

# Proper use of African natural coagulants for rural water supplies

Research in the Sudan and  
a guide for new projects

Samia Al Azharia Jahn

## Table of Contents

Foreword	5
Preface and Acknowledgements	9
1 Annual fluctuations in raw water quality (Blue Nile, White Nile, Green-Belt Irrigation Canal)	15
2 Water treatment with traditional plant coagulants and clarifying clays	65
3 Special microbiological and toxicological studies on water purification and water storage	159
4 Cultivation of Moringa trees	233
5 Introducing domestic water treatment to rural people	299
6 Practical guide to domestic water coagulation and hygienic water storage	381
Appendix	499
1 The importance of <u>Moringa ovalifolia</u> as a potential coagulant crop	503
2-4 Vernacular names ( <u>Moringa oleifera</u> , other <u>Moringaceae</u> and less known plants tested as flocculating plant materials)	506
List of tables	521
List of figures	524
List of colour plates	528
Subject index	529
