Preface	xiv
Introduction: Displacement in Africa—Conceptual and Practical Concerns <i>Yntiso D. Gebre and Itaru Ohta</i>	1
Part 1: Refugees and Reintegration of Returnees	15
1 No Solutions in Sight: The Problem of Protracted Refugee Situations in Africa <i>Jeff Crisp</i>	17
Introduction	17
Africa's long-term refugees	17
Causes of protracted refugee situations	18
Characteristics of protracted refugee situations in Africa	22
The human consequences	30
Survival strategies	36
Responding to protracted refugee situations	42
2 Coping with Displacement: Social Networking among Urban Refugees in an East African Context <i>Roos Willems</i>	53
Introduction	53
Research setting and sample population	55
Fending for oneself	57
Social networks	59
Ways of meeting alters and support received	62
Supportive ties and homophilous relationships	64
Policy reflections and recommendations	69
3 The Uncertainties of the Child Soldier Experience and Subsequent Reintegration into Civil Society <i>Art Hansen</i>	78
Introduction	78
The rights of children in armed conflict	81
How many children are soldiers?	83
Risk and uncertainty	84

The education of children in civil and military societies	86
Demobilization and reintegration	94
Three programmatic choices	101
Uncertain reception in the community	107
Conclusion	108
<b>4 Belonging, Displacement, and Repatriation of Refugees: Reflections on the Experiences of Eritrean Returnees</b> <i>Gaim Kibreab</i>	116
Introduction	116
Statement of the problem	116
Territorial belonging in nationalist movements	120
Belonging and liberal theory	123
Local peoples' perspectives on territorial belonging	128
Repatriation of refugees and belonging	133
The ambiguous meaning of home: The experience of Eritrean returnees from Sudan	140
Repatriation of Eritrean refugees: Donor responses, risks, opportunities and coping strategies	143
Eritrean returnees' choice of destination	148
Exile, social change, development of co-operative networks and choice of destination	151
Conclusion	155
<b>5 Returnees in Their Homelands: Land Problems in Rwanda after the Civil War</b> <i>Shin'ichi Takeuchi and Jean Marara</i>	162
Introduction	162
Rwandan political change and refugees	164
Research method and research sites	167
Division of land between the two sets of 'returnees': The case of Rukara	174
Increase of land disputes: The case of Kibingo	179
Land problems and local authority	182
Concluding remarks	184
<b>Part 2: Development- and Conservation-Induced Displacement</b>	193
<b>6 Concept and Method: Applying the IRR Model in Africa to Resettlement and Poverty</b> <i>Michael M. Cernea</i>	195
Introduction	195
I. Africa's accelerating development and displacements	199

II. The impoverishment risks and reconstruction model	201
III. Risk-oriented resettlement research in Africa	205
IV. Sector specificities: Displacement by the mining industry	207
V. Urban resettlement: Can risk analysis highlight successes?	212
VI. Personal and common property losses in displacement	217
VII. Poverty risks to hosts: Population transfers in Ethiopia	219
VIII. War-caused displacements and the IRR model	226
IX. Displacements from African parks: The poverty argument for changing park-creation policies	231
X. Major dams: Scudder's IRR analysis of displacement's impoverishing effects	235
XI. Brief conclusions	239
7 Some Socio-Economic Risks and Opportunities Relating to Dam- Induced Resettlement in Africa <i>Chris de Wet</i>	259
Introduction: A brief overview of dam-induced resettlement in Africa	259
A framework for locating the sources of risks and opportunities relating to dam-induced resettlement in Africa	260
Some specific risks and opportunities operating in the context of dam-induced resettlement in Africa	263
Conclusion: Catering for complexity by keeping options open for as long as possible	277
8 The Environmental Risks of Conservation Related Displacements in Central Africa <i>Kai Schmidt-Soltau</i>	282
Introduction	282
Method and case study design	283
Impoverishment through biodiversity conservation	289
Conclusion/Recommendation	302
Part 3: Implications of In-migration for Host Populations	313
9 Multiple Socio-Economic Relationships Improvised between the Turkana and Refugees in Kakuma Area, Northwestern Kenya <i>Itaru Ohta</i>	315
Introduction	315
Background	316
Multiple relationships between the Turkana and refugees	323
Concluding remarks	331
