Preface	xiii
1 Industrial and trade cooperation: An overview	1
Introduction	1
The evolution of regional cooperation	5
Cooperation and integration	5
Approaches to cooperation and integration	7
Approaches to regional cooperation in Africa	12
Regional cooperation in Eastern Africa	15
The context of the study	17
Notes and references	20
2 The theory and practice of regional cooperation in developing countries	26
Introduction	26
The orthodox theory and developing countries	27
Cooperation among developing countries:	
Policy issues	31
Comparative advantage, regional specialisation and investment	32
Equity in distribution of costs and benefits	33

The methods of promoting equity: A closer look	34
Influencing industrial location through fiscal incentives	36
Regional industrial policy and planned industrial specialisation	37
External influences on regional cooperation:	
Foreign investments and the role of TNCs	39
Conclusion	43
Notes and references	46
3 Historical background to industrial and trade cooperation in the East African community	52
Introduction	52
Economic objectives of colonialism	53
The origins of the East African common market and its early operation	56
The impact of the customs union on the development of trade and industry in East Africa in the colonial period	60
Industrial development in the colonial period	62
Industrial development	70
Independence and East African industrial and trade cooperation	72
The World Bank recommendations and industrial cooperation	74
Inequalities between the states and post-independence corrective measures	78
Conclusion	83
Notes and references	84
4 Industrial and trade cooperation in the East African community: 1967-1977	91
Introduction	91
Industrial and trade imbalances	92
Treaty provisions for industrial cooperation	94
Industrial development under the treaty: 1967-1977	101
The impact of the treaty provisions on balancing industrial development and regional trade	104
Why did industrial cooperation fail in the EAC?	118
Conclusion	121
Notes and references	121
5 Industrial and trade coordination in the Southern African Development Coordination Conference	128
Introduction	128
Background	129
The evolution of industrial and trade cooperation	133
The economic context in which SADCC was formed	138
The export-import structure and external vulnerability	141

SADCC trade with South Africa	153
Transnational corporations and their role in intra-SADCC trade	156
The objectives and assumptions of the approach to industrial cooperation	157
Possibilities and methods of coordination	160
The planning approach in practice: A closer look at the medium-term plan of action	162
Implementing the medium-term plan: The Maseru industrial action programme	164
Projects presented at the Maseru Donor Conference: January, 1983	166
Priorities in projects selection	169
Trade cooperation	170
Conclusion	174
Notes and references	175
6 Industrial and trade cooperation in the preferential trade area for Eastern and Southern Africa	186
Introduction	186
The historical evolution of the PTA	187
The economic setting of the PTA member states	189
Organisational structure of the PTA	199
Trade liberalisation in the PTA	201
PTA's approach to trade liberalisation	206
Methods of trade liberalisation	208
Reduction and elimination of non-tariff barriers	210
The PTA clearing and payments arrangements	212
Trade under the multilateral clearing house	214
Cooperation in the field of industrial development	217
Distribution of costs and benefits in the PTA	222
Conclusion	225
Notes and references	226
7 Industrial and trade cooperation: Prospects	231
Introduction	231
Regional cooperation and integration and the orthodox theory	232
Misconceptions and alternatives	234
Notes and references	239
Selected bibliography	241

List of tables

3.1	Import duty revenue: Uganda	57
3.2	Destination of exports	61
