MANAGING THE ADOPTION OF NEW TECHNOLOGY

DAVID A. PREECE

ROUTLEDGE
London and New York

Contents

List of Figures ix
List of Tables xi
Preface xiii
Acknowledgements xv

1. Introduction 1
   Outline of the book 7
   A note on the case study chapters and methodology 8

PART ONE: ADOPTING NEW TECHNOLOGY

2. New Technology Objectives 13
   Introduction 13
   Why is new technology introduced? Research findings 15
   Classifying objectives for new technology 51
   Discussion 57
   References 61
3. Adopting New Technology – Managerial Strategies 69
   Introduction 69
   Managerial strategy and new technology adoption 71
   Stages in new technology adoption 89
   References 93
4. Adopting New Technology – Involvement and Contexts 99
   Introduction 99
   Managers and technical and engineering specialists 99
   Employees 102
   The contexts of new technology adoption 126
   References 133

PART TWO: CASE STUDIES

5. Bramley Building Society 143
   Introduction 143
   The organization and its context 144
   The technological changes 151
   Objectives in adopting new technology 153
   The process of adoption of new technology 156
   The management of social and organizational aspects of the adoption process 159
   References 163

6. Park Hill Building Society 165
Introduction 165
The organization 165
The technological changes 177
Objectives in adopting new technology 182
The process of adoption of new technology 184
The management of social and organizational aspects of the adoption process 187
References 189
7. Don Ltd 190
The organization and its context 190
The technological changes 200
Objectives in adopting new technology 201
The process of adoption of new technology 203
The management of social and organizational aspects of the adoption process 209
References 215
8. Meadows & Butler 217
The organization and its context 217
The technological changes 223
Objectives in adopting new technology 224
The process of adoption of new technology 230
The management of social and organizational aspects of the adoption process 238
References 242

PART THREE: CONCLUSION

9. Conclusion 245
Introduction 245
Objectives 245
Contexts 256
Strategy 258
Employee involvement 262
Role of technology suppliers 266
In conclusion 267
References 268

APPENDICES

1. Systems rationalization – some potential problems 271
2. Computer redesign – some potential benefits 272

Bibliography 273
Index 284

Figures

3.1 Whipp and Clark's framework of innovation 80
3.2 Stages in new technology adoption 90
4.1 Theoretical perspectives on participative job redesign in the office 118–19
6.1 Park Hill Building Society, part-organization chart (as at March 1987) 168–9
7.1 Don Ltd, part-organization chart, 1973–81 197
7.2 Don Ltd, part-organization chart, January 1982 to date 198
8.1 Meadows & Butler; part-organization chart – late 1985 to June 1987 221
A1 Systems rationalization – some potential problems 271
A2 Computer redesign – some potential benefits 272
