1987*

## ***CONTENTS***

<b>Acknowledgements</b>	1
<b>Preface</b>	3
<b>Charts of Phonetic Symbols</b>	5
<b>Maps of Languages Referred to in the Text</b>	8
<b>Chapter One – Introduction</b>	11
1.1 The Nature of Linguistic Relationships	11
1.2 Attitudes to Language Change	18
<b>Chapter Two – Types of Sound Change</b>	25
2.1 Lenition	26
2.2 Sound Addition	32
2.3 Metathesis	34
2.4 Fusion	35
2.5 Unpacking	37
2.6 Vowel Breaking	38
2.7 Assimilation	39
2.8 Dissimilation	47
2.9 Abnormal Sound Changes	47
<b>Chapter Three – Expressing Sound Changes</b>	57
3.1 Writing Rules	57
3.2 Ordering of Changes	64
<b>Chapter Four – Phonetic vs Phonemic Change</b>	71
4.1 Phonetic Change without Phonemic Change	71
4.2 Phonetic Change with Phonemic Change	73
4.3 Phonemic Change without Phonetic Change	79
<b>Chapter Five – The Comparative Method</b>	89
5.1 Sound Correspondences and Reconstruction	89
5.2 Reconstruction of Conditioned Sound Changes	103
5.3 The Reality of Proto-languages	115
<b>Chapter Six – Problems with the Comparative Method</b>	121
6.1 The Neogrammarians	121
6.2 Analogy	129
6.3 Spelling Pronunciation	133
6.4 Borrowing	134
6.5 Opposition to the Neogrammarian Hypothesis	135

<b>Chapter Seven – Internal Reconstruction</b>	149
<b>Chapter Eight – Grammatical and Semantic Change</b>	161
8.1 Grammatical Change	162
8.2 Semantic Change	179
<b>Chapter Nine – Subgrouping</b>	187
9.1 Shared Innovation and Shared Retention	188
9.2 Lexicostatistics and Glottochronology	190
<b>Chapter Ten – Observing Language Change</b>	213
10.1 The Traditional View	213
10.2 Indeterminacy	215
10.3 Variability	220
10.4 The Spread of Change	226
<b>Chapter Eleven – Causes of Language Change</b>	235
11.1 Theories of Language Change	235
11.2 Pidginisation	250
<b>Chapter Twelve – Cultural Reconstruction</b>	263
12.1 Archaeology	263
12.2 Oral History	265
12.3 Comparative Culture	268
12.4 Historical Linguistics	270
<b>Appendix – Data Sets</b>	289
1. Palauan (Micronesia)	289
2. Nganyaywana (Northern New South Wales)	289
3. Mbabaram (North Queensland)	290
4. Yimas and Karawari (East Sepik)	290
5. Lakalai (West New Britain)	291
6. Suena and Zia (Morobe)	291
7. Korafe, Notu and Binandere (Oro Province)	292
8. Northern and Southern Paamese (Vanuatu)	292
9. Motu (Central Province)	292
10. Sepa, Manam, Kairiru and Sera (Coastal Sepik)	293
11. Burduna (Western Australia)	294
<b>Language Index</b>	295
<b>Bibliography</b>	298
<b>Index</b>	303
