Table of Contents

List of Tables	ix
Executive Summary	xvii
Foreword	xxv
Introduction	1
Chapter I	
The Status of the Retirement Income System	3
Overview of the Retirement Income System	3
Economic Developments over a Decade	6
The Structure of Employer-sponsored Pension Plans	8
Private Employer-sponsored Plans; Government Employer-sponsored Plans	
Changes in Pension Coverage between 1979 and 1983	12
Other Evidence of Changes in Coverage	16
Changes since 1972	
Conclusions	21
Chapter II	
Trends in Employment-based Pensions	23
Private Employer-sponsored Pensions	23
Legislative Developments and Plan Growth	
The Railroad Retirement System	30
Legislative Developments	
The Civil Service Retirement System	33
State and Local Government Pension Plans	36
The Social Security System	39
Legislative Developments	
Conclusions	44
Chapter III	
The Distribution of Employer-sponsored Pension Coverage	47
Factors Affecting Coverage and Vesting	47
Interactions and Statistical Analysis	

Pensions and Earnings	51
Coverage and Earnings among Nonagricultural Employees; Coverage and Earnings within the "ERISA" Work Force; Prior Participation and Vesting	58
Pensions and the Aging of the Work Force	62
Pensions and the Baby Boom	62
The Changing Roles of Men and Women	68
Family Decision Making	68
Conclusions	68
Chapter IV	
Workers without Coverage and Individual Retirement Saving Options	71
Workers without Coverage under Employer-sponsored Plans	71
The "ERISA-Plus" Work Force	78
The Use of Individual Retirement Accounts	82
Individual Retirement Accounts and 401(k) Plans	86
Pensions and the Self-employed	90
IRA Usage by the Self-employed	90
Conclusions	90
Chapter V	
Pension Coverage, Industry Growth and the Business Cycle ...	93
A Partial Theory of Cyclical Changes in Coverage	96
The Recessionary Industries	105
Construction; Transportation; Durable Goods Manufacturing; Nondurable Goods Manufacturing; Mining	110
The Growth Sectors	112
Service-related Industries; The Service Sector	112
Government Employment	112
Federal Employees; State and Local Employees	112
Conclusions	112
Chapter VI	
Income and Assets of the Aging Population	115
Income of the Aged	120
Poverty; Gains in Income Receipt	120
Sources of Income	125
Trends in Pension Income	125
Asset Holdings	125

Replacement Rates	129
Conclusions	130
Chapter VII	
The Impact of the Retirement Equity Act	133
Changes in Participation and Vesting Standards	133
The Effect of REA on Participants; The Effect of REA on Plan Costs; Other Economic Considerations	
More Secure Joint and Survivor Benefits	138
Preretirement Survivor Annuities	141
Pensions and Divorce	145
Conclusions	147
Chapter VIII	
Retirement Income Policy Proposals	149
Liberalizing ERISA Participation and Accrual Standards	149
Older Workers; Part-time Workers	
Liberalized Vesting Standards	155
The Costs of Five-year Vesting; The Effect of Five-year Vesting on Benefit Receipt	
Policies to Increase Pension Portability	159
Defined Benefit or Defined Contribution Plans	
Policies to Encourage Plan Growth	165
Other Policy Options	
Basic Tax Reform	171
Expansion of Individual Retirement Accounts	174
Changes in Social Security	
Conclusions	177
Chapter IX	
The Changing Profile	179
Legislation Intended to Change the Profile	181
Proposals to Improve Coverage	182
Implications and Future Directions	184
Appendix A	
The May 1983 EBRI/HHS CPS Pension Supplement	187
The Current Population Survey	187
Sample and Survey Method; Weighting Methods; Statistical Reliability	
The May 1983 Pension Supplement	188

The Sample; Type of Information; Changes in the Pension Supplement since 1979; Weighting; Use of Small Estimates	
Glossary	190
Appendix B	
Imputations of Missing Data in the May 1983 EBRI/HHS CPS Pension Supplement	193
Problems Addressed	193
Methods Used to Correct Problems	194
The Effect of Data Enhancement on Findings	197
Appendix C	
Statistical Procedures	199
Analysis of Variance	199
Coverage Analysis; Participation Analysis; Vesting Analysis	
Logit Simulation Model	204
Logit Equations	
Policy Simulations	208
The Effect of the Retirement Equity Act (REA); The Effect of Raising the Maximum Participation Age; The Effect of Reducing the ERISA Minimum-Hours Requirement; The Effect of Five-year Vesting; The Effect of Policies to Improve Pension Coverage	
References	217
