Contents

Acknowledgments	vii
Acronyms and Abbreviations	ix
Executive Summary	xi
1. Introduction	1
Objectives of the Study	1
Methodology	2
Socio-Economic Context and Education Trends.....	2
Macroeconomic Trends	3
Poverty Profile	5
2. Overview of Youth Employment and Training.....	8
Introduction.....	8
Youth Involvement in the Labor Market.....	8
Youth Unemployment and Joblessness.....	10
Determinants of Youth Employment Outcomes.....	15
Incidence of Training	17
Human Capital Levels and Youth Labor Market Outcomes.....	21
Summary of Recommendations	24
3. Children’s Work and Schooling	26
Introduction.....	26
Involvement in Employment.....	26
Determinants of Children’s Time Use	33
Summary of Recommendations	35
4. Provision of Technical and Vocational Education and Training	37
Introduction.....	37
Provision of Technical and Vocational Education and Training	37
Financing of Education	44
Recent TVET Reforms.....	47
Analysis of the TVET Sector	51
Summary of Recommendations	61
5. Recommendations	63
Introduction.....	63
Recommendations for Policy Makers.....	63
TVET Level Recommendations	65

Appendixes.....	73
Appendix A: Computation of Sampling Weights for The Gambia Household Surveys	75
Appendix B: Determinants of Children’s Employment and Schooling	78
Appendix C: Children’s Work and Child Labor.....	83
Appendix D: Organizational Structure of the GTTI.....	84
Appendix E: Training Needs Assessment Examination of the Scarcity of Skills.....	85
Appendix F: The NTA’s Functional Structure.....	90
Appendix G: Experience with Training Funds in World Bank-Financed Projects in Sub-Saharan Africa.....	91
Appendix H: Terms of Reference for the Study to Redesign the Training Levy	94
References.....	97
