CHAPTER ONE: Introduction

Main Issues Examined.....	2
Objectives and Goals of Technology Policy.....	6
Technical and Engineering Inputs.....	10
Managerial and Decision Making Inputs Involved in the Technology Transfer Process.....	15
A Case for Efficient Management of Technology Transfer.....	18
Management of Technical Change.....	21
Acquisition and Accumulation of Technological and Managerial Capability.....	28

CHAPTER TWO: Technology Policy for Development in Kenya

Introduction.....	30
Macro-Objectives for Development.....	30
Over-view of Macro-Economic Performance, 1960s-80s.....	31
Science and Technology for Development.....	36
Comments on Kenya's Science and Technology Policy.....	38

CHAPTER THREE: Technology Policy for Development in Tanzania

Introduction.....	44
Economic Growth Path: 1961-1980s.....	44

Structural Adjustment Programme (SAP): 1982-85.....	49
Economic Recovery Programme 1986/87-1988/89.....	50
The Economic and Social Action Programme (ESAP).....	51
Technology Policy for Development	52
Comments.....	54

CHAPTER FOUR: Technology Policy for Development in Zambia

Introduction.....	68
Zambia's Development Objectives.....	68
Economic Growth: 1960s-1980s.....	69
Efforts Towards Developing a Technology Policy in Zambia.....	71
Comments.....	75

CHAPTER FIVE: Technology Policy for Development in Zimbabwe

Introduction.....	77
Economic Development 1980s-1990s.....	77
Technology Policy for Development.....	79
Comments.....	82

CHAPTER SIX: Failure to Develop Explicit Technology Policies for Development

Introduction.....	86
Failure to Design Explicit Technology Policies.....	86
Perspectives About Technology, Technology Policy and Development.....	90
Conclusion.....	94

CHAPTER SEVEN: Conclusion: Challenges and Recommendations

Introduction.....	96
Main Findings.....	96
