
5.10	Marginal budget shares by per capita expenditure decile in Gusau, 1976–7	164
5.11	Expenditure, elasticities, marginal propensities to consume by income class and commodity origin, Sierra Leone	165
5.12	Marginal factor requirements by income class	168
5.13	Income distribution in some African countries	169
5.14	Land distribution in Africa	170
5.15	Characteristics of agriculture in SSA and other developing regions, 1982–4	171
5.16	Estimates of forward and backward linkages	174
5.17	Problems facing rural industries	177
5.18	Indicators of infrastructure: selected African countries	179
5.19	Electricity sales per capita in Tanzania regions, 1981	180
6.1	Distribution of employment in manufacturing by firm size – Africa	186
6.2	Composition of employment in small-scale manufacturing establishments – Africa	188
6.3	Annual growth rate of numbers of manufacturing firms by firm size	192
6.4	Annual growth of manufacturing employment by firm size	193
6.5	Annual manufacturing firm birth rates by size of locality	196
6.6	Annual manufacturing firm mortality rates, by firm size	197
6.7	Distribution of dead small firms by two-year age intervals – India and the United States	199
6.8	Origins of modern small and medium private manufacturing firms	202
7.1	Summary characteristics of manufacturing by subsector, mid-1980s	228
9.1	Share of firms functioning ‘satisfactorily’ in a survey of 345 African manufacturing enterprises	245
9.2	Foreign direct investment in the Côte d’Ivoire, 1972–83	247
9.3	The six complexes in the sugar industry	249

9.4	Production, capacity utilisation and exports of cement: three-year averages, 1975–87	254
10.1	Cement production, 1966–88	285
10.2	Estimated rated capacity for production of clinker	286
10.3	Production trends of farm implements	286
10.4	Production of sugar	287
10.5	Pre-tax profit of farm implements factories	288
11.1	Sugar cane cultivation: planned and developed hectareage, 1988	307
11.2	Sugar processing capacity: planned, installed and utilised, 1987–8	307
11.3	Capacity utilisation, 1964–88	308
11.4	Cement production capacity in Nigeria	309
11.5	Total cement production and supply in Nigeria	310
11.6	Sources and types of technology supplied	311
12.1	Characteristics of successful and unsuccessful public enterprises	328
13.1	Interregional comparison of the stock of investment in LDCs, 1975–82	338
13.2	Contribution of DFI to the balance of payments of Nigeria, 1976–86	343
13.3	Kenya: private investment flows, 1979–86	344
13.4	Investments in Africa and other ACP area countries in 1986 by EC-based development finance corporations	358
14.1	Some acquisitions by the Ibru Organisation	377
14.2	Ibru joint ventures	378
14.3	Motor parts industry at Nnewi	386
14.4	The growth and diversification of a transport company: the Ekene Dili Chukwu Group	391
14.5	J. Nwankwo Group of Companies	392
14.6	Industrial investment by leading Kano businessmen, end 1984	394
15.1a	Distribution of the sample by classes of local nominal control	408
15.1b	Evolution of local nominal control	408
15.2a	Distribution of the sample by classes of local decision-making (directors)	409
15.2b	Evolution of the local decision-making (directors)	409
15.3a	Distribution of the sample by classes of local decision-making (directors and managers)	409
15.3b	Evolution of the local decision-making (directors and managers)	409
15.4	Relation between <i>Cra</i> and <i>Crb</i>	410
15.5	Relation between <i>Cn</i> and <i>Cr</i>	411
15.6	Distribution of the sample by sector of activity	415

15.7	Sample of firms interviewed	415
15.8	Per cent distribution of local decision-making ('day by day', strategic and potential) by firm and by function inside each firm	417
15.9	The determinants of local decision-making at the firm level	420
16.1	Patterns of trade	429
16.2	ECOWAS: shares of intra-regional trade	430
16.3	CEAO: regional trade subject to preferences	432
16.4	PTA tariff reductions	433
16.5	SADCC: regional trade flows	434
16.6	Intra-SADCC trade by SITC sections	434
16.7	Intra-SADCC present major commodities flows	436

Figures

1.1	Export prices for five major SubSaharan African export commodities, 1961–87	31
2.1	Developing countries: real effective exchange rates, 1979–first quarter 1989	56
14.1	Change in the organisation of the Modandola Group in the 1980s	382
14.2	The Dantata family	394
